MADOC, HASTINGS COUNTY, ONTARIO

JANUARY 4, 1973 Number 1

Established April 6, 1877

## Hockey Clinic January 7th

Reminder to all interested coaches that the Hockey Clinic presented by Ron Smith, Technical Director of the O.H.A., will be held "this" Sunday, January 7th, from 1:00 to 4:00 p.m.

All interested parties should meet at the Madoc Public School Gym by one o'clock. Doors at the west rear entrance will be open at 12:30. Registration fee of one dollar can be paid on Sunday before the clinic starts.

No skates are necessary. All interested persons are welcome.

## SNOWMOBILE CHURCH SERVICE

Once again, as in previous winters, the Board of Trinity United Church, Madoc, has made arrangements for a special Sunday Church Service for Snowmobilers. It is a half-hour informal service which is held downstairs at 8:30 a.m. The early hour of 8:30 a.m. means that the whole of the day can be used for family fun in the snow. The use of the downstairs and the informal atmosphere means that the snowmobile suit does not look out of place. The Service has been popular with snowmobilers and others who simply enjoy the atmosphere. See you bright and early Sunday morning. If you enjoy God's world, then take time to say "Thank you".

## Snowmobiler Hurt On Twp. Road

One of the first reported accidents involving a snowmobile in the Quinte area occurred during the holiday in Madoc Township.

Ronald Clarence Masters, 42, of R.R. 1, Eldorado, was admitted to Belleville General Hospital with minor chest injuries. Madoc detachment, O.P.P. Constable Robert Whitehorn reports the snowmobile, ridden by Mr. Masters, collided with a parked car on the Hunt Club Rd., 7.3 miles north of Highway 7. The car is owned by James Arthur Ruckstuhl of Sharbot Lake.

## Hastings To Get Preview

Hastings municipal officials will be able to learn at first hand how the regional government setup for the area east of Toronto could effect this county.

Clarke T. Rollins, MPP for Hastings, said that because of the concern expressed locally following a meeting in Oshawa, he would have officials from the ministry of treasury, economics and inter-governmental affairs come to Belleville to talk to county council and other interested parties.

Mr. Rollins said the date of the meeting had not been determined but it would be following the inaugural session of Hastings County Council, possibly late in January.

At the Oshawa meeting, Provincial Treasurer Charles MacNaughton outlined the proposed boundaries for the new regional government area which would take in the territory from Metro's eastern boundary to just west of Colborne.

Under the proposal, five Northumberland townships, Cramahie, Percy, Brighton, Seymour and Murray, along with the urban municipalities, would be attached to Hastings county, resulting in an additional 12 or more members on Hastings county council.

Mr. MacNaughton said he would accept comments on the regional government proposal until the end of February.

## SOME OF THE HIGHLIGHTS OF '72

**JANUARY**  
After being known as the 'North Hastings Review' for the past 95 years, Madoc's weekly newspaper has received a new name — the 'Madoc Review'.

Under the local initiatives program, as many as 40 people are expected to be employed to work on the Quinte-Hastings Trail project.

After twenty-two years of operation under the Lough name, Lough & Lyons transport has changed ownership, and with the change comes a new name, Ross Clark Freightways Limited.

Tyendinaga Reeve Carman Gibson has been named County Warden for 1972.

Mr. Clarke T. Rollins, M.P.P., Hastings, presented Mr. Wilfred J. Symon with his permanent complimentary licence in recognition of having held a miner's licence continuously for 25 years.

Mrs. Charles Thompson of Madoc celebrated her 80th birthday on Tuesday, January 11th.

**FEBRUARY**

Mr. and Mrs. John Blair, Crookston, celebrated the silver anniversary of their wedding.

Tweed youth, John Ross McNaught, was killed and a passenger, Miss Sheila Lynch, seriously injured in a snowmobile accident on February 4th. Another tragedy occurred when 20-year-old Robert N. Moore of Tweed was killed while working as foreman for a tree removal gang in Madoc Township.

Boy of ten, Milton Armstrong, averts possible derailment.

Anne O'Riordan crowned Winter Carnival Queen.

Miss Dominion of Canada visits Carnival.

Mr. and Mrs. Glenn Briggs and family left homeless when fire guts their house on Rollins Street.

**MARCH**

Mr. and Mrs. Percy Keller celebrate 49th Wedding Anniversary.

In conjunction with Education Week, Miss Lamoine West, Mr. Ed. O'Connor and Mr. Burton Vance were selected as outstanding educators for Centre Hastings.

Bridgewater School Open House attended by 300.

Mrs. Dorothy Thompson was named Clerk-Treasurer of Huntingdon Township.

C.H.S.S. Junior Girls volleyball team won the COSSA championship in six straight games.

New press goes into operation and prints the Madoc Review for the first time on March 15th.

Bro. Joseph Ash honored by Orange Association for years of unselfish devotion and leadership in the Lodge.

Mr. Robert Bateman was appointed Vice-Principal of C.H.S.S.

Governor's Ball held at Madoc Kiwanis Centre.

Mr. and Mrs. Arthur Carman celebrate Golden Anniversary. Legion presents \$300 donation to Madoc and District Minor Sports.

**APRIL**

Madoc Kiwanis Club donates property for Centre Hastings Medical Centre.

Man injured in accident at Canada Tale mines.

Edward Mah and Mark Seumigaj win prize for their entry of a home-made Radio-Sonde in the Belleville Rotary Science Fair.

Tailoring course held in Madoc - thirty women participate.

New Dressing Rooms to be constructed at Ball Park.

Sisters, Barbara and Karen Keller represent C.H.S.S. in the all-Ontario Invitational Girls Gymnastics meet at York University.

Mrs. Ward Holland, R.R. 5, Madoc, celebrates 85th birthday.

Retired farmer, 63 years old Norman Griffin, of Madoc Township dies while burning brush.

Mrs. Bella Robbins of Madoc celebrates 90th birthday.

**MAY**

County Library System discussed at meeting.

Speech Pathologist gives informative address at dinner meeting at C.H.S.S. and later at open meeting in Madoc Township Public School.

Mr. Ken Livingstone was presented with a certificate and pin in recognition of 25 years public service.

Madoc Township School Junior Boys Basketball team capture the Centre Hastings Association School Group championship at a tournament held at Madoc Public School.

Two C.H.S.S. students, Betsy Howell and Graham Bell, receive an Opportunity for Youth grant to operate summer recreation program.

Dr. A. K. Dosaj joins Dr. Derry at his office here through the Underserved Area Program.

Aleatha Woods honored at testimonial evening.

Mr. and Mrs. George Gordon celebrate golden anniversary.

**JUNE**

Fire claims lives of three Toronto youths.

Summer Art Show at C.H.S.S. was a huge success, drawing over 300 persons.

Testimonial dinner for Miss Lamoine West draws friends from afar.

Mrs. Mary Barton was elected District Deputy Grand Matron of District 12 for the year 1972-73.

Millbridge Anglican Church celebrates 102nd anniversary. Centre Hastings Medical Centre opens.

Mrs. Florence McCoy is honored at testimonial evening.

Three area teachers, Mrs. Aleatha Woods, Mrs. F. McCoy and Mrs. Morton honored at retirement tea of F.W.T.O.

**JULY**

Reeve takes cool dip in new swimming area.

Huntingdon Township Councillor, Francis Thompson resigns. Mac Saries, R.R. 2, Stirling, appointed to finish term of Mr. Thompson.

William Gordon, his wife, and members of his family were injured in a single car crash.

Quinte-Hastings Recreation Trail officially opened at O'Hara's Mill.

Student self-help employment service plans to open souvenir and craft shop.

Twelve-year-old Bonnie Lynn Kleinsteuber, daughter of Mr. and Mrs. Jim Kleinsteuber, R.R. 3, Tweed, drowned when she was caught in the current of the Scotomatta River near her home.

Over 200 attend grand opening of Madoc Farm & Garden Centre.

Mr. and Mrs. John O'Rourke celebrate silver anniversary.

An 88-year-old woman, Mrs. Lillian Sarah Petrie of Belleville died as a result of a three-car crash near Ivanhoe.

**AUGUST**

Mr. and Mrs. Reg. Haggerty celebrate golden anniversary.

Clarke T. Rollins lands 19-pound Arctic Char while fishing in extreme north country with Mr. Ken Smith.

Black Box Theatre Youth Company presented a unique family show at C.H.S.S.

Three Madoc youths, Joey Brooks, Scott Simpson and Doug Ross win medals at Highland Games in Cobourg and then Joey Brooks went on to capture a silver medal at the Ontario Legion Track & Field Championships.

Judge J. C. Anderson announces his retirement after 25 years service to the County.

No. 7 Discount Gas Bar and (Continued on Page 2)

## MADOC ELECTORAL BOUNDARIES TO CHANGE WITH READJUSTMENT ACT

13. FRONTENAC-LENNOX AND ADDINGTON consisting of: (a) the County of Lennox and Addington; (b) that part of the County of Frontenac contained in the Townships of Barrie, Bedford, North Canoto, South Canoto, Clarendon, Hinchinbrooke, Howe Island, Kennebec, Loughborough, Miller, Olden, O. Palmerston, Pittsburg, Portland and Storrington; (c) that part of the County of Hastings contained in the Townships of Bangor, Carleton Place, Cassin, Deseronto, Elzevir, Faraday, Grimsthorpe, Hershel, Lake, Limerick, Madoc, Marmora, Mayo, McClure, Montague, Tudor, Wicklow and Wollaston; and the Villages of Bancroft, Deloro, Madoc and Marmora; (d) that part of the County of Renfrew contained in the Townships of Radcliffe and Raglan. (Population: 69,259).

## CENTRE HASTINGS MEDICAL CENTRE PROGRESS REPORT

On Tuesday of this week the Directors of Centre Hastings Medical Centre met in their first meeting of 1973. A review of 1972 activities was undertaken and the directors expressed satisfaction with progress to the year's end. During 1972 a charter had been applied for and received, an application for designation as a charitable organization under the income tax act has been approved and receipts for donations made during 1972 have been completed and should be in the mail within a week; the building construction progressed quickly during late 1972 and the first stages of occupancy should take place during the first quarter of 1973; cash donations have been received from approximately 300 individuals, community organizations and businesses.

## C. L. HORTON FIRST IN LIGHTING CONTEST

The Madoc and Area Christmas lights this year were the best ever. From Mr. Knippers' Moira Lake Lodge on the south to Gord Piggens' on the north and Clarke Huffmans' Whispering Pines Restaurant on the west, Madoc was well and truly lighted.

The judging was done this year on households only. Such spots as Kelly's Nursing Home and T. C. Burton's Smiths Motel were great but not classed as households. Another year perhaps separate prizes for commercial establishments will be set up.

First prize went to C. L. Horton on Livingstone St. W., second to Stan Hawthorne on St. Lawrence St. E., and third to Bev Browning on Russell St. N. Four additional prizes were given in alphabetical order they are, Keith Chambers, Russell St., Harold Dale, Elgin St., Ted Hallstone, No. 62 Hwy. 8, and Bill Lahey, St. Peter St. The judging was most difficult

By December 31st, 1972, total cash received was \$23,000. Pledges and other future support on hand approximates \$5,000. A L.I.P. grant amounting to \$17,500 has been applied for, but by year-end had still not been approved.

The directors emphasize that they are going ahead to complete the program and appoint directors R. Patrick, D. Heard and J. Watson to arrange for tenants and such other personnel required to operate the Centre.

The finance committee, under the chairmanship of T. C. Barton, is continuing its efforts to raise funds and appeal to the community and individuals to continue their support in 1973.

Directors are planning a public dance for Friday, March 16th in the Madoc Kiwanis Centre to raise funds for its work. Additional financial support is now needed and any immediate contributions would be appreciated.

The Centre Hastings Medical Centre has a permanent street address at 151 St. Lawrence Street East with mailing address to P.O. Box 493, Madoc, Ontario, K0K 2K0.

## BIRTH

**WHALEN** — Kevin and Geraldine of Tweed are happy to announce the birth of a son, David Lawrence, on Wednesday, December 6th, 1972, at Belleville General Hospital. A brother for Tommy, Catherine, Robert and Ann-Marie.

A new federal riding — to include all Prince Edward County and five Hastings County townships — is being proposed under redistribution of national electoral boundaries. The proposed redistribution blueprint — published by the federal government — would reshuffle all three present Quinte — district constituencies and abolish the present Hastings Riding extending from Belleville to Bancroft.

Prince Edward — Hastings would reach from Lake Ontario about to Highway 7, with Deseronto and Belleville marking its east-west limits on the Deloro.

Hastings mainland. It would exclude Madoc, Marmora and

The Hastings mainland area of the proposed riding would compose the townships of Hungerford, Huntingdon, Rawdon, Village and the Tyendinaga Mohawk reserve.

The present riding of Prince Edward — Hastings — the seat held by leading Progressive Conservative George Hees — includes all of the Prince Edward peninsula, Trenton, Sidney and Rawdon townships in Hastings and part of Northumberland County.

It would be replaced by an area that still includes Trenton and Sidney township and most of Northumberland County's township in a constituency to be called Northumberland.

The present riding of Hastings is now represented by Progressive Conservative Jack Ellis, former Belleville mayor, who won the seat in last October's federal election. Mr. Ellis — likely the last MP for Hastings — contemplates protesting part of proposed electoral shuffle that eliminates his riding.

His discontent hinges on two

electoral blocs: Sidney township and a cluster of neighboring communities at the constituency's core — Madoc, Marmora and Deloro.

Mr. Ellis indicates he will voice his protest Feb. 20th when the federal electoral boundaries commission for Ontario meet in Belleville to hear any arguments against the proposed readjustment.

The new boundaries, which split Hastings County south of Highway 7, joining a populous five-township with Prince Edward County, form a new Prince Edward Hastings riding.

Twelve Hastings County townships north of Highway 7 would be integrated into neighboring Frontenac, Lennox and Addington, a constituency now represented by Progressive Conservative Douglas Alkenbrack. The riding would include Marmora, Deloro and Madoc villages.

At present, Sidney township, although a Hastings County municipality, is in the present riding of Prince Edward — Hastings, a constituency which angles from Lake Ontario through Northumberland County. Current proposals call for the township to remain within a new riding of Northumberland.

"It just doesn't make sense," said Mr. Ellis as he scanned the proposals for the new boundaries. "I can't see Sidney township being left out of any Prince Edward — Hastings that would include the five lower townships."

He said if he could get support from Mr. Hees and Sidney electorate "I would see if we couldn't change that. Sidney should be in Hastings not Northumberland."

The township also includes (Continued on Page 7)

## WINNER DECLINES — DRAW FOR T.V. TO BE HELD AGAIN

Through the kindness of the Peterborough Examiner, everyone who had a coupon in the box for the Review's draw on a 20" portable Electrohome television, will have a second chance to win.

When the original draw was held live over Hastings Cable Vision Channel 4 on Friday, December 22nd, 1972, the Editorial Department of the Peterborough Examiner was the name on the coupon drawn.

After contacting the office there, a representative of the Department declined to accept the T.V. It was then decided we would hold a second draw.

This re-draw will take place again live over Cable vision, channel 4, on Sunday evening, January 14th.

Mr. Alonzo Fox, formerly of Madoc, and now a resident of Hastings Centennial Manor at Bancroft, was among the many at the Manor to receive a Christmas basket. Above, two members of the Maynooth Cub Pack are shown presenting Alonzo with a basket.

MRS. CAROL PARANUIK, Editor**SUGAR AND SPICE**

By BILL SMILEY

Winter struck swift, sure and without mercy this year. Five days before Christmas we'd had about two feet of snow in these parts, along with the usual combination of blizzard-force winds and a generous sprinkling of freezing rain.

Today, with my driveway plugged again and my sidewalk drifted in a foot deep, and myself still nursing a deep cold contracted two months ago, I'd be just as happy if somebody marched me out, stood me with my back against the garage, and shot me, right under the flower-box.

It was a pretty uncheery holiday at our place. It wasn't planned; it just turned out that way. I'd bought the usual pair of trees, a spruce and a Scotch pine. Too sick to put them up and they sit by the back door, forlorn, covered with snow and ice.

The Old Lady caught her second round of flu and just didn't feel like coping with family, decorations and the whole Christmas scramble. She was even too sick to lash me on to greater heights, which is mighty sick. We had hamburg for our festive dinner.

Missed three holiday parties and had to cancel our own. Didn't even get out to church.

Thought desperately of fleeing the whole thing, going to Montreal to spend Christmas with number one son, and eating out. Couldn't get a plane or train ticket and didn't feel up to driving.

Thought even more desperately of fleeing south, whatever the cost. Same thing. No seats. Didn't get our cards started, let alone finished. Didn't get the wreath of holly on the door, or the mistletoe up. In fact, you name it, and we didn't get it done.

This is a solemn warning to whoever is in charge of things. If they don't get better smartly in 1973, there's going to be trouble.

I've been through two rounds of anti-biotics and about 300 pounds of calcium tablets, in an effort to shift my cold. It worked. I shifted it from my head to my chest and back again and now it's penetrated as far as my big toe.

My, this is a dreary little recital of woe, isn't it? Come on, Bill, surely something remotely pleasant happened.

Well, yes. We did enjoy getting cards from all the old friends. It's good to know that not everybody has one foot, both physically and mentally, on the edge of the grave.

And there is the cheering thought that everything has no place to go but up. Lucky that came out spelled right. Typed it with all my fingers crossed.

And there is one thing to hang on for. We're going to go south for a week in March and try to make the sun and the rum put some life back into the reluctant bones.

There will probably be a

revolution on our Caribbean island the week we're there. But I don't care. By March I'll probably be quite happy to be planted under a palm tree, even if it's permanent. It's a better way to go than a snow-shovelling heart attack, or getting lost in a blizzard between the house and garage and being frozen to death.

Even the calendar conspired this year. School teachers can usually count on a week's holiday before plunging back into the long winter term. Wouldn't you know it? This year, with Christmas and New Year falling on Monday, we got exactly three days of holiday, aside from the legal ones. I know what you're saying. "Eat your heart out, teach."

Oh, well, you can't win them all, and I've won some good ones. I do admit that I'm feeling a bit like Job except for the boils. But then, of course, my hemorrhoids are acting up, so we're even.

I guess, until we see what 1973 has in store, we'll just have to go around muttering things like: "Hang in there, kid" and "Keep the faith, baby" and "We shall overcome" and "Next year, Jerusalem."

There's no use complaining, is there? Especially when you've already been doing so for some six hundred words.

Whatever befalls me and mine, I want to end rotten old 1972, which seemed eight years long, by thanking all the readers who sent cards and letters during the year, and wishing all readers a great big, beautiful year to come, with unexpected pleasant surprises and lotsa luck with the tax collectors.

**TWEED MIXED BOWLING**

The results of the Monday Night Mixed League at Tweed Bol-O-Way on December 18th were as follows:

Team Standings — King Pins, 70 pts.; Double-O-Nothings, 58 pts.; Hells Belles, 47 pts.; Rolling Pins, 47 pts.; Stocq Marauders, 45 pts.; Clare River Ramblers, 27 pts.

Ladies Highs — Gwen Kinlin, 224, 205 (583); Darlene Brook, 209; Joan Molloy, 203; Dora Heyworth, 203; Cathy Hollister, 203.

Mens Highs — Jim Byer, 235, 246 (671); Francis Kinlin, 259, 204 (654); Keith Coulson, 253 (609); Art Smith, 205, 233 (606); Frank Bossio, 266; John Hunt, 230; Martin Brook, 218; Leon Clement, 215.

**HIGHLIGHTS OF '72**

(Continued from Page 1)

Diesel Fuel holds highly successful grand opening.

Medical Centre donations top \$10,000.

Mrs. Wm. J. Roushoun celebrated her 92nd birthday at the home of her daughter, Mrs. R. L. Barker last week.

Cloyne boy, Mark Mills, successfully lands 38" Pike while fishing in Benny's Lake.

**SEPTEMBER**

Art Trek enjoyed by many at Kiwanis Centre.

Ladies Division, Madoc Agricultural Society announce a queen will be crowned at the Madoc Fair for a first time this year.

Prime Minister Trudeau announced October 30th as the date of the Federal Election.

Carol Mariene Taylor, 16, of Ivanhoe was killed in a car accident on Sunday, September 3rd.

Mr. Charles W. Rose, R.R. 1, Cloyne, celebrates his 89th birthday.

Madoc Legion presents Medical Centre with cheque for \$1,700 - a first instalment on a pledge of \$5,000.

Senior Citizen Housing recommended for Village of Madoc.

Hastings Cable changes to Channel 6.

Half a century of fair activities on present property marked.

Maple Leaf timekeeper holidays at Moira Lake.

Injuries clinic held at C.H.S.S. for managers and coaches.

**OCTOBER**

Mr. and Mrs. Eric Omerod celebrate Golden Wedding Anniversary.

Registration held for night school classes at C.H.S.S.

Frederick Stewart, 84, of R.R. 1, Eldorado, died as a result of injuries sustained in a two-vehicle crash north of here on Highway 62. His wife, Catherine, also 84, was seriously injured in the crash.

Deerock Reservoir Dam officially opened north of Flinton.

Mr. and Mrs. Jack Fitzgerald celebrate Silver Wedding Anniversary.

New church memorial doors dedicated at St. John's Anglican Church.

The benefit smorgasbord sponsored by Kincaid Bros. I.G.A. was a tremendous success, with over \$1,000 being raised for the Medical Centre.

Mrs. Richard Hook of Cloyne wins \$1,000 at the Land O' Lakes Lions Club Millionaires Night.

Pilot escapes plane wreck at Gilmour.

Mrs. Don Huston of Ohio landed a 20-pound muskie at Moira Lake.

300 receive diplomas at C.H.S.S. graduation.

Whispering Pines Restaurant officially opened.

**NOVEMBER**

Carl Newton, 33, of Northbrook was instantly killed in a two-car crash on Hwy. 41.

Resources Manager John Wuite transferred to the Sudbury area.

Mr. Tom Deline Jr. receives Outstanding Service Award Intercollegiate Press.

Arena entrance changed, new booth built - now ready for the season.

C.H.S.S. students attend Dorset conference.

Jack Ellis, Conservative Candidate for Hastings was the unanimous choice for the riding in the Federal Election.

Warden's banquet attended by over 300.

Mr. and Mrs. Goldie Ellis celebrate 50 years of marriage.

Mr. and Mrs. Robert Williams celebrate silver wedding anniversary.

St. Peter's Young People collect \$269 for the Blind.

Remembrance Day service well attended.

Mr. and Mrs. Manley Baumhour celebrate 50th anniversary.

Mr. and Mrs. Fred Stein honoured on silver wedding anniversary.

O.P.P. sponsor successful benefit Dance, raise \$1,100 for Medical Centre.

Ray's Sport Shop robbed of approximately \$5,000 worth of guns.

4-H members mark completion of the year at annual Awards Night at C.H.S.S.

Kiwanis officially donate property to Medical Centre Association.

**DECEMBER**

Mr. and Mrs. Cecil Blackburn of Eldorado honored on wedding anniversary.

Family of Mr. and Mrs. Norman Brushey of Flinton

**FRIENDLY HINTS****BEEF OUTLOOK — '73**

UCO's Livestock Department Manager, Don Slinger, has made his annual forecast of the beef situation. He notes that in the year just ended, the Canadian beef industry was characterized by a moderate increase in domestic slaughter cattle, increased beef imports, lower exports and sharply higher feeder and slaughter cattle prices.

The significant shift in slaughter cattle from east to west over the past decade was continued in 1972. Carcass weights averaged out only 2.2 lbs. (as of the end of August) above those in 1971. Steer and heifer slaughter was up by three and four percent respectively and cow slaughter was down by four percent.

In the first nine months of 1972, choice steers averaged \$37.13 per cwt. an increase of \$3.25 per cwt. over the same period for 1971. As most cattle feeders know, feeder cattle prices have increased sharply, and feeders have been working against a negative price margin.

Looking ahead, volume of cattle marketings in 1973 will average above those of 1972, probably as high as 3 to 4 percent. Supply of feeder cattle will be up perhaps by 4 percent. U.S. price levels in 1973 will continue to have a major bearing on fed cattle prices in Canada. U.S. prices in 1973 are expected to be near the 1972 levels, so Canadian fed cattle prices will likely average close to an "export equivalent". Choice steer prices in Toronto in 1973, can be expected to average close to choice steer prices in Omaha in 1973. This assumes that the Canadian dollar will keep the same relative value to the U.S. dollar as it has at present.

In Canada, demand for beef in 1973 should continue and there will probably be no sizeable increase in pork supplies until late 1973. Higher feed costs and with feeder cattle prices up last fall, cattle feeding profits will likely be less favourable than last year.

**BUILDING FOR POWER, 1972:** A four-month strike had little effect on field construction of Ontario Hydro's generating stations to meet provincial power demands.

At Nanticoke generating station on Lake Erie, the final section of a second cooling water intake was installed (top left). First power flowed in January, and completion is slated for 1977.

Formwork progressed for turbine blocks (top centre) at Leamington generating station on Lake Ontario near Kingston. Hydro's first totally oil-fired plant is due to provide initial power in 1974.

The vacuum building internal structure (top right) for Bruce

nuclear station on Lake Huron was completed in December. Sixty-four columns 4 feet in diameter support a dousing tank, part of the nuclear containment system. Construction at Bruce will continue through the late '70s.

Fresh and spent fuel for Pickering nuclear station reactors is handled by remote-controlled fuelling machines (bottom right). The plant, east of Toronto on Lake Ontario, was officially opened February 23, and is scheduled to be completed this year.

Use of a tree planter capable of moving trees twenty-eight feet tall (bottom left) is an example of Hydro's continuing aesthetic improvement program throughout Ontario.

## LOOKING BACK ...

50 YEARS AGO  
January 3, 1923

What came very near to being a very serious, possibly fatal accident occurred Tuesday afternoon at the corner of St. Lawrence and Russell Streets, when Dr. Alexander, who was travelling pretty rapidly towards St. Lawrence Street, came into collision with Reeve Haggerty's car which was going west on St. Lawrence Street. The driver of Haggerty's car attempted to turn quickly to the left, when the Doctor's car struck it fairly, driving it against the telegraph pole and on the sidewalk, although the car was badly damaged fortunately no one was hurt. Mr. Haggerty's car was occupied by his two daughters, and Miss Muriel Embury, daughter of Dr. Embury of Bancroft. The young ladies were very badly shaken up as a result of the impact of the cars. This is probably the most dangerous corner in Madoc as the grist mill makes it impossible to see an approaching car moving west along St. Lawrence Street. The greatest caution ought to be exercised at this point. We have observed lately some very fast speeding on our streets, especially on Durham Street, between St. Lawrence and the Marmora road. Within the last three months we have frequently seen cars travelling on this portion of our streets at the rate of 30 miles an hour. We don't know what the duties of our Constable are but if the arresting of speed-freaks is one of his duties, it is time some of these speeders were brought to feel a proper respect for our laws.

On Friday last, the Madoc skating rink re-opened for the season of 1923. There was a very good attendance and all seemed satisfied with the condition of the ice. This speaks well for those who are running the rink, as the rink was opened before most of the others, and the ice was better than seen on other rinks during the coldest weather of last year. To the electors of the village of Madoc.

The members of a firm formerly prominent in selling horse-drawn vehicles on the Pacific coast give some interesting figures showing how the carriage and wagon builders have lost business, due to the inroads of the automobile industry in the transportation field. It seems that there were 14,000 buggies sold in Los Angeles county alone in 1906, and 6,500 wagons. Two years later the first motorcar appeared and business thereafter declined steadily. It is doubtful if 100 buggies a year are sold now in California. Salesmen working in rural districts used to sell an average of two buggies a day and more sets of harness. One prominent wagon builder sold \$8,000,000 worth of horse-drawn vehicles in 1906. In 1905 they stopped manufacturing them and concentrated their production facilities on motorcars, which they had gradually developed as their wagon trade decreased. Not all firms were so far-sighted or fortunate, however, and many factories that formerly manufactured thousands of horse-drawn vehicles are but a memory. Most wagon builders of progressive mind installed motorcar departments and are now reaping a harvest as manufacturers of special truck and van bodies to be fitted to standard motorcar truck chassis, work for which their mechanical equipment, working forces and experience are particularly well adapted.

The "Dolegals" tried to make people believe that there wasn't going to be a Merry Christmas this year, and there wouldn't be much Santa Claus. Well, there

was. We hope they saw the busy, happy crowds buying all the useful, good and pretty gifts and toys. They were great days. We are glad — and we thank you. Cross & Co. and Staff. Our first job for 1923 is house-cleaning. This year we are going to reverse the order and house-clean before stock-taking. Save time — and many good customers will be glad to help us — and reap a benefit. From January 6th to January 13th every department will throw on the tables, all odd sizes, broken lines, single garments, remnants, etc., etc., which will be marked by a big red price ticket for house-cleaning at a fraction of their value. For 7 Days only you will be able to buy 2 sleeveless flannel dresses for \$4.50 each; 2 ladies' serge dresses, ages 20 and 38, for \$5.00 each; 2 ladies' heavy coats at \$9.75 each; 3 girls' dressing gowns, slightly soiled at \$1.95 each; 3 doz. men's and boys' leather mitts at 45c; 1 man's mackinaw coat, size 36 at \$4.50; 1 man's imitation fur coat, quilted lining, very heavy, at \$18.00; 1 ladies' fur scarf at \$2.90; 3 travelling bags at 95c each; 2 doz. brooms at 3 for \$1.00. Cross & Co. of Madoc.

24 YEARS AGO  
January 6, 1949

The local Fire Company held a banquet in the Masonic Hall dining-room on Tuesday evening with the Village Council, Warden West and Village officials as guests. After a sumptuous turkey dinner served by Newton Kincaid and staff, speeches and presentations were made. Percy Gunn acted as Chairman for the evening and called first on Warden George West for a few words. After a short address by Fire Chief L. Mulrooney, Warden West was presented with a fine Smoking Cabinet by George Devolin, on behalf of the Madoc Fire Company, for which Mr. West voiced his sincere appreciation. He was also presented with a gift from his former Council, presented by Reeve John Kincaid. Mr. Robert McGhee, who served the Madoc Fire Company for a great number of years, was called upon and related the history of the Fire Company from the early hand pumper days to the present time. Each of the Councilors and Village officials were called on for short speeches, after which Chairman Percy Gunn paid tribute to Newton Kincaid and staff for the banquet fare. In closing, hope was expressed by the Chairman, that the banquet would become an annual event and that the Fire Company would hold fund raising programs from time to time.

Thomas J. Bata, of Frankford, Ont. head of the shoe-manufacturing Western Bata organization, has lost a three-year battle against the Communist Czechoslovak Government which now has expropriated the Bata plants at Zlin. Bata, 34, stands to lose 50,000,000 pounds, the value of the seized works as estimated by an independent assessment. The Czech Government recently decreed he is not entitled to compensation but he claims a moral victory. "Fifty million pounds is a lot of money," he said. "So far we have not received one penny of compensation, but we have been able to force the Communists to give up use of our name, and to stop misleading the public of the western world." Propaganda Minister Václav Kopecky, commenting on the decree, said that to Communists the name Bata had lost its value because the Soviet Union no longer insisted on the Bata name in shoes delivered to Russia. Bata, who served in the Canadian Army during the Second World War, set up a Canadian Bata plant in 1938. He is the only son of Thomas Bata, who founded the Zlin business 34 years ago.

"It used to be said that a prosperous agriculture depended on the top six inches of soil. Today, it depends on more than that — the top six inches of the soil plus the top six inches of the farmer." That is a paragraph from a recent pamphlet issued by the Department of Agriculture entitled, "Agriculture in Ontario." In other words the farmer today must mix brains with his soil in order to make a success of his operations. He must be a scientific agriculturalist as well as a skilled business executive. The modern farmer has to be a great deal more than a tiller of the soil. He has to have know-

ledge & chemistry to understand and meet the needs of his land for fertilization treatment. He has to be something of a botanist to understand crop production, and to identify and deal with the many weeds which can ruin his crops. He has to know something about entomology to clean out insect pests. He has to be a bit of a veterinarian to take proper care of his livestock. He has to be a motor mechanic to keep his machinery in good running order, a nutritionist to understand the scientific principles of feeding his animals, a salesman to dispose of his products, a bookkeeper to keep records and accounts of his operations. All of these things — and many more — are involved in successfully farming as it has developed today. It requires more skill and knowledge and business acumen than does the head of the average urban industry. The complexities, the risks, the hazards, and the varied type of activity on the mixed farm today are such that the farmer must be equipped scientifically and in a business sense in order to continue producing and marketing the food that is needed by the urban dwellers and at the same time earn a fair return for his labour and investment.

The 1949 season of the Trent Valley Hockey League got off to a good start Monday night with all ten teams seeing action. At Madoc, the pack was faced by Reeve Jack Kincaid and the Madoc team opened the season by defeating Tweed 3-2. Neither team had much time for practice before the starting game. The weather was mild, as a result the brand of hockey played was potty, but with the practice and a few more games Madoc may prove tough opposition for any team in the league.

15 YEARS AGO  
January 9, 1958

The Madoc Chamber of Commerce are pleased to announce the prize winners for the best decorated homes during the Christmas Season. The judging was done by Mr. and Mrs. Rowe, and Mrs. Roy Frost, of Marmora. 1st prize, Ray and Allen Burris; 2nd prize, Cecil Taylor; 3rd prize, Marion Robertson. Thanks to the judges who made their decisions at a time unknown to the committee.

Playing before 400 fans at the local Arena on Wednesday night, Madoc Blue & Whites defeated the Marmora Millionaires for the second straight time and chalked up their 4th victory in as many starts. The Blue & Whites now have a 4-point lead over the second place Marmora Millionaires with Bancroft in third spot, the result of their win over Campbellford in Bancroft on Wednesday night. Campbellford is still winless in 2 starts. The game in Madoc was a seesaw affair and the decision was in doubt until the last bell. Fred Nickle led the Blue & Whites with 3 goals and was robbed by Killian in the Marmora net on several other occasions. Knobber Day picked up a goal and 2 assists, playing-coach Alex MacLellan got the other goal and also picked up an assist. Ray Smith and Jud Semak also were given assists. For Marmora, Jones, Cousins, Brooks and L. Darrah were the marksmen. Rookie net minder Bobbie Beare, was again outstanding and gets better each time out. Killian, in the Millionaire net was the usual stumbling block to Madoc attackers, while old poison, (Gus Leonard, the faithful), was a stonewall on the Marmora defense. The former Peterboro Pete star stopped Madoc time and time again. Madoc played without defenseman Harry Brown and forward Ernie Carswell, both out with injuries. The game was very close with only 6 penalties being handed out by Referee Williams and V. Goyer, of Belleville, 3 to each team. The same teams go at it again on Monday night in Marmora.

Reeve Earl Sager, of Madoc Township, and his entire council returned for another term at the municipal nominations held on Monday, December 30th. Mr. Sager will be commencing his 6th term as Reeve of the municipality. Council members returned to office for another term were Charles Pugin, A. E. Hagerman, Allen Ketcheson and Cecil Woods. Three positions on the public school board office have not definitely been

decided with only one of the five nominees so far qualifying. Qualified to run for the school board office is John Irvin. Other nominees were Earl Ferguson, Douglas Bailey and Allan McCoy, all members of this year's board. The fifth nominee, Earl Blakely, withdrew.

The winner of the \$50 bill which was drawn at the Legion Christmas Party, sponsored by the Ladies' Auxiliary, was G. Harrison, 22, North James Street, Belleville.

Everyday Low Prices — Red & White Food Stores — Quality Meats — Standing Short Cut Prime Rib Roast, 67c lb.; Swift's Evereet Rindless Bacon, sealed 1-lb. pkg., 67c; Sliced Pork Liver, 29c lb.; Luscious Healthful Anjou Pears, extra large, 4 for 25c; Tasty juicy Sunkist lemons, 6 for 27c; Flavorful New Green Cabbage, 10c lb.; Gold Seal Fancy Sockeye Salmon, 12 lb., 2 for 89c; Lynn Valley tender Peas, 20 oz. tins, 3 for 49c; York Diced Carrots, 15 oz. tins, 3 for 25c; Choice Tomatoes, 28 oz. tins, 5 for \$1.00; Haves Floor Gloss, 49c pt.; Heinz Trained Foods assorted, 3 for 31c; Canadian Kraft Cheese, slices, 8 oz. pkg., 35c; Javex Liquid Bleach, 64 oz. 47c. Kincaid Bros.

Births — Mr. and Mrs. John McMurray, (nee Kayla Jean McMurray, of Gilmour, Ontario), are happy to announce the arrival of a daughter, Elizabeth June, on Saturday, December 28th, 1957, at the Belleville General Hospital.

At Mary Ward's Nursing Home, on Monday, January 6th, 1958, to Mr. and Mrs. Spencer Howard, (nee Thomson), a son, Spencer James.

## UGANDANS ENJOYING QUINTE LIFE

The Federal Ugandan Expellees Program has been very successful in this area. Presently, there are 56 Ugandans people living in the Bay of Quinte district. They range in age from six months to 70 years. The families average three or four children and many have the grandparents with them as well. These people, who have come all the way from Uganda are very happy in their new home and are extremely appreciative of the welcome gestures they are receiving from the Quinte area residents.

All the children have been placed in schools and among the adults are tradesmen including automobile mechanics, engineers, accountants, hair-

dressers and retail merchants. They find our winter weather most unusual because they are accustomed to a year-round temperature averaging 75 degrees.

Mr. James Staveley of Belleville reports that the people of the Quinte area have been very helpful in getting their new neighbours settled in the community, having donated food, clothing, blankets, and furniture — and inviting them in to their homes for meals.

Medical Officer of Health,  
Hastings & Prince Edward Counties Health Unit

## NOTICE County Of Hastings

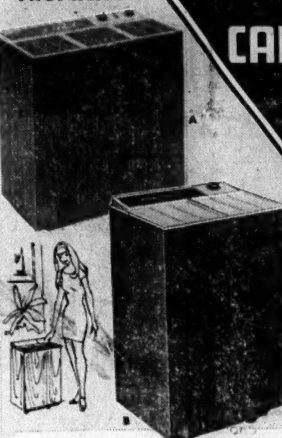

NOTICE IS HEREBY GIVEN that the Corporation of the County of Hastings will apply to the Legislative Assembly of the Province of Ontario at its next Session for private legislation to provide as follows with respect to the composition of and votes on the County Council in the year 1974 and subsequent years:

1. Notwithstanding subsections 1 and 2 of Section 27 of The Municipal Act, membership on the council and the votes of such members shall be as follows:
  - (a) Where a local municipality has less than 2,500 municipal electors, the reeve only shall be a member of council and shall have one vote.
  - (b) Where a local municipality has not less than 2,500 and not more than 5,000 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have one vote.
  - (c) Where a local municipality has more than 5,000 but not more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council; the reeve shall have two votes and the deputy reeve shall have one vote.
  - (d) Where a local municipality has more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have two votes.

DATED at Belleville this 20th day of December, 1972.

## CARDS OF THANKS

We wish to thank our family, grandchildren, and great grandchildren for the wonderful surprise Christmas, and 20th anniversary dinner they had for us on the 16th of December in the Orange Hall, Madoc; for the lovely gifts of a lamp, bedspread, sheets and pillow cases. It was an evening we will always remember, as that was the weekend of the bad snow storm and they came from Parry Sound, Point Claire, Que., Huntsville, Oshawa, Napanee, Trenton, Belleville and Peterborough. You have all been wonderful to us. May God bless you all.

Thank you also to the ladies who served the lovely dinner.  
Jim & Aileen Sprackett.

## Festival Adjudicators Announced By Rotary

The Rotary Club of Belleville has made public plans for the fifth annual music festival. Described by the Rotary sponsors as "one of the leading music festivals in eastern Ontario," few changes have been made in the planning of the four-day festival.

The festival, beginning February 27th, will draw two celebrated musicians to handle the adjudication. The early portion of the festival, composed of vocalists from solo to choir, will be adjudicated by Canadian soprano Megan Rutledge.

She has been a member of The Royal Conservatory of Music teaching staff since 1959, a member of its board of examiners and has for many years performed with the CBC and the Canadian Opera Company.

The second portion of the festival, instrumental music, will be adjudicated by pianist Clive Lythgoe.

His claims to fame include performing for the United Nations and being personally responsible for the first ever, weekly classical music presentation on the BBC (British Broadcasting Company).

Festival organizers hasten to point out the festival is not a competition, even though marks and certificates are awarded for first, second and third.

"It is to give the student the opportunity to become as proficient as possible on a particular piece," said the Rotary Club.

More than 540 categories have been arranged, according to age, selection and choice of vocal or instrumental. These categories range from grade one choirs singing, "A Cookie for Snip," to folk music, to rhythm bands, to accordion orchestras.

Full information is available by contacting the Belleville Rotary Club. All entries must be in by December 1st. These are to be mailed to Rotary Music Festival Office, Albert College, Belleville.

## IN MEMORIAM

**MEELS** - In loving memory of a dear Wife, Mother, Grandmother and Great Grandmother, Roselee Meels who passed away December 26th, 1970.

We watched you suffer, we heard you sigh,  
But all we could do was just stand by.

When the time came we suffered too,  
For you never deserved what you went through.

God took your hand and we had to part,  
He eased your pain, but broke our hearts.

Although we smile and seem carefree  
Nobody misses you more than we.

Sadly missed and always remembered by the Family.

## DEATH

**JOHNS, W. George** - At the Port Perry Community Nursing Home on Sunday, December 17th, 1972, W. George Johns of Nestleton, Ontario, beloved husband of the Late Maud Nickle, and dear Father of William of Markham, in his 73rd year. Rested at the chapel of McDermott-Panabaker Ltd., Port Perry. Service was held on Wednesday, December 20th, 1972 at 2:00 p.m. Interment Nestleton Cemetery.

## LOCAL and PERSONAL

Mr. and Mrs. Goldwyn Holmes, Mr. and Mrs. Raymond Declair, Stacy and Scott, Mrs. William Lynn, Mr. Walter Lynn, Queensboro and Mr. and Mrs. Tom Lynn, Tweed spent New Years Day with Mrs. Fred Holmes, Madoc.

Mrs. Percy Derry spent Christmas with Mr. and Mrs. Hugh Coburn and family of Burlington, Ontario. Mr. and Mrs. Norman Derry and family, and Mrs. Cecil Lapp of Peterborough spent New Year's with Mrs. Percy Derry, Madoc.

Holiday visitors at the home of Mrs. Dorothy Empey, Eldorado were Mr. and Mrs. Fred Thomas of Port Hope, Mr. Robert Empey of Toronto, Mr. Richard Empey of Belleville, Miss Lucy Gilpin of Treasure Beach, Jamaica, Mr. Austin Heinz and Miss Bridgit Gannon of Foxrock, County Dublin, Ireland and Miss Pauline Todd of Sallynoggin, County Dublin, Ireland.

Christmas dinner guests at the home of Mrs. Dorothy Empey included Rev. and Mrs. J. H. Thompson, Nicola and Peter of Madoc and Mr. and Mrs. Hugh Empey of Madoc.

## TODAY'S CHILD

BY HELEN ALLEN

## THE TORONTO SUN SYNDICATE

Tommy is just learning to skate so he doesn't get around on ice very fast - but he is the star goalie for his class hockey team. At nine, Tommy is a healthy youngster. However, he is more like a six-year-old. He is in junior opportunity class and will continue to need special education.

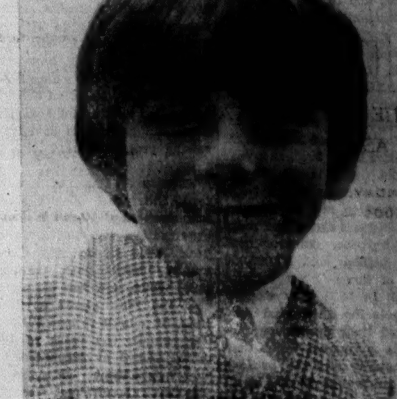

Slightly built, Tommy has blue eyes with long thick lashes, light brown hair and fair skin.

This friendly, obedient lad likes to be given small responsibilities and loves to be praised. He is kind-hearted and sensitive to other people's feelings. Having been frequently rejected when he was younger, he has a great need for warmth and acceptance.

A talkative youngster, Tommy is sometimes so eager to tell about school or a game or whatever interests him that all the words seem to come out together. He enjoys the trampoline and climbing equipment at school and loves the water though he hasn't yet learned to swim. He gets on well with both children and adults.

Tommy needs patient, affectionate parents who will give him praise and encouragement without pressuring him to achieve at the level of other children his age. He can fit into a family with brothers and sisters but preferably there should be none close to him in age.

To inquire about adopting Tommy, please write to Today's Child, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

**OBITUARIES**

**MISS MARGARET WELLINGTON Madoc**  
In failing health for the past several years, Miss Margaret Wellington of Madoc died Tuesday, December 19th, 1972 at the West Lake Nursing Home, R.R. 1, Picton. She was in her 85th year.

Born at Madoc, Miss Wellington was the daughter of the late Mr. and Mrs. Charles N. Wellington who had lived for some years at Port Arthur.

She trained as a nurse at Dansville, New York, and following graduation worked in New York City. She had lived in Madoc for about five years prior to her death.

Miss Wellington is survived only by a brother, Wesley Wellington, of Thunder Bay, six nieces and two nephews. Two sisters and a brother predeceased her.

The funeral was held Thursday afternoon, December 21st with complete funeral and committal service conducted by Rev. E. R. Hawkes in the MacKenzie Funeral Home at Madoc. Entombment took place in Madoc Township Vault. Interment will take place in Lakeview Cemetery at a later date.

**MRS. EDWARD A. WANNAMAKER R.R. 1, Madoc**  
Resident of Madoc Township for the past 64 years, Mrs. Sarah Emiline Wannamaker of R.R. 1, Madoc, passed away at her residence on Christmas Day, December 25th, 1972 after a brief illness. She was in her 82nd year.

Born and educated in Seymour Township, she was the daughter of the late Mr. and Mrs. Arthur Shore. She was an adherent of the Presbyterian Church.

Surviving are her husband, Edward A. Wannamaker, one son, Emil E. Wannamaker of R.R. 1, Madoc and four grandchildren and four great grandchildren. She was predeceased by one brother and three sisters.

Mrs. Wannamaker resided at the MacKenzie Funeral Home, Madoc where complete funeral and committal service was conducted on Wednesday, December 27th at 1:30 p.m. Rev. E. R. Hawkes officiated.

Entombment took place in Madoc Township Vault. Interment will take place in Eldorado Cemetery at a later date.

**MRS. JOHN J. ALEXANDER Queensboro, Ontario**  
In failing health for the past several months, Mrs. Emma May Alexander, passed away at her residence in Queensboro, on Sunday, December 31st, 1972. She was in her 85th year.

Born in Elzevir Township, she was the daughter of the late Mr. and Mrs. Robert Alexander. She had lived her entire lifetime in the Queensboro area. Her husband, John J. Alexander predeceased her.

Mrs. Alexander is survived by one son, Arthur Alexander of Queensboro and one daughter, Mrs. G. (Mabel) Douglas of Sulphide, 20 grandchildren and 24 great grandchildren. She was predeceased by one daughter, Mrs. Minnie Ramsay, four brothers and three sisters.

The funeral was held on Wednesday afternoon, January 3rd from the MacKenzie Funeral Home, Madoc to St. John the Baptist Anglican Church where service was conducted by Rev. J. H. Thompson.

Bearers were: Raymond Declair, Leonard Summers, William Roushorne, Kenneth Cassidy, Harold Tolley and Edward Alexander.

Interment took place in Greenwood Cemetery, Queensboro.

**MRS. WARING WILLIS**  
Bronxville, New York and Madoc  
Mrs. Waring Willis passed away at her home at 2 Wellington Circle, Bronxville, New York, on Wednesday, December 6th, after an extended illness. She was 65 years old.

Gertrude Palmer Willis was born July 7th, 1907, at Madoc. She was the youngest daughter of the late Mr. and Mrs. Herbert Palmer.

She graduated from Queens University School of Nursing in Kingston. In 1931 she married the late Dr. Waring Willis and moved with him to Bronxville, where they resided for forty years. She was predeceased by her husband in April, 1971 and by her son, the late Dr. Waring Willis Jr. in February, 1970.

Prior to her illness Mrs.

**MRS. ALICE MAY (CHAMBERS) HANSEN**  
Mrs. Alice May (Chambers) Hansen entered into rest Saturday afternoon, December 16th, 1972, in Sunnybrook Hospital, Toronto. While in poor health of later years, she took a brain hemorrhage. In her 65th year she was a daughter of the late Mr. and Mrs. John Chambers.

Mrs. Hansen was born at Ivanhoe and then moved to Madoc Township along with her parents and family.

She attended Union United Church and Sunday School and was educated in English School near Eldorado.

She is survived by her husband Jack of Lindsay (a native of Denmark), one son, Keith of Oshawa, one daughter (Caroline) and two grandchildren, Karen and Steven, of Lindsay, as well as three sisters (Laura), Mrs. Everard Carman near Eldorado, (Eva) Mrs. Kenneth Holmes now in Kingston (Evelyn) Mrs. Cecil Robinson of Madoc; two brothers, Clifford of Toronto and Keith of Madoc.

A sister, Mrs. Algar Post of Ivanhoe predeceased her over 30 years ago. One brother died at infancy. Her father and mother entered into rest some years ago.

After being married, she lived in Madoc Township, later moving to Stirling and from there to Lindsay.

She was active in the horticulture society, Women's Institute and at times worked in the gift shop in Lindsay hospital.

The funeral service was conducted at 2:00 p.m. December 19th, in the Mackey Funeral Chapel by Rev. Carbert of Queen Street United Church, Lindsay. The beautiful flower tributes and donations to the Ontario Heart Fund showed the love of her many friends and relatives.

Interment in Rosemount Memorial Gardens, Peterborough.

The Honorary bearers were four men of the railroad, friends of her husband. Burial will take place at a later date.

**MADOC BAPTIST CHURCH MISSION CIRCLE**

The December meeting of the Women's Mission Circle was held at the home of Mrs. Ed. Gates on Monday, December 18th, at 2:00 p.m., with Mrs. Warbrick presiding.

The hymn, "Away in a Manger", was sung and a poem read, "The Miracles of Christmas — (1) The Mystery (2) The Meaning (3) The Message", followed by prayer.

Roll call was answered by repeating a verse of Scripture pertaining to the birth of Christ.

The minutes of the last meeting were read. The next meeting is to be at the home of Mrs. Forbes on January 30th, 1973 at 2:00 p.m. Mrs. Rauwa, program convener, conducted the meeting. "Angels from the Realms of Glory", was sung. Scripture was read from Luke 2, 1-13. The story was told of the angels from Heaven coming down to earth to sing praises at Jesus' birth.

Mrs. Moorcroft read a poem on holiness. It is the symbol of immortality, green, suggesting everlasting.

Mrs. Beaudrow read an article on the Heart of Mary, depicting the great part Mary played in God's plan and how she accepted it willingly. She went to visit her cousin Elizabeth whose husband served in the temple and studied the prophecies concerning the coming of Christ. Mary knew that, with God, nothing is impossible. When Jesus was born, the coming and adoration of the shepherds gave strength to Mary and courage to Joseph.

"It Came Upon the Midnight Clear," was sung. Mrs. Forbes read, "Your Gift to Him". Christ gave himself for us and we should give ourselves to Him — first our heart and then service.

The cross is God's Christmas tree. Underneath God's Christmas tree are gifts out of the Heavens purchased with the precious blood of Jesus. Salvation is for Him to receive. In Romans 5-7 we read that gifts come by faith. God's justification is perfect. (1) Gift. Peace with God through our Lord Jesus Christ. Colossians 1 tells of the gift of Eternal life. (II) Gift. Access to God. (III) Gift. Rejoice in hope of the Glory of God. (IV) Gift. Glory in tribulation. (V) Gift. Love of God shed abroad in our hearts. (VI) Holy spirit. (VII) Saved from wrath. Romans 5-9. (VIII) Joy in God by reconciliation. Gift of God is eternal life through Jesus Christ our Lord.

Mrs. Rauwa led in prayer for the missionaries and gave thanks for the refreshments.

**VENNACHAR**  
Mr. and Mrs. Com Doherty and Christine of Smith Falls called on Mrs. Doherty's parents and sisters. Mr. and Mrs. Harry Cumming and Carole and also Mrs. Bill Snider Jr. Mr. Snider and family.

Vennachar Free Methodist Church held their annual Christmas Concert on December 17th. A good crowd turned out.

Mrs. Cora Rose and Nelson Rose and also Mr. and Mrs. Herbert Rose attended the funeral of Mrs. Herbert Rose's nephew, Ralph Hawley who passed away Friday, December 15th. Deepest sympathy is extended to the remaining family.

Miss Cheryl Gregg and friend, Mr. Mike Cregan of Tweed called on Cheryl's parents, Mr. and Mrs. Earl Gregg and girls.

## MADOC MIXED BOWLING

The Kingpins, who had a tough time early in the schedule picked on the Lucky Sevens for their first 7-pointer. Betty Stevens 638 (303), Mel Caverly 636 (301), and Leon Bernier 607 (268), plus singles by Ron Reid (208) and Vern Lowry (202) led the way for the winners. Ruth Holmes 660 (274) and singles by Gord Holmes 239 and Stan Asselstine 212 were best for the losers. Joe Bossio 678 (279) and Betty Woodcock 647 (245) led the Volunteers to a 4-3 win over the Misfits who had good scores from Don Forestell 606 (241), Shirley Stevens 597 (246), and singles by Jean Rogers (203, 217). The final match of the evening showed the Happy Gang topping the Twisters in another 4-3 split. Jack Booth was high for the winners with 636 (232) supported by good singles by Don Parks 227, Lorraine Booth 212 and Clarence Farrow 206. For the Twisters, Leo Coveney 636

## O.P.P. REPORT

During the week of December 15th to 22nd, there have been seven accidents resulting in one pedestrian being sent to the hospital and \$2,775.00 worth of property damaged.

One "Having Liquor in a Public Place" charge was laid along with one "Impaired Driving" charge.

Two thefts resulted in an estimated \$403.25 worth of property being stolen.

On Sunday at 11:00 a.m. a man reported to this detachment that his son had found a cash register in a ditch along highway 62. One half hour later another call was received from a store keeper advising that his store had been entered the night before and his cash register was taken along with \$59.97. Upon investigation it was found that the found cash register was the same one stolen the night before.

There were two reports of Christmas trees being stolen off private property.

Three compassionate messages were delivered by the officers of Madoc O.P.P.

One elopée from Kingston Psychiatric Hospital was found in Marmora and attendants from the hospital escorted him back to Kingston via ambulance.

One family dispute was recorded and one theft of telecommunications is under investigation.

Just before the accident happened . . .

"It's not really dark enough yet to turn on my lights."

"I feel a little bushed, but there's no point in taking a break now. I've only got about an hour's more driving."

"If I don't bluff my way through I'm going to be hung up here forever."

Avoid dangerous skid situations . . .

Always adjust your speed to road, weather and traffic conditions. Remember . . . the best way to slow or stop on a slippery surface is to pump the brakes.

C. I. Widdows, Cpl. During the Christmas Holiday week of December 22nd to 29th there were nine accidents reported resulting in eleven injuries, \$9,110.00 in damages and thirteen traffic charges being laid.

Due to the Christmas Spirit there was one impaired driver charged, two persons charged with having liquor in a public place, two minors charged with having liquor and one elderly man charged with being intoxicated in a public place.

One snowmobile complaint and two reports of persons losing their 1973 snowmobile markers were received.

On Wednesday there was a complaint that some children were using the public roads to sleigh ride on. Since this was creating a hazard to the children's safety the occurrence was promptly looked after by one of the Madoc Detachment officers.

Three family disputes were reported along with two reports of assault. One person was charged in regards to the assault but the other assault occurrence was unfounded. During this holiday season, don't be so pre-occupied that you will forget care and attention to traffic. It requires your full attention at all times . . . especially during the dangerous holiday season.

R. N. Dowse, Sergeant

## CONSERVATION AUTHORITY MEETING

A meeting of the Moira River Conservation Authority was held at Cannifton on Thursday, December 14th, 1972.

Those present were: J. Spry, Chairman; G. Hughes, Vice-Chairman; Mrs. R. Jeffrey; C. R. Brown; H. Varty; H. Thompson; C. Woods; W. G. Bell; C. Richmond; P. Garrett; G. Wilman; B. Forsythe; L. McLaren; K. Smith and D. Harvey, along with the following Advisory Board Members: K. Yorke, D. H. Bateman, B. Thompson, H. R. Frink, R. Peacock and H. Walter. Also present were J. Anderson, Liaison Officer, Ministry of Natural Resources; K. Latham and S. McClellan, Engineering Consultants on the Lower Moira Ice Control Dam; W. Lawson, Secretary-Treasurer Lower Trent region conservation Authority; G. O. Irvine; C. B. Ketcheson; Authority Staff - Mrs. S. Logue, M. Scales, F. Preston, J. Schwager, N. Coulter and M. Gray; The Resources Manager and the Secretary-Treasurer.

The Chairman welcomed the members and guests and com-

mented briefly on the authority activities in 1972.

G. Wilman - H. Varty - that the minutes of a meeting held on February 16th, 1972 be adopted as read.

Mrs. R. Jeffrey, Mayor elect of Belleville reported that Belleville city council would be initiating an investigation early in 1973 to consider the advisability of enlarging the Conservation Authority to include frontage on the Bay of Quinte that is not at present in any Conservation Authority.

The Chairman introduced Joel Enlay, the Authority's new Resources Manager and Jim Anderson Liaison Officer. Mr. Anderson discussed the proposed regional organization of Conservation Authorities in Ontario with particular reference to the region, Central or Eastern, to which the Moira Authority will be assigned. The census of the Members was in favour of transfer to the eastern region.

The Chairmen of the six Advisory Boards reported on the years activities.

D. Harvey, Conservation Areas; G. Wilman, Fish and Wildlife; C. Richmond, Forest; W. G. Bell, Pollution Control; H. Thompson, Water Control; R. Jeffrey, Information and Education.

Keith Latham representing the firm of Cryder & Latham gave a progress report on preliminary engineering for the Lower Moira Ice Control Dam. It is expected that the engineering will be completed in 1972 or early in 1973.

G. Hughes - K. Smith - that, a Winter Works incentive program be undertaken in the estimated amount of \$30,000, and that, rates of pay in 1973 will be as set out in the 1973 budget and for hourly rate employees as follows: Superintendent - \$3.00 per hour, Custodians and Supervisors - \$2.75 per hour, labour - \$2.25 per hour.

**Remember the old way of borrowing,  
when you had to have it to get it?**

At Toronto Dominion, that kind of thinking has gone by the boards. TD's Cash-flow way to borrow puts the emphasis where it belongs. On the money you earn. Here's how it works:

You figure out the money you'll have coming in over the period of a year. And how much you plan to spend during this period. The difference between your income and your outgo is a guide to the amount you can comfortably repay when you borrow. And that's really about all we need to know for a Cash-flow Loan. So if

there's something you've been thinking about that requires more money than you have at the moment, talk to your TD Manager. He'll help you work out a Cash-flow Loan. That's Toronto Dominion's new way to borrow. If it helps you live the way you want to live, we think it makes good sense.

**TORONTO DOMINION BANK**

**Cash-flow. The modern way to borrow.**

R. S. CLARKE, MANAGER Madoc, Ontario

## MOSTLY ABOUT SOMETHING (but not necessarily)

(By BEV. BROWNING)

Down in the Los Angeles region a radio station has come up with a novel if not a good idea. In between records they play recorded messages that are supposed to make you feel better. For example:

"There is no Santa Claus!" says the Mother.  
"Yes there is," replies the little boy.  
"No, there is no Santa Claus!" emphatically exclaims the Mother.  
"Yes there is," reaffirms the little boy.  
"No there isn't," again exclaims the Mother. There is a pause.  
"Does that make you feel sad?" asks the Mother.

"Why should it make me feel sad?" questions the little boy.  
"It's you that doesn't have any Santa Claus."

Another message was on pollution — "I shot an arrow into the air — and it stuck."

A third message read — I dreamt they made a movie on my sex life and it was rated "G". How does that make you feel men?

These little words of wisdom were on the Roger Miller show last Monday night and I thought they were worth repeating because most of you were probably watching Johnny Carson or long gone to bed. O.K. damage that radio station in our area couldn't use a little imagination.

I suppose since your relatives have left you have all those Christmas presents exchanged or hidden away. I was going to tell you about the gift I bought for my mother-in-law but for fear of again having my column banned in Huntington Township and seized by the O.P.E. I guess I won't be able to. (Nothing stopping you from asking her though — my father-in-law liked it.)

New Years is a time of resolutions and awards. In future columns this month I'll give written awards to the people who deserve it. Some will be serious but . . . (not necessarily).

Dum-Dum Award — For 1972 goes to the hockey enthusiasts who travelled northward on one of the snowiest, most treacherous nights of the season to see a hockey game only to find it cancelled. (This award was won last year by the hockey team that travelled to Brighton the night before the game was scheduled. Funny, this is the second year in a row that one of the recipients has won this award.)

Girls Who Look After Their Figures Award — For 1972 (they also won in 1971 - 70 - 69 . . .) this award goes to the girls who work in the "bank."

Shortest Column Award: This one this week. Until next week we will hopefully have more awards for 1972.

As it says, Mostly About Something, But Not Necessarily.

### ST. JOHN'S A.C.W.

St. John's A.C.W. met at the home of Mrs. Alma Cotton on Tuesday, December 5th with seven members present.

The meeting opened with prayers followed by a reading from the Canadian Bible Society titled "Love".

Minutes of November meeting were read and approved. Secretary read thank you card from the Brownson family and a bill from Mrs. Dorothy Empey. Also it is time to pay pledge to Diocesan Treasurer.

Treasurer, Mrs. Velma Carman presented her report on the turkey supper, bazaar etc.

Moved by Mrs. Margaret Reid seconded by Mrs. Joan Reynolds we pay off remaining mortgage on Rectory. Carried.

Gifts for the needy families parcel were discussed and these articles are to be brought to the

Rectory next week. Christmas party given this year by the Guild, will be in Parish Hall, Tuesday the 12th, at 6:30. It was decided that next year this dinner will be Pot Luck.

Mrs. Thompson reported need for new decorations for both Church and Parish Hall Christmas trees. She was asked to purchase the necessary trimmings and present bill.

With Rectory now paid for next year's projects will include painting church and replacing roof on Parish Hall.

Roll Call was taken with members responding with favorite Carol and reason.

Meeting closed with prayer. Collection taken and everyone enjoyed a Christmas party.

Next meeting on January 9th will be at the home of Mrs. Mary Barton.

## ELECTORAL BOUNDARIES

(Continued from Page 1)

Trenton, Hastings County's second-biggest urban centre. But, the town was "another question" upon which he would not comment until after talking with Mr. Hees.

Mr. Ellis said he also was "most unhappy" about proposed redistribution of Madoc, Marmora and Deloro outside the new riding.

The hard work involved before and since October's national election was reflected in initial reaction to the redistribution proposals.

Mr. Ellis said he's sorry to

lose the northern townships. "I've made many friends in the past few months in that area. I've travelled in it extensively and have become involved in their problems."

He was also disappointed at the disappearance of a "historic Hastings" riding.

It came at a time when the province had indicated recognition of the county's "excellent" local government system with a proposal to add five Northumberland townships to Hastings with regionalization of Oshawa-Cobourg municipalities.

## QUEENSBORO

Visitors at the home of Mr. and Mrs. Arthur Holmes, on Sunday, December 24th were Mr. and Mrs. Dalton Holmes and Dean, Trenton, and Mr. and Mrs. Robert Turner and family, Frankford, Captain and Mrs. Phillip Ash, Owen and Elaine, London, and Teddy Ash, Madoc.

## ST. ANDREW'S U.C.W., UNIT THREE

Mrs. F. Stein was hostess for the Christmas meeting of St. Andrew's U.C.W. Unit Three, on Wednesday afternoon, December 6th.

In the absence of the leader, Mrs. G. Holmes presided. She opened the meeting with a poem, 'They Have Seen A Great Light'.

The minutes of the last meeting were read and approved. The roll call showed an attendance of seven members.

The Community Friendship Roll Call showed that seven home, 18 funeral home, and three hospital calls had been made.

The offering was taken and dedicated.

The treasurer's report was

given by Mrs. A. McCoy. The secretary's report was given by Mrs. L. Holmes and the Community Friendship report was given by Mrs. L. Holmes in the absence of Mrs. G. Graham. The Program report was given by Mrs. R. Rollins and the Supply and Welfare report was given by Mrs. H. Brady. Each lady moved the adoption of this report. Miss M. Taylor seconded these.

It was moved by Mrs. R. Rollins and seconded by Mrs. H. Brady that this unit give the General twenty-five dollars.

The nominating committee report was given by Mrs. A. McCoy and seconded by Mrs. F. Stein, as follows: Leader, Mrs. A. Clarke; Assistant Leader,

Mrs. R. Rollins; Secretary, Mrs. G. Holmes; Treasurer, Mrs. A. McCoy; Program Convener, Mrs. R. Rollins; Corresponding Secretary, Mrs. T. Sloan; Social Functions, Miss M. Taylor; Friendship and Visiting, Mrs. G. Graham; Finance, Mrs. C. Keene, Mrs. F. Stein; Cards, Mrs. C. in't Veld; Supply and Welfare, Mrs. H. Brady, Mrs. T. Sloan; Citizenship and Social Actions, Mrs. L. Holmes; Missionary Education, Mrs. L. Graham; Pianist, Mrs. C. Keene; Auditors, Mrs. T. Sloan, Mrs. H. Brady.

Miss M. Taylor and Mrs. L. Holmes were in charge of the Worship Service. Mrs. L. Holmes led in the call to worship followed by prayer. Hymn 53,

'Silent Night' was sung. The scripture, St. Luke 2:1-20 and St. John 1:1-14 was read by Miss M. Taylor followed by the meditation by Mrs. L. Holmes. Miss M. Taylor led in prayer.

Mrs. G. Holmes and Mrs. R. Rollins were in charge of the program. The Stein children sang 'Drummer Boy'.

Mrs. G. Holmes gave a reading, 'Priceless Gift of Christmas'. A reading, 'Snow at Christmas' was given by Mrs. H. Brady followed by a reading 'Christmas Seasons' by Mrs. A. McCoy. Mrs. R. Rollins had a Bible Quiz 'Relatives'.

The meeting closed with the Mizpah Benediction. There was a Christmas exchange followed by lunch. A social half-hour was spent.

## KALADAR

Russell Vanness, Doug Scott and Durland Scott of Kaladar broke a snowmobile trail as far as Brushy's marsh Saturday forenoon. This is about half way to Flint across country. A lot of people were anxious to get going. There were a group of snowmobilers came from Belleville to Kaladar on their snowmobiles on Sunday. There were also a few from Tweed to Kaladar Saturday night.

There was a Santa Claus Parade held in Kaladar December 9th, with quite a big crowd. There were about ten floats from Kaladar and surrounding districts. Prizes were given to the best floats. The children were ready to meet Santa Claus who gave out 400

bags of candy and chips. First prize went to Larry Depietro and Glen Matson; 2nd prize went to St. John's Evangelist Church of Flint; and 3rd prize went to Northbrook Community Centre. The judges were Reeve Egerton Newton, Township of Kennebec, Tom Neale, Township of Barrie and John Henry took the place of Reeve Clare Benn of Townships of Kaladar, Angliss and Effingham.

Young Mrs. Jenny Oliver, 88 yrs. young, went for a ride on her grandson's snowmobile this year. Her first ride. Come on all you people who think you are too old. Get out and have a ride. Glory in your spunk Mrs. Oliver.

Puzzled About Freezer Wrappings

Using moisture or vapor-proof containers or wrappings for your home freezer will pay off because food will keep better and longer.

Some of the packaging materials are satisfactory for only short periods. Example: Wax paper is fine for short-term preservation of foods, but not recommended for wrapping frozen foods. Aluminum foil, freezer film, wrap, polyethylene bags, plastic and metal containers (recyclers take note) are all considered satisfactory.

All containers or wrappings should be waterproof, easy to seal, durable to all temperatures so they do not leak, puncture or crack.

## SENIOR CITIZENS REPORT

by Mary Ann Holmes

The Madoc and District Senior Citizens Club No. 473 held the first meeting of the new year at the United Church basement on Wednesday, January 3rd.

President, Mrs. Broadworth, called the meeting to order. The Lord's Prayer was repeated in unison and Mrs. Broadworth read "A Prayer for the New Year". She then called on Mr. Kel Kincaid to introduce the guest speaker, Mr. William James, Housing Manager, of the Ontario Housing Corporation, who came here from Belleville. Mr. James fully explained the Senior Citizens Housing project and answered the many questions brought up by the Club members. He said there is a good possibility of the building construction in Madoc to begin in the spring of this year.

Mr. Kincaid briefly addressed the crowd and, with the aid of an illustration, pointed out the location of the proposed building and outlined the many advantages of the chosen site. He said there is a possibility of purchasing eight to ten acres of land at the site, which would allow plenty of room for expansion to the building without cutting short the garden space. He says that although there is presently only 15 units approved, he feels that this is a good start toward a beauty spot in this part of Hastings County. Council feels the site chosen is the best piece of property in

the Village. Mr. Kincaid said Council is most fortunate in having good people to deal with for the property. The Club was reminded that the geared-to-income rent includes heat, hydro, cable, water, sewer; in fact, everything except the telephone.

The Senior Citizens Club appreciates the work of the Village Council and particularly that of Mr. Kincaid on their behalf in seeing that this project be carried through.

Forty-seven members signed the attendance book. Mrs. Yearwood gave an excellent report on her years work as card secretary. Mr. Moorcroft also reported on sick calls he had made during the year. Each member was asked to write out suggestions for this year's program and a number of new suggestions were made.

"For they are Jolly Good Fellows" was sung for Mr. and Mrs. Broadworth, who are celebrating their 35th Wedding Anniversary on January 8th.

The remainder of the afternoon was spent in playing various games.

A dainty lunch of Christmas cake and cheese was served and a social half hour brought the meeting to a close.

The next regular meeting will be held on January 17th at the usual time and place. The lunch committee for this is to be Mr. Roland Williams, Mrs. Roland Williams, Mrs. Dorothy Akay, Mrs. Mary Thompson, Mrs. Catherine Mahoney and Mrs. Frankie Cassidy.

## JACK ELLIS COMMENTS

(Comments from Jack Ellis, M.P., Hastings Riding, on the speech from the throne.) The speech from the throne is the shotgun approach to all of the problems created by the present government over the past four years, and yet it is only a rehash of the same programs. It is a very political document and one clearly aimed more at the next election than the immediate needs of Canadians. It would appear that the government, if it is allowed to, intends to re-do everything it has done in the past. The speech is filled with words such as "reduce", "re-organize", "expand", "increase", "extend", "improve", "review", "amend", "restructure", etc. It admits the fact of unemployment and inflation, gives them highest priority, but does nothing really to combat the problems except to increase funding of existing programmes and special funding of others; all of which have been tried before unsuccessfully.

The speech admits to economic disparities which the government has had four years to overcome but didn't. It suggests the measure to ensure further control by Canadians of Canadian industry, but did not pass its own legislation last year and certainly didn't pretend to be of any help to one of Belleville's leading industries. It admits to abuses of the unemployment insurance programme but even though these changes could have been in part, made without going before parliament, no attempt has been made to do so.

The speech outlines seven items supposedly to improve the field of housing, but no where deals with reduction of the sales tax on building materials which would make a home possible for

many millions of Canadians in the middle-income bracket.

The speech devotes a fair bit of time to locating western Canada with special measures. An obvious political ploy to attract votes in the next election.

The penal and reform programme of great worry to many of us, is given only a brief passage and another promise to improve. It has taken many suggestions from the Progressive Conservative election programme and some from the N.D.P. The government now says it will give aid to small business. Twice it mentions the old age security benefits, but no where is it specific.

In short, the speech tries to be all things to all people, and as is usual and this has tried, it has failed.

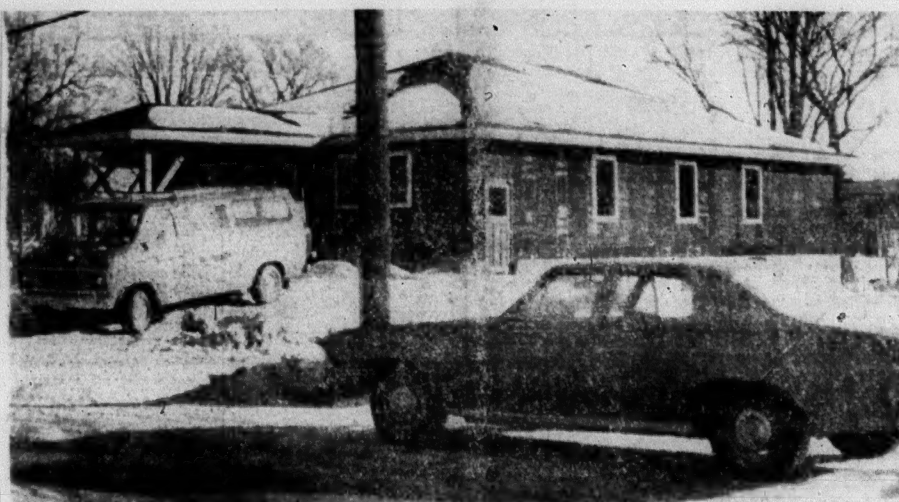

It has tried to put everything in order to attract the support of the N.D.P. Party. It will remain to be seen if this rehash of old legislation will keep them in power. For my part, I would have been happy to see, having admitted their mistakes, to see them make a fresh, new approach, which is what I and my colleagues are committed to do.

## Mike Stolen From Arena

A microphone valued at \$25.00 was stolen from the Madoc Arena last Wednesday, January 3rd.

Apparently, the building was open at the time and the ice was being used for skating by some students of C.H.S.S.

Madoc Detachment, O.P.P., report that two youths, one a juvenile and the other a 17-year-old, have been charged as a result of the theft. Constable D. Bush, who investigated the incident, reports that there was no actual damage to the arena. The microphone was not been recovered.

Construction of the Centre Hastings Medical Centre is nearing completion. Inside, the furnace is in operation, supplying heat for the electricians who are busy with the wiring, and the carpenters as they finish the walls and ceilings in attractive panelling and tile.

## MADOC TOWNSHIP COUNCIL MINUTES

The inaugural meeting for Madoc Twp. Council was held on Monday, January 8th, 1973 at 1:00 p.m. The Declaration of Office and Oath of Allegiance was signed by Cecil Woods, Reeve; John Irwin, Deputy Reeve; and Councillors Christie Bailey, Harold Harris and Don Wannamaker.

The minutes of the December 21st meeting were read and approved on motion of Bailey-Harris.

Mr. Frank Downey was present and made the necessary adjustments for Insurance for 1973.

Harris - Bailey - that the road account for \$10,083.44 for December be paid.

Bills and correspondence were dealt with. It was decided to join the Association of Municipalities of Ontario again this year, and also to subscribe to the Municipal World magazine.

Irwin - Wannamaker - that since the wolf is no longer considered a predator and the Ontario Government has discontinued the wolf bounty, Madoc Township will no longer pay a wolf bounty.

It was decided to ask the Ontario Government for an additional allocation for the Incentive Program.

## Queensboro Euchres

There were 4 1/2 tables played at the Euchre Party in the Queensboro W.I. Hall on Friday evening, December 22nd. Winners were: Both Ladies High and Lone Hands, Shelia Baumhour; Door Prize, Cheryl Baumhour; Men's High, George Griffin; Lows, Larry Parks and John Bristol.

There was a good crowd at the Euchre Party in the W.I. Hall in Queensboro on Friday evening, January 5th with nine tables being played. Both the Lone Hands and Door Prize were won by Mrs. Ken Cassidy. The Ladies High went to Mrs. Fred Bosley and the Men's High to Allan Thompson. Lows went to Mrs. William Cassidy and Dianne Baumhour. Lunch was served at both parties by the W.I. members.

## LOCAL & PERSONAL

Mrs. George Glover has returned home from Ottawa after spending two weeks with relatives and friends.

Mr. and Mrs. Bruce Andrews and family, Steventown, Newfoundland, who spent Christmas with the latter's parents, Mr. and Mrs. Ewart Lake, called on Mrs. Donly on Thursday evening.

Mr. Tom Greatrix, Toronto, spent Xmas and New Years with his mother Mary Greatrix. Mrs. Irene Moore and boys of Belleville spent Christmas with her mother Mary Greatrix.

Reeve Cecil Woods named the following committee for 1973: Roads - Councillor Christie Bailey, Deputy Reeve John Irwin; Fire - Councillors Harold Harris and Don Wannamaker; Property and Buildings - Deputy Reeve John Irwin and Councillor Don Wannamaker; Waste Disposal - Councillors Don Wannamaker and Christie Bailey; Spray - Deputy Reeve John Irwin and Councillor Harold Harris; Vault - Councillor Harold Harris.

Bailey - Wannamaker - that council adjourn until Monday, February 5th, at 1:00 p.m.

Eva L. Brownson, Clerk-Treasurer.

## MINOR HOCKEY NIGHT PLANNED

The week of January 20th through the 27th is Minor Hockey Week across Ontario. Madoc will have O.M.H.A. games scheduled for that week but Friday night, January 26th, will be set aside as Madoc Minor Hockey night.

On the 26th the following schedule will be followed: 6:00 - 6:45 - Pee-Wee-Novice House League game; 7:00 - 7:30 - Atom game; 7:30 - 8:15 - Belleville Mites vs. Madoc Mites; 8:15 - 9:00 - Pee-Wee-Novice House League game; 9:00 - 10:00 - Madoc Bantam House League team will host Stirling House League Bantam team.

Madoc hockey players who will be taking part will be selling tickets for this night. Please plan on attending, but if you can't and would like to support our Madoc Minor system you can buy a ticket from the players.

More on Minor Hockey Week will be published in January 17th and 24th editions of this newspaper.

## MADOC MIXED BOWLING

The Twisters, laboring to hold on to the top spot, came through with a big 7-0 win over the Volunteers last week. Joe Mallia 680 (234, 223) led the winners helped by singles from Joe Foley 231, Leo Covey 222, Hilda McGowan 209 and Pearl Foley 203. For the losers Joe Bossio 655 (247) was best, with singles by Betty Woodcock 225 and Donna Love 208 just not enough to win. The Lucky Sevens bounced back for a shut-out over the Misfits who bowled well below their potential. The Parauks led the way in this set-to with Carol 661 (226, 223) and Dave 605 (235, 229) with singles by Gord and Ruth Holmes of 247 and 205 helping the cause. In the final encounter the Happy Gang took a 5-2 split from the Kingpins who were one bowler short again. Jack Booth, after a slow start, warmed up to a 410 third-game single and a triple of 764 to lead the winners, helped by Jay Caverly's 199 that took the second game. For the Kingpins, Leon Bernier 642 (268) and Betty Stevens 556 (221) helped get the 2 points that took them out of the bottom spot in the standings. Twisters with 75 points moved

## Information Bus To be in Madoc Tuesday

An information bus from Sir Sanford Fleming Community College will be in Madoc next Tuesday, January 16th.

Personnel from the College will be in the bus to avail themselves, not only to the high school students, but also to the general public, to answer pertinent questions and give information on the various courses the school has to offer.

The bus will be parked in front of Centre Hastings Secondary School on Elgin Street from 9:30 a.m. to 3:30 p.m. Everyone is invited to pass through and chat with the people from Sir Sanford.

## T.V. Draw This Sunday

A reminder to everyone in the Hastings Cleveland area to be watching this Sunday evening, January 14th, for the Review's second draw on the television.

As we mentioned in last week's issue, the original winner declined to accept the win so a second draw will be held.

## Memorial To Mr. Pearson

A memorial to Mr. Pearson, Canada's only Nobel Peace Prize winner and in whose honour the Lester B. Pearson Peace Park was named, will be erected in the park, according to Roy Cadwell, Chairman.

The type of memorial has not yet been decided, but may be in the form of a Children's Peace Park north of the Mother's Shrine site which was dedicated in 1970. The type of memorial will be determined after consultation with Mrs. Pearson and the members of the Committee administering the park.

Persons wishing to make a contribution to this memorial may do so by writing the Lester B. Pearson Peace Park, Tweed, Ontario. The park was established on July 1, 1967 as part of Canada's Centennial. All contributions are income tax deductible.

## Hastings County Black Chapter Elects Officers For 1973

Hastings County Black Chapter elected officers for 1973 on January 2nd at the Annual meeting held in Madoc.

Sir Kt. Melvin Frost, Grand Prec. Eastern Ontario, took the chair for the election and installation of officers: W. C. P., Sir Kt. Allan Thompson; D. C. P., Sir Kt. Chas. Good; C. Chap., Sir Kt. Stan Moorcroft; C. Reg., Sir Kt. Wm. Glover; C. Treas., Sir Kt. Durland Adams; C. Lect., 1. Sir Kt. Don Miller, 2. Sir Kt. Geo. Gordon; C. Cens., 1. Sir Kt. Chas. Wood, 2. Sir Kt. Earl Wallace; C. St., B. 1. Sir Kt. Keith Clancy, 2. Sir Kt. Dalton Vileff; C. Marshal, Sir Kt. Gordon Jones; C. Purs., Sir Kt. Harry McAdam; Committee, 1. Sir Kt. Russell Sills; 2. Sir Kt. Fred Fleming; 3. Sir Kt. Douglas Pack; 4. Sir Kt. Lynn Jones; 5. Sir Kt. Lorne Hagerman; 6. Sir Kt. Allan McCoy; 7. Sir Kt. Joe Ash.

Lunch was served at the conclusion of the meeting and a social hour was spent.

## Napanee Possible Riding Centre

A proposed federal redistribution blueprint for Frontenac, Lennox and Addington riding would include 15 new Hastings County townships while eliminating five Lanark Townships.

The five western Lanark municipalities to be eliminated are Bathurst, North and South Sherbrooke, Dalhousie and L'Ange.

In this widespread new riding, Napanee, Marmora, Deloro, Madoc and Bancroft will be included but Eganville which was the riding centre in the last federal election, is excluded. This could make way for Napanee to become the riding centre for another federal election.

The riding, represented by Conservative A. Douglas Alkenbrack, will take in townships of Bangor, Carleton Place, Grimsby, Horsham, Marmora and Lake, Limerick, Mayo, McClellan, Montclair, Tudor, Wicklow and Wollaston in Hastings County.

As well, it will include the villages of Deloro, Madoc, Bancroft, and Marmora in the county neighbouring to the west.

The new plan for Ontario constituencies will be submitted to the Commons after hearings throughout the province by the boundary commission responsible for the new proposals.

## Madoc Village Council Minutes

The Inaugural Meeting of the Madoc Village Council was held in the Council Chambers on Monday, January 8th, at 7:00 p.m. with Reeve T. C. Barton, Deputy Reeve Kel Kincaid and Councillors Robert Kirkwood, and Robert Graham present.

The Declaration of Office was administered by the Clerk, and council proceeded with the business at hand.

Kincaid - Kirkwood - resolved that the Madoc Village Council request the Ontario Housing Corporation to provide rental housing accommodation on a geared-to-income basis for senior citizens in the Village of Madoc. Such rental housing accommodation to comprise 20 one-bedroom units, rather than 15 as formerly requested, as indicated in the survey of need and effective demand dated August 1972.

The Corporation of the Municipality of the Village of Madoc hereby undertakes and agrees to contribute 7 1/2% of any annual loss arising out of the operation of the said senior citizen housing.

Kirkwood - Kincaid - resolved that the Council of the Village of Madoc request permission from the Ministry of Transportation and Communications, for a temporary closing of Hwy. 62 from Seymour St. to St. Lawrence, and other streets as shown on the attached sketch, between the hours of 8:00 p.m. and 9:00 p.m. on Friday, February 16th, 1973, for the annual Winter Carnival parade: Hwy. No. 62 (Durham) from Seymour to St. Lawrence; St. Lawrence from Hwy. No. 62 (Durham) to Wellington; Wellington from St. Lawrence to Elgin; Elgin from Wellington to Hwy. No. 62 (Durham).

Graham - Kincaid - resolved that the Madoc Village Council petition the Ministry of Transportation and Communications for final payment of Sub-

sidy, for the year 1972.

The Clerk was instructed to write I.B.M. for more information regarding tax bills.

Robert Kirkwood will study the proposed By-Law for the Fire Department and bring in recommendations at the next regular meeting.

Robt. Graham will study the proposed County building by-law and it will be decided at the February meeting whether or not we will participate in the County Building Inspection program.

Graham - Kirkwood - that membership fees be paid to the following Associations: Rural Municipalities, Good Roads, and (Continued on Page 5)

## C.H.S.S. FILM SOCIETY REPORT

The circumstance that there is no movie theatre in Madoc has led us to the decision of founding a film society at C.H.S.S.

The plan of the society for the immediate future is to present a number of classic films.

Whereas only one short meeting is necessary to form a society, it is people, their support, and enthusiasm that makes a society flourish. The newly established Film Society at C.H.S.S. extends an invitation to you all to come and view the first motion picture on its program. More details appear inside this issue.

## Computer Terminal In Use At C.H.S.S.

Computer-assisted instruction came to Hastings county for the first time last Friday, with the installation of a computer terminal in Centre Hastings Secondary School in Madoc. The terminal will be hooked up to a computer in Toronto and will be programmed for assistance in regular school courses, concentrated on maths and science at the beginning.

The cost is being borne by a research grant from the provincial government, which will be studying its use in the school.

Moira Secondary in Belleville is expected to be the next school to get a computer. It will be a stand-alone operation, designed to allow students to program the computer themselves and gain "hands on" experience.

Loyalist College is already using a computer terminal for student instruction in the math department, but Centre Hastings' installation will be the first in a county secondary school.

## BIRTH

LAKE - Doug and Joanne are happy to announce the birth of a son, Robert Douglas, weight 8 lbs 2 oz., on Thursday, December 28th, 1972, at Victorian Hospital, Barrie.

**MAURICE GOULAH, Publisher**  
**MRS. CAROL PARANUIK, Editor****NOW IT'S FOUR TIMES  
THANKS TO THE CAT**

By BILL SMILEY

As I recall, my last column was a tale of woe, relating the dreadful things the gods had done to me in 1972.

I should have kept my mouth shut. The same gods, annoyed at my tiny protest, decided to show me what they could really do.

Take a cat. Go on. Any old cat. Take a freshly-waxed floor. Take a guy with an armful of milk and eggs. Take a wife who is upstairs watching TV when she should be helping that guy with the groceries.

O.K. The guy comes in. He takes off his boots so he won't make a mess on the newly-washed-and-waxed kitchen floor. He is in his sock feet. Right?

Out of the grocery bags he takes two quarts of milk, a dozen eggs and a case of pop. He heads for the kitchen counter.

At that very moment the cat, unfed, hurts herself at his legs, meowing and rubbing. He lifts his right foot, gently, to turf her out of the way, spins smartly on his left metatarsal, and goes down like Niagara Falls.

He fails to eject the grub, out of some dim, primitive idea that you hang onto the grub at any cost. The first thing that hits anything is his noggin, which tries to tear the copper off the cupboard door handles.

The next thing that strikes hard-pan is his nose, which bounces off the floor in a spray of blood and milk.

Yes, he's still holding onto the milk. He loses only one quart of blood, two of milk.

His erstwhile wife and protector comes down and finds him sitting in something like a Maasai wedding, two parts milk to one part blood, a cold cloth on his torn scalp, eggs all over the place and his nose going up like a balloon being filled with hydrogen.

But there's no fret, no sweat. He's had his nose broken three times before, and by far better people than a cat, or his wife's waxing.

Sitting there among the eggshells and milk and blood, he remembers fondly the time his future brother-in-law gave him an elbow and cracked the old beeper during football practice.

And then he thinks of that beautiful free-for-all with the Royal Marines, outside that pub in Wrexham, North Wales, when the fighter pilots proved only that they could not fight.

And he remembers, almost with pleasure, the day he was being beaten up by the German guards, and nobody had even broken his nose yet, and then the little guy who was engineer of the locomotive came rushing into the circle and kicked him right in the snoot.

And I'd like to say this mutt sat there happily for ever after, thinking about the other times his nose had been broken. But she wouldn't let him.

Her first thought was pure Florence Nightingale. "Everybody will think I did it," she wailed. "Yes, I would think they would," I countered. "Knowing you."

"They'll think you were drunk," was her next contribution. "Well, that's what I'd think, if someone told me he'd lost a one-round bout with a cat," I suggested.

"How am I going to get the blood out of that towel?" she queried. "Well, you might pretend you were a vampire, and suck it out."

"People will think you've been beaten up," she worried. "Yes," I rejoined. Smugly. No answer.

"I'm going to lock the door, so nobody can see you." And I replied, "I'm going to call a press conference, and admit it was all your fault, because you'd waxed the floor, and you cynical, almost vicious hadn't put the cat out, and you weren't down to help me with the groceries."

Ah heck! I shouldn't put her through all that. It was not her fault, except that she'd waxed the floor and hadn't put the cat out and didn't come down to help with the groceries and insists I take my boots off when I come in onto her rotten polished floors.

It's not so bad, really. Apart from the cuts on my nose, which look as though a gang of Glaswegians had worked me over, there are only the eyes.

For some reason, when you break your nose, there's a great sympathy from your eyes.

They don't weep, except for the first six hours. They swell up and up and up. At first they are red. Then they begin to look like a couple of tea-bags that have been on the booze. And when the worst is over they turn a sort of bilious yellow.

When that happens, you know you are home free, and that all you have to do is think up witty answers for the query: "Wife beat you up again?"

**OBITUARIES****MISS LAURA MAY****SEXSMITH**

Belleville - Madoc

Native of the Madoc area, but a resident of Belleville for the past 17 years, Miss Laura May Sexsmith passed away at the Belleville General Hospital on Friday, January 5th, 1973 after a brief illness. She was in her 60th year.

Born in Elzevir Township, daughter of the Late Mr. and Mrs. Harlan Sexsmith, she had spent most of her life in the Madoc area. She was a member of the United Church and a former member and Past Mistress of Queensboro L.O.B.A. No. 465. Miss Sexsmith had been an employee of the Ontario School for the Deaf for the past 17 years.

Surviving are four sisters, Mrs. P. (Hilda) Slaunwhyte of Trenton, Mrs. L. (Norma) Jodoin of Ottawa, Mrs. T. (Margaret) Knighton of Toronto, Mrs. V. (Annie) Slaunwhyte of Hampton and five brothers, Ed of R.R. 1, Madoc; Fred, Madoc Township; Harold, Trenton; Earl and Ken - both of R.R. 2, Madoc. She was predeceased by one sister, Miss Mary Sexsmith of Tweed.

The funeral was held on Monday afternoon, January 8th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. W. M. Sedgwick.

Interment took place in Greenwood Cemetery, Queensboro.

Bearers were: Allan and John Thompson, Earl and Gordon Sager, Alex Johnston and Nelson Welch.

**MRS. WILLIAM MCKAY**

Mrs. Myrtle Bernice McKay of 87 West Street, Belleville, formerly of Madoc, died Friday evening at Belleville General Hospital in her 81st year.

Born in Huntingdon Township she was the daughter of the late Mr. and Mrs. Alec Love. She was a member St. Peter's Presbyterian Church, Madoc.

## LOOKING BACK ...

50 YEARS AGO  
January 10, 1923

The citizens of Madoc were aroused from their beds by the ringing of the fire bell Sunday morning last. It was discovered the roof of Colin Ross' house was on fire but it was soon put out by the aid of an extinguisher. On Monday afternoon the citizens were again called out by the ringing of the fire bell in order to test the efficiency of our fire fighting force. It wasn't efficient.

Saturday night and Sunday Madoc was visited by the severest cold of the season. Various reports as to the cold have reached the Review, ranging from 10 to 15 degrees below zero. The temperature did not rise above 4 degrees all day Sunday. There was a strong wind which was extremely piercing. The temperature however, rose during Sunday night and some snow fell, making good sleighing. As a result of the sleighing considerable first class wood was brought into Madoc on Monday. Dry maple block wood is \$10.00 per cord, green hardwood \$9.00, and softwood about \$6.00 per cord.

Madoc High School team journeyed to Stirling on Monday, January 8th, to win a hard fought game of hockey by the score of 7-5. The game was productive of some fast and brilliant hockey, especially in the first period, when Watson tallied four goals for Madoc. After that Stirling never assumed the lead but resorted to considerable tripping to stop the M.H.S. boys who, by their combination plays held their rivals in submission. Many penalties were handed out, although most of them were due to the local team not knowing the latest rulings. McGehee for Stirling and Watson for Madoc were the outstanding players, each scoring four goals, but after the first period Watson was too closely checked to work his most effective shot. Madoc line up was as follows: Henderson, goal; Burnside and Rupert, Defence; Watson and Blue, wings; Jackson, centre; Johnson, sub.

The annual election of officers of the Alert Fire Company of Madoc was held in the fire hall on Thursday evening, January 4th, when the following officers were elected for the year 1923: Chief, Arthur Reid; Asst. Chief, Kelly Mulrooney; Captain, John Devolin; Lieutenant, George Gordon; Secretary, Wm. R. Gray; Treasurer, B. Richmond; Foreman of Hose, John Hailstone; Branchmen, The Whole Company; Foreman of Hook and Ladder Wagon, J. W. Stewart; Asst. Stoker, Robt. O'Riordan Sr.; Fire Police, C. M. Wallbridge, E. C. Tufts, Thos. Caverly, Charles G. Reid and George Wright.

Married — At Madoc, on Wednesday evening, January 10th, Clayton Rook to Myrtle, daughter of Mr. and Mrs. D. A. Moorcroft.

24 YEARS AGO  
January 13, 1949

The frame work of the new Hastings County barn under construction immediately west of Belleville on the Belleville-Trenton highway was razed early Thursday morning of last week when a heavy gale flattened the structure to the ground.

The organization meeting of the newly formed Central Hastings High School Area Board was held in Tweed on Wednesday, January 12th. Dr. S. Eagleson, Madoc, was elected Chairman, and Mr. G. C. Moon, Madoc, Secretary.

Highway Minister George H. Donnet gave a very favorable hearing to the four-lane highway committee composed of the

City of Belleville and Hastings County Representatives which waited on him Friday afternoon. The committee, headed by Jack Allin as chairman, asked the highways minister for early completion of the proposed four-lane highway north of the city as a measure to alleviate present traffic conditions. In the brief presented was a traffic count which also noted the steady increase of accidents on No. 2 Highway between Trenton and Belleville and in the city as a result of traffic congestion. The committee explained the bottleneck which highway traffic caused in the city, this converging in one area in the downtown section. The committee also noted that with the improvement of No. 7 Highway, the city has lost considerable trade to other centres as motorists preferred shopping in outside centres in order to avoid traffic in the city. Mayor D. L. Storey, who appeared with the committee, reported a good reception from the highways minister. However, the minister pointed out that due to the heavy program of highway construction and repairs, the matter of finance would prevent completion of the proposed highway north of the city in the near future. He promised that as soon as the money was available there would be action in this district. Committee members waiting on the highways minister included Chairman Jack Allin, Mayor D. L. Storey, representing Belleville; Harry Coulter and Elmer Sandercock, M.P.P., for Hastings West, and Roscoe Robson, for Hastings East, representing the County with Reeve Ben Blecker and Deputy Reeve Lee Grills from Sidney Township, and Reeve Harry Harrison and Deputy Reeve Seldon Homan, of Thurlow Township.

Ten Ways To Kill An Association — 1. Don't come to the meetings. 2. If you do, come late. 3. If weather doesn't suit you, don't think of coming. 4. If you do not attend a meeting, find fault with the officers and members. 5. Never accept an office, as it is easier to criticize than to do things. 6. Nevertheless, get annoyed if you are not appointed to a committee. If you are appointed, don't attend the committee meetings. 7. If asked by the Chairman to give your opinion regarding some important matter tell him you have nothing to say. After the meeting, tell everyone how things should have been done. 8. Do nothing more than is absolutely necessary. When other members roll up their sleeves and unselfishly use their ability to help things along, howl that the Association is run by a "Clique". 9. Hold back your dues as long as possible — better still, don't pay at all. 10. Don't bother about getting new members, but if you do, be sure they are grouches like yourself.

15 YEARS AGO  
January 16, 1958

Fire, of unknown origin, broke out in Hazzard's United Church, on Sunday, December 28th. It was discovered by Mr. Lewis, Minister of Queensboro Charge, when he arrived for the evening service. Prompt work on his part and on the part of members of the congregation as they arrived, soon had it under control, but not until considerable damage had been done to the Sunday School rooms. The Fire Dept. from Madoc and from Eldorado responded to call for help, as did many who were not members at Hazzard's and as a result the Church was saved. Hazzard's Church celebrated its 100th Anniversary in September, 1957, and its loss by fire would have been a grief to many who look upon it as a revered landmark. The damage was covered by insurance and repairs will begin at once.

Madoc is to hold an Old Boys' Reunion this year. The time is June 29, 30, July 1st and 2nd. Two meetings, attended by citizens representing various groups in the village, have been held. At the first meeting it was decided to hold the Reunion on the above date and at the second an Association was formed to be known as the Madoc Old Boys' Reunion Organization. Officers of this organization are: General Chairman, C. I. Ross; Associate Chairmen, George Devolin, Ken Holmes, and Percy Gunn; Secretary, Mac Wood; Treasurer, Gregor Murray; Invitation Chairman, George West; Publicity Chairman, Kel Kincaid. This committee will appoint other committee chairmen as it sees fit. It was the feeling of the meetings, that in order that the event be a successful one, the co-operation and assistance of all residents in the village and surrounding districts, will be required. The first step is to secure a list of names and addresses of all former residents of this area. As soon as these names are received, invitations announcing the date of the reunion, will be mailed to them. You are now asked to make out a list of relatives and friends with their addresses, who were former residents here and give it, or mail it to George West. Later in the year, a complete program of the Reunion will also be mailed to each. Remember — that the responsibility is yours, that every former Madocer receives an invitation.

Friends and neighbours gathered in Ivanhoe Township Hall, on a Friday evening recently to honour Mr. and Mrs. Bernard MacMillan, nee Agnes Frances Healey. Mr. Reg. Haggerty spoke briefly and made the presentation of a purse of money. The remainder of the evening was spent in dancing with music furnished by Ralph Taylor and Phil Beaudrie. Mr.

and Mrs. MacMillan are now residing in Toronto. The best wishes of the community are extended for a long life of health and happiness.

Birth — In Trenton, on Saturday, December 28th, 1957, to Mr. and Mrs. Ted Parker (nee Jane Symon), a son, John MacDonald.

## BANNOCKBURN

Our best wishes to the staff of Madoc Review for health and happiness in 1973.

Among the Christmas festivities was a Sunday School program and Candlelight Service at the Pentecostal Tabernacle, and a Candlelight Service at St. Bartholomew's on Christmas Eve.

Mr. Bill Harris, London, spent the week with Mrs. Donly, his grandparents Mr. and Mrs. Findlay Harris.

Miss Susan Donly, Stirling, spent the week with Mrs. Donly. A number from the Pentecostal Church were guests at the home of Rev. and Mrs. McEwen for dinner and service on New Year's Eve, where a time of rich fellowship was enjoyed by all.

Miss Mary Ann Hagama, Concession, spent the week with her grandmother Mrs. M. Simpson. Many of the family also visited her during the holiday week.

Mr. and Mrs. Harold Sandford and family and Mr. and Mrs. Keith Fenton and family of Marmora, spent Christmas Day with their mother, Mrs. Thos. Sandford.

Mr. and Mrs. J. Kellar and family, Madoc spent part of the Christmas Day with the latter's parents, Mr. and Mrs. Frank Palmer.

Mr. and Mrs. Harris and Bill were guests of Mr. and Mrs. Kenneth Dixon, Belleville, one day last week.

Mrs. J. Donly spent Christmas Day at the home of Mr. and Mrs. Lorne Donly.

Mr. and Mrs. Jas. Ruckstul and family, Sharbot Lake, spent New Year's Day with Mr. and Mrs. Roy Ruckstul.

## Lester B. Pearson Peace Park

Mr. Pearson is dead. May he rest in peace, even as during his lifetime, he used his talents and his energy to bring peace to the world at the troubled time of Suez and for which he received the Nobel Peace Prize. The only Canadian to ever receive such a prize.

Because of this, a peace park has been named in his honour and which is supported solely by voluntary contributions of those who believe like the founders that somewhere in a peace-loving country like Canada there should be a park devoted to peace and which bears the name of one of its most illustrious citizens. Established as part of Canada's Centennial on July 1, 1967, it will continue to function with Mr. Pearson's message of peace on earth and goodwill towards men.

Roy Cadwell, Chairman.

Contributions for a memorial in the park to Mr. Pearson may be sent to the Lester B. Pearson Peace Park, Tweed, Ontario. All contributions are income tax deductible.

## NOTICE County Of Hastings

NOTICE IS HEREBY GIVEN that the Corporation of the County of Hastings will apply to the Legislative Assembly of the Province of Ontario at its next Session for private legislation to provide as follows with respect to the composition of and votes on the County Council in the year 1974 and subsequent years:

1. Notwithstanding subsections 1 and 2 of Section 27 of The Municipal Act, membership on the council and the votes of such members shall be as follows:

- Where a local municipality has less than 2,500 municipal electors, the reeve only shall be a member of council and shall have one vote.
- Where a local municipality has not less than 2,500 and not more than 5,000 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have one vote.
- Where a local municipality has more than 5,000 but not more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council; the reeve shall have two votes and the deputy reeve shall have one vote.
- Where a local municipality has more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have two votes.

DATED at Belleville this 20th day of December, 1972.

RONALD W. CASS, Q.C.,  
27 Campbell Street,  
P. O. Box 185,  
Belleville, Ontario.

## MOSTLY ABOUT SOMETHING (but not necessarily)

(By REV. BROWNING)

Ever have one of those weeks when you feel that you started that week with your head screwed on backwards. It's been one of those weeks.

I was going to leave this column until next week (probably will wish that I had before I'm finished) but they threatened to put Kathy Lowry's picture in its place and if that ever happens I'll lose my space for future columns. So rather than have you suffer looking at Kathy, here are this week's little gems.

I read recently where impaired drivers in three areas are used a lot stricter than in Canada. In El Salvador (Central America) impaired drivers are lined up before a firing squad. (How about that, Sports fans!) In Turkey they are taken out to the back-roads and made to walk twenty miles. (Probably a stagger from start to finish). Finally in Malaysia the impaired driver is locked in a cell for twenty-four hours with his wife. (How cruel can the law get!)

The latter punishment is enough to stop any man who has been drinking from driving his car. No man should be put through that kind of punishment.

Since New Year's Day Sherri-Ann and I have downed a 32 ounce and are now working on our second bottle (of course Evelyn helps out some, but she is not an addict like we are). There is not a meal that goes by that we don't get the old bottle out. We mix it with everything. Well almost everything — we haven't tried it on ice cream or chocolate cake as of yet.

The only way we can be saved is for Madoc to open up a branch of the K.A. So if a K.A. branch opens up in Madoc, be sure to let us know. (I thought everyone knew what K.A. stands for — Ketchup Anonymous).

Every good cook wishes there was a K.A. branch. They figure we ketchup-lovers are insulting their cooking. (Ketchup and ice-cream, umm — haven't tried that).

Award for '72 — For reading my column in the strangest, but a common place goes to one of the girls who works for Mary Jane. (I thought that place was only reserved for the catalogues).

Award for '72 — For the business with the prettiest girls — Madoc Review. (Madoc Public School eat your heart out).

Well for better or worse — It's Wednesday morning and the deadline has passed — Sorry Kathy — but keep that picture and telephone number handy — maybe next week.

After re-reading this, it should have been used this week.

For this week — "Mostly About Nothing and Necessarily."

## VENNACHAR and DISTRICT

Those spending the Christmas holidays here were:

Hilda Gregg and family with Elaine Malcom, Belleville, Mr. Neil Grant of Peel Construction with Mr. and Mrs. George Jackson and Mr. and Mrs. Fred Grant.

Mr. and Mrs. Raymond De-Marsh, Miss Cheryl Gregg, and Mr. Mike Cregan, Tweed with Mr. and Mrs. Earl Gregg and Girls and Mr. and Mrs. Eythel Grant and family.

Mr. and Mrs. Glenn Inwood and family, Oshawa, Mr. Clara Milligan, Nanawee, Mr. and Mrs. Cecil Clark and Mr. Robert Lindsay, Arden, Mr. and Mrs. Oswald Mieske and family with Mr. and Mrs. Don Clark.

Mr. and Mrs. Eric Pridham and boys, Lisle, Mr. and Mrs. John Youmans and Randy Griffith, Mr. Jerry Youmans and Mrs. Demaris Galea, Nanawee with Mrs. Ruth Youmans, Mrs. Joan Peplinakie and family.

Miss Donna Lentz and Miss Jane Stott, Kingston with Mr. and Mrs. Stanley Lentz and Gary.

Mr. and Mrs. Stan Withal, Cloyne and Mr. Dean Holmes, Pembroke with Mr. and Mrs. Herbert Holmes.

Mr. and Mrs. Robert Hamilton and family, Fort Erie with Mr. and Mrs. Joe McNamara and baby.

Mr. and Mrs. Frank Meeks and family, R.R. 1, Cloyne, Mrs. James Rosenblath and Boys, Mrs. Cora Rose and Nelson.

Mr. Chas. Rose with Mr. and Mrs. Robt. Rosenblath and family.

Mrs. Herb Rose spent the lunch hour Christmas with Mrs. June MacFarlane and family.

Mr. and Mrs. Robert Rosenblath, Garry Macdine and Mr. Chas. Rose spent Sunday, December 24th with relatives in Bath.

Mr. and Mrs. Francis Gregg with Mr. and Mrs. James Rosenblath and Boys.

Mrs. Hilda Greg and family spent the supper hour and evening with Mr. and Mrs. James Rosenblath and Boys.

Mr. and Mrs. Robert Rosenblath and family and Mr. Chas. Rose spent Christmas afternoon with Mrs. Cora Rose and Nelson.

Mr. Dan Teeple, Mrs. June MacFarlane and children spent Christmas afternoon with the former's mother, Mrs. Nora Teeple, Arden.

Mrs. James Jackson and Lloyd spent Christmas Day with Mr. James Jackson at Oshawa Hospital, Kingston.

Rev. and Mrs. Albert Smith spent the holiday with their daughter, Mrs. Keith Lohnes.

Rev. Lohnes and girls. Also their son Lloyd Smith at Belleville.

Mr. and Mrs. Herb Rose spent Christmas evening with Mr. and Mrs. Vernie Rose and Linda, Griffith.

Mr. Stanley Gregg spent Christmas with Mrs. S. Gregg and Mr. and Mrs. Wm. Wise and family at Cloyne.

Mr. and Mrs. Duane Presley and baby, Mrs. Ellsworth Presley and Larry spent a few days at their cottage here and called on Mrs. Russell Gregg and family and Mrs. Cora Rose and family.

Mrs. Walter Youmans spent Christmas with Mr. Youmans at Trenton Memorial Hospital and Mr. and Mrs. Gary Malcom and family at Carrying Place.

Mr. and Mrs. Stan Lentz, Donna, Gary, and Miss Jane Stott spent Christmas afternoon with his parents and relatives at Palmer Rapids.

## COOPER

Mrs. Alex Clarke and Lawrence spent last week in Belleville visiting Miss Mona Walker, Mrs. Shirley Cooper and Mrs. Maurice Villeneuve. Miss Mona Walker returned home with them on Saturday and they visited Mr. George Angelatos, Burritt's Rapids on Sunday.

Mr. and Mrs. Rex Rollins were last Wednesday supper visitors of Mr. and Mrs. Roy Rollins, Janice and Paul, Queensboro.

Sympathy is extended to Mr. and Mrs. Jack Dudgeon and family on the passing of his father Mr. John Dudgeon recently.

Mr. Ralph Bailey had the misfortune of breaking his ankle while playing hockey at the Cooper Arena on Thursday evening.

Clerk - Treasurer.

## Madoc and District Senior Citizens

A gaily decorated tree and candlelit tables set the mood for the Madoc and District Senior Citizens Christmas Party on December 20th. Eighty-five members and guests enjoyed a sumptuous turkey dinner, prepared and served by the ladies.

President Mrs. Broadworth, extended a warm welcome to the guests: Capt. Thompson, Rev. and Mrs. Hawkes, Rev. and Mrs. Thamer, Father Murphy, Rev. Mr. Sedgwick, Rev. and Mrs. D. Heard, Gordie and Brian. The gentlemen spoke briefly, thanking the Senior Citizens for their hospitality. All joined hands and sang, "The More We Get Together" and "Auld Lang Syne".

Mrs. Broadworth was presented with a gift from the members for which she thanked everyone.

Mrs. Moorecroft, Madoc, Ontario, led in caroling, with Mrs. Reid at the piano. Suitable readings were given by Mrs. Johns and Mrs. Balmage, Mrs. P. Blakely, Mrs. Palmer, Mrs. Reid and Mrs. Moorecroft formed a quartet and sang several numbers. Mr. Bandy delighted the audience with his mouth organ music. The arrival of Santa with gifts for all brought the party to a close.

## QUEENSBORO

Mr. and Mrs. Roy Rollins, Janice and Paul, Mr. Bruce Leslie and Miss Roberta Sager spent New Year's Day in Peterborough, at the home of Mr. and Mrs. Lloyd Stark.

Sunday visitors of Mr. and Mrs. Arthur Holmes were Mr. and Mrs. Ivan Belcher and Michael, Belleville and Mr. and Mrs. Claude Keene, Tommy and Robbie, Remington.

The Women's Institute sponsored a card party on Friday night in the W.I. Hall.

The funeral of the late Miss Laura Sexsmith was held on Monday afternoon at the MacKenzie Funeral Home, interment in Greenwood Cemetery, Queensboro. The sympathy of the community is extended to the family.

## KALADAR

Well the Christmas season is over again for another year.

Everyone is getting back to normal. We hope everyone had a lovely holiday and wish everyone a Happy New Year.

We are sorry to hear Mr. Orval Thompson of Kaladar passed away Christmas morning. Our sympathy goes to the family.

We are glad to hear Mrs. Olive Parks of Kaladar has returned home from the hospital.

The snowmobilers have been enjoying themselves on the machines through the holidays.

Mr. and Mrs. Robert Tryon gave a New Year's Eve party at their home. Everyone enjoyed themselves and had a lovely time. Thanks to them.

The D.T.C. have started cutting dead elm on No. 7 Highway again giving some men from Kaladar a job for the

winter.

H. J. McFarlane has started work again on 41 Highway after having Christmas Holidays.

Community Club of Kaladar put a Turkey Bingo on the 21st of December, at which there was a lovely crowd.

Mr. and Mrs. Diamond Gaylord have their new home up in Kaladar but haven't moved in yet.

Mr. and Mrs. Ronnie Knight have a new daughter born the 5th of January. This one gives them 2 daughters.

Mrs. and Mrs. Jerry Knight had a daughter born around the 21st of December. A sister for Randy.

Mr. and Mrs. Archie Parks have moved in Mr. Shaw's apartment building. Hope they like it there.

### TOLL-FREE TAX INFORMATION NOW AVAILABLE

Since January 1, 1973, every Canadian with a telephone, no matter where he lives, has had access to federal tax information, the Honourable Robert Stanbury announced recently.

Mr. Stanbury, Minister of National Revenue, said that a ZENITH toll-free telephone service for taxpayers seeking information on federal income tax went into effect the country over on that date.

If one lives beyond the range of local telephone service of any of the Department's 28 District Taxation Offices throughout Canada, he may telephone without charge by calling the long-distance operator and asking for ZENITH 0-4000.

Residents of the communities in each province where the District Offices are situated will continue to call the regular number of each of the offices.

Taxpayers in the last named government department to initiate a toll-free telephone service so that every citizen will have the same free and ready access to information during regular office hours.

Up to the present time, approximately 47 percent of all Canadian taxpayers would have been required to pay long dis-

tance charges if they had telephoned their District Taxation Offices for information. Introduction of the ZENITH system equalizes the opportunity of all Canadians to call District Taxation Offices free of charge.

The Department urges taxpayers to read carefully their tax guides and follow the instructions there in completing their tax returns. Most, if not all, their questions are answered in the guide. But if they still have a problem, it is suggested that they contact their District Taxation Office either by telephone, by letter or by visiting the premises.

### CLOYNE

Christmas visitors with their parents Mr. and Mrs. Sydney Rogers and Mr. and Mrs. Cecil Rogers of Kingston, Mr. and Mrs. Norman Rogers and Mr. and Mrs. Cecil Stroud and girls of Ramfrew, Mr. and Mrs. John Seafeld and Kenny of Palmer Rapids, also neighbours Mr. and Mrs. Fred Juliff.

Mr. and Mrs. Wayne Snider and daughter of R.R. 1, Cloyne, Mr. and Mrs. Elwood Snider and family of Hartmore, Mr. and Mrs. Bud Tapping of Oshawa, Jonney and Rodney of Hamilton, Ont., Mr. and Mrs. Amp. Snider and family of R.R. 1, Cloyne, Mr. and Mrs. Bill Snider Jr. and family of R.R. 1, Cloyne spent Christmas supper and evening with their parents Mr. and Mrs. Bill Snider Sr. and brother Sheldon.

Mr. Clarence Lloyd of Detroit spent Christmas and New Year's with his mother Mrs. Laura Lloyd and his sister Gwen Jackson, Roger and Bonnie.

Belated Birthday Wishes to Mrs. Laura Lloyd who was 78 years old Christmas Day, December 25th.

Mr. and Mrs. Frank Meeks, Mrs. Cora Rose, Nelson Rose, Richard and Royce Rosenblath, Judy and Jerry Snider, June MacFarlane and Dan Teeple spent a while Christmas Eve with Mrs. Hilda Gregg, Brian and Beverly.

Mrs. Roy Brown of Winnipeg, Manitoba is visiting with her sister Mrs. John Redford and Mr. Redford of R.R. 1, Cloyne, Ont.

Mr. and Mrs. Frank Meeks and family spent Christmas Dinner with Mrs. Meek's mother Cora Rose and brother Nelson, also grandfather Charles Rose. Mrs. Hilda Gregg, Brian and Beverly were with Mrs. Gregg's sister, Mrs. Cora Rose.

Mr. and Mrs. Sydney Rogers and Roy spent New Years with their daughter, Mrs. Cecil Stroud, Mr. Stroud and girls.

Birthday Wishes to Mr. James Meeks Sr. who was 83 years old on January 1st, 1973. Mr. Meeks is still enjoying fair health. He has one son, James Meeks Jr., two grandsons, Albert and Frank Meeks, one granddaughter, Mrs. Norman (Merle) Rogers and 13 great grandchildren.

### BANNOCKBURN

The Ladies of the Women's Missionary Council met on Wednesday night at the home of Mrs. J. Dooley.

Mr. and Mrs. Jan Sandford, Belleville were guests of Mr. and Mrs. Burton Sandford, recently.

Mr. and Mrs. Harris and Mrs. Dooley visited Mrs. Grace Nicol in Belleville on Saturday.

Mr. and Mrs. Harold Sandford and family, Marmora were guests of Mrs. Thos. Sandford, on Sunday.

Mr. Thos. Simpson, Oak Ridge, visited his Grandmother Mrs. M. Simpson one day last week.

Word has been received announcing the death of Mrs. Israel McLeod of Fonthill. Our sincere sympathy to the family.

Mr. and Mrs. Ray White and Brenda visited relatives in Lindsay during the weekend.

Mrs. Burton Sandford visited her brother, Mr. Frank Wiley and Mrs. Wiley at Malone last week.

Our best wishes to the staff of Madoc Review for happiness and health in 1973.

During the period from December 29th, 1972 to January 5th, 1973 there were five accidents investigated. As a result, one person was injured and property damages reached a total of \$5,375.00.

Three persons reported to this detachment that they had lost their showmobile markers. Unless you report this to the police you will be unable to obtain new plates for your machine.

There were five family disputes which involved heated arguments between members of the families and which required the attendance of one or more officers.

Fire in the hamlet of Deloro completely destroyed the Deloro Community Hall on December 30th, 1972. The Marmora Township Fire Department and two members of the Ontario Provincial Police from this detachment attended at the fire. Total damages were estimated at \$20,000.00.

Two "Having Liquor in a Place other than Residence" charges were laid along with one "Care and Control of a Motor Vehicle while Ability Impaired" and one "Over .08% Alcohol in Blood" charge.

Theft from the Madoc arena resulted in property valued at \$25.00 being taken and also malicious damage to the confectionary booth.

On Wednesday night a call was received that there were prowlers around the complainant's residence. Investigation revealed the noises were made by a piece of plastic over one of the windows. This plastic was loose and flapping in the wind.

Travel on ice-covered surfaces of lakes and rivers is one of the greatest hazards that face the outdoorsman in the winter season. The two most dangerous times of the year are when the ice is forming and when it is breaking up. This is "freeze-up" time when snowmobilers and ice fishermen should use extreme caution. A snow covered ice surface seldom gives any indication of danger until it is too late.

R. N. Dowe, Sergeant.

Word has been received announcing the death of Mrs. Israel McLeod of Fonthill. Our sincere sympathy to the family.

Mr. and Mrs. Ray White and Brenda visited relatives in Lindsay during the weekend.

Mrs. Burton Sandford visited her brother, Mr. Frank Wiley and Mrs. Wiley at Malone last week.

Our best wishes to the staff of Madoc Review for happiness and health in 1973.

### Jehovah's Witnesses To Assemble In Trenton

A squad of Jehovah's Witnesses will move into Trenton High School this week to make preparations for their semi-annual circuit assembly, January 13 and 14.

The assembly is designed as a faith-building meeting of representatives of 11 congregations between Trenton, Port Hope and Bancroft.

Assembly organizers said equipment must be installed in the school Friday evening, so that the program will function smoothly beginning Saturday.

Robin Pulham of Madoc has been assigned to assist in the first aid department. He said that they are prepared to render all necessary assistance until a physician arrives or the patient is transferred to hospital. Fortunately, they are rarely called upon to do more than treat a headache or minor injuries.

"All work is done by volunteers, and it is expected that about 800 will attend the assembly and benefit from the advance preparation," Pulham said.

The climax of the assembly will be reached Sunday afternoon with the public talk, "Is This Life All There Is?" It will be delivered by John Didup, travelling minister of Eastern Ontario.

## MINOR SPORTS REPORT

(By Bev Browning)

Pee-Wee - Marmora/Laurel

	P	W	L	T	F	A	Pts
Leafs	7	4	3	0	22	15	8
Canadians	7	3	2	2	19	24	8
Canucks	7	2	3	2	18	23	7
Brins	7	2	4	1	14	18	5

Results of Saturday, January 6th —

Leafs 4, Canadians 1

Leafs — Goals — Danny Adams, Brian Hyde, Sammy Bessie, Randy Love.

Assists — Danny Adams, Sammy Bessie.

Canadians — Goal — Danny Brown.

Assist — Tim McCann.

Bruins 1, Canucks 1

Bruins — Goal — John Fox.

Canucks — Goal — Ian Dowe.

Games Scheduled for Saturday, January 13th —

5:30 a.m. — Canadians vs. Bruins

9:30 a.m. — Leafs vs. Canucks

O.M.H.A. results are listed this week. The reason for this is the failure by coaches of some teams to submit written outlines of those who scored the goals and collected assists.

The Madoc Juveniles played a sound passing and hitting game and downed the Pictou Juveniles 9-2 last Thursday night. Madoc led 5-1 after the first period on a pair of goals by Eric Bailey and the hat trick by Peter White. Brian Smith fired in a pair of goals while Carl Padden added a single in the second frame and Madoc led 5-1 going into the final stanza. Brian Smith added his third goal of the night early in the third period to seal away the 9-2 victory.

The number of assists also indicate that the game was an excellent example of team work. Brian Smith added three assists while Peter White, Harley Williamson and Ron Smith each collected a pair of assists. Singles went to Eric Bailey and Jordan Elliott.

When this team decides to "play" hockey they can "hurt" any team in the league by putting the puck in the net.

Madoc Pee-Wee dropped another pair of games last week. On Thursday night they came from behind a 3-0 deficit to tie the game before giving up five goals in the final stanza. Glenn Brown with a pair of goals and Bryan Niclde with a single was all the scoring the local squad could muster.

In Marmora on Friday the hitting club of Thursday night decided to play dead and returned home with a 11-0 defeat. The loss said about this game the better.

O.M.H.A. Schedule (January 13th - January 18th) —

Mites — Sat., Jan. 13th - Madoc at Stirling (1:00 p.m.)

Novice — Sat., Jan. 13th - Madoc at Trenton (6:15 p.m.)

Pee-Wee — Thurs., Jan. 11th - Stirling at Madoc (7:00 p.m.)

Bantams — Fri., Jan. 12th - Madoc at Tweed (7:00 p.m.)

Wed., Jan. 17th - Madoc at Campbellford (6:45 p.m.)

Juvenile — Sat., Jan. 14th - Madoc at Trenton (10:00 p.m.)

Thurs., Jan. 18th - Warkworth at Madoc (8:45 p.m.)

Novice and Bantam game results were not made available for this report.

## VENNACHAR and DISTRICT

Congratulations to Mrs. June MacFarlane and Mr. Dan Teeple who were married at Denbigh United Church, Saturday, December 30th by Rev. J. Rundell.

A reception was held at the home of Mr. and Mrs. Wm. Achroyd's, Denbigh, close friends of the bride for the

relatives.

Those spending the holidays here were Mrs. Kara Allan, Port Credit, Mr. Dean Holmes and Miss Sheila Jowall with Mr. and Mrs. Herbert Holmes.

Mr. and Mrs. Mylen Jackson, Mr. and Mrs. Hubert Jackson and family, Kitchener with Mrs. Jas. Jackson and Lloyd.

Mr. and Mrs. Robert Gasley, Wooler, with Mr. and Mrs. George Jackson, Mr. and Mrs. Fred Grant and Neil Grant.

Mr. and Mrs. Earnie Jackson, Cloynes with her father Mr. Chas. Rose, Mrs. Cora Rose and Nelson Rose also called on his mother, Mrs. James Jackson and Lloyd.

Mr. and Mrs. Ivan Herrington and Ivan Jr., Madoc, Miss Cheryl Gregg and Mr. Mike Cragan, Tweed with Mr. and Mrs. Earl Gregg and Girls and Mr. and Mrs. Eytel Grant and family.

Mr. and Mrs. Glenn Inwood and boys, Oshawa, Mr. and Mrs. Oswald Mlake and family with Mr. and Mrs. Don Clark.

Mr. and Mrs. Gary Malcolm and family, Carrying Place, Mrs. Clara Milligan, Napanee, with Mrs. Walter Youmans.

Mrs. Youmans returned home with Mr. and Mrs. Gary Malcolm.

Rev. and Mrs. Bruce Dawson, Carleton Place, spent New Year's Day with his sister, Mrs. Albert Smith and Rev. Smith.

Mr. and Mrs. Don Teeple, Rhonda Murray and Brian MacFarlane spent the weekend with Mr. and Mrs. Ralph Nicholson and family, Lakefield.

Congratulations to Mr. and Mrs. Wm. Snider Jr. on the birth of a son at Kingston General Hospital.

Mr. and Mrs. Fred Grant entertained a number of friends and relatives at a New Year's Eve party.

A lovely evening was enjoyed by all after which a delicious lunch was served by the hostess.

Mr. and Mrs. Eric Boeltge, Mr. and Mrs. Verne Rose and Linda Griffith spent New Year's afternoon and evening with Mr. and Mrs. Herb Rose.

## FRIENDLY HINTS

### ROUTINE MAINTENANCE OF MILKING EQUIPMENT

When did you last check your milking system and perform the routine maintenance necessary for proper machine function? If you haven't looked at your service manual lately here are some recommendations.

#### Checks to be Made Prior to Each Milking

1. Fill oil reservoir on vacuum pump as often as required.
2. Operate your milking system at the selected vacuum level. The vacuum regulator is operating correctly. (Check with your thumb in the inflation.) Replace short air tubes that have holes.
3. Be sure air bleeder holes in the milking units are open.
4. Do not allow inflations to become twisted or water to accumulate between the shell and inflation.

#### Weekly (50 operating hours)

1. Alternate inflations — dairy-men using matted liners should have two complete sets so that one set can be used while the other set receives a special treatment to remove fat. (Rub-R-Kleen). Replace liners every 1,500 individual milkings for the alternate usage procedures and every 1,000 milkings for continuous usage or earlier if worn.
2. Check belt tension on pump; keep belts free of oil and grease.
3. Clean screens or filters on vacuum regulators.

#### Monthly (250 hours)

1. Disassemble and clean individual or master pulsators — replace worn parts. Do not oil unless specified. Check each pulsator with a vacuum gauge to be sure it is operating correctly.
2. Vacuum lines must be cleaned routinely in bucket installations. Check pipeline installations monthly for air leaks.
3. Check automatic washing equipment.

#### Six Months - One Year (1250 - 2500 hours)

Use your serviceman for semi-annual inspection of milking equipment.

1. Change oil and flush pump with solvent as recommended by manufacturer. The lubrication parts, wicks, and oil passages should also be cleaned.
2. Replace all line gaskets as necessary.
3. Equipment should be checked completely with testing equipment at least every six months.

Madoc Co-operative Association

## Guides to the Lifestyle of A Gentleman Adventurer

GUIDES to the lifestyle of a "Gentleman Adventurer" were made available for the first time this week, when the Company of Gentlemen Adventurers held its inaugural meeting.

The Gentleman Adventurer's lifestyle epitomizes that of a larger group of "active young achievers" discovered during a nation wide survey of people and attitudes.

The active young achiever was found to be young in outlook, progressive, slightly unconventional, but extremely discerning.

Mr. Don McGivern, Managing Director, Retail Stores, Hudson's Bay Company, said: "Although his income is higher than average, money is not his prime objective. He is concerned with issues and people. He has an insatiable appetite for knowing and understanding what is going on in the world. He has an unbounded curiosity and a desire to experiment... and we decided to name him 'The Gentleman Adventurer'."

At the launch of the Company of Gentlemen Adventurers, Mr. McGivern revealed details of the opening of 20 new department stores, 11 in Ontario, and of a new campaign for Hudson's Bay F.O.B. Whisky.

Cocktails, with names like Flamingo Over Barrie, Fiftieth of Blues, and First Outa Bed were created and mixed for the occasion by Canada's top barman.

Flamingo Crepe F.O.B. was prepared and served by Jean-Claude Terrier of L'Omelette, and guests played sophisticated graphiti games allowing for the display of their wit and imagination.

There were Girl Adventurers too, in outfits designed for the event by Pat McDonagh, one of Canada's leading designers... outfits, which are likely to be seen at many G.A. get-togethers in the coming party season. Every guest received a hand inscribed, elegantly boxed, personal identity gift carrying the new G.A. seal.

And for future reading, there were five Gentleman Adventurer Guides to: Stylish Entertainment, Great Parties, Dinner for Two, the Ups and Downs of Toronto, and, of course, Cocktails.

The Guides and information on the Company of Gentlemen Adventurers may be obtained by writing to The Company of Gentlemen Adventurers, Box 7052, Adelaide Street Post Office, Toronto.

# MADOC REVIEW

## C.H.S.S. POETRY

(By Charlotte Higelow)

I cannot express to you  
the feelings that hold me  
in agony  
in ecstasy  
in fear  
Your presence causes shafts of  
pain  
I feel immunity  
Indifference  
To my own emotions!  
I turn from my feelings  
And deny them.  
But they persist.  
they exist —  
I turn from you  
I hurt you  
My agony increases  
happiness ceases.  
Am I embarrassed that I feel?  
Unable to understand  
feelings that envelope me  
fears of ignorance  
shake me  
And there is physical agony  
in overabundance  
I walk, wondering  
wondering — my thoughts  
wondering  
Through emotions that envelope me  
and confuse me  
and sadden me.  
There is danger to you, perhaps  
in an emotion  
unaccepted  
or misunderstood  
The emotion must go unexpressed  
unshared  
It is a feeling that must remain  
retained  
I cannot — must not  
pronounce to you...  
I cannot express to you  
the feelings that hold me  
in agony  
and fear  
and sadness.  
I do not understand  
I respond to the demand  
To refrain  
from causing pain.  
It will be unaided  
I must learn joy  
without indifference  
I feel  
I am alive  
I can be happy  
If I do not turn my back on myself  
my emotions  
My eyes are open  
Life is good  
My love is good  
and  
I am free  
to be.

## CONSERVATION AUTHORITY MEETING

(Continued from last week)

C. Woods — L. McLaren —  
that, this Authority recommend  
to the 1973 Full Authority a  
budget in the amount of \$180,  
470, and Municipal Levies of  
\$30,000.

R. Jeffrey — D. Harvey —  
that, this Authority recommend  
to the 1973 Full Authority the  
implementation of the staff  
Personnel Policy prepared by  
the special Personnel Commit-  
tee.

G. Wilman — H. Varty —  
that, D. Harvey, K. Smith and  
R. S. Morphy be the Nominat-  
ing Committee for 1973 appoint-  
ments.

H. Thompson — C. Woods —  
that, K. Smith be Chairman of  
the 1973 Nominating Commit-

tee.  
The following committee was  
named to investigate and make  
recommendations concerning a  
suitable highway sign to adver-  
tise Authority Conservation  
Areas across Ontario — Guy  
Hughes, Carl Richmond and  
Joel Finlay.  
G. Hughes — C. Woods —  
that, the 1973 Full Authority  
be requested to consider per-  
diem and mileage rates of  
pay.

The meeting adjourned at  
4:30 p.m.

A meeting of the Executive  
Committee of the Moira River  
Conservation Authority was  
held at 10:30 a.m. on December  
14th, 1972 with members J.

Spry, Chairman, G. Hughes,  
Vice-Chairman, C. Richmond,  
D. Harvey, H. Thompson, G.  
Wilman and W. G. Bell present.

Also present were J. Ander-  
son Regional Liaison Officer,  
Ministry of Natural Resources,  
The Resources Manager and the  
Secretary-Treasurer.

G. Hughes — H. Thompson —  
that, the minutes of a meeting  
held on November 14th, 1972 be  
adopted as read.

D. Harvey — G. Hughes —  
that, Executive Motion 63.72  
dated November 14th, 1972 be  
placed on the Agenda for ap-  
proval by the Annual Organiza-  
tion Meeting of the Full Autho-  
rity in 1973 as follows: "that,  
the following recommendation  
of the Conservation Areas Ad-  
visory Board be approved sub-

ject to the availability of funds  
that, Project Planning Associ-  
ates Ltd. be employed to do a  
conceptual plan of the O'Hara  
Mill Conservation Area with  
particular reference to main-  
taining it as a homestead dis-  
play depicting the life of the  
time, keeping in mind that it is  
in the long term interest of the  
Authority to receive a general  
overview of all the facilities."

Pollution Control Advisory  
Board Motion 24.72 was dis-  
cussed and approved in prin-  
ciple. This refers to a recom-  
mendation that Moira Water-  
shed Municipalities be requested  
to consider the advisability of  
providing garbage collection as  
a means of reducing pollution.

D. Harvey — H. Thompson —  
that, this Executive approve the  
request from the Federal De-

partment of Agriculture to  
continue to use the alfalfa plots  
and the portable storage shed  
or insectary at the Sidney Con-  
servation Area for alfalfa weed-  
ing investigations.

Mr. James Anderson, recently  
appointed Liaison Officer, ex-  
plained the proposed regional  
grouping of Conservation Autho-  
rities in Ontario. Because the  
Moira Authority is located on  
the proposed boundary line be-

tween the Eastern and Central  
Regions, a decision must be  
made concerning the Region to  
which the Moira Authority will  
be assigned. The remainder of  
the Meeting was spent in a  
discussion of this problem.

The Meeting adjourned at 12  
noon.

J. SPRY,  
Chairman.  
J. H. McLEOD,  
Secretary - Treasurer.

About  
Food  
Allergy  
Problems...

Because knowledge of food allergies is so important  
to people with food allergies, other people and other  
members of the public, the Canadian Department of Com-  
merce and Consumer Affairs is sponsoring a series of  
lectures on food allergies in various parts of the country.  
Meanwhile, help is available to people with these prob-  
lems through ALLERGY INFORMATION ASSOCIATION.  
2 Toadmouth Road, Toronto 637. A.I.A. is a volunteer group  
whose interest is to enlarge the scope of prescribed,  
restricted diets. It supplies members with information  
letters concerning new products for allergy sufferers, in-  
formation on how to cope with allergy problems, and a  
special cookbook called "Diet Unlimited for Limited  
Diets". The association makes its services available to all  
and welcomes any new member.

## THURLOW REEVE COUNTY WARDEN

Thurlow Township Reeve Horace Casey and six-year member of county council has been named as the 1973 Hastings County Warden.

Reeve Casey, who has 14 years' experience on township council, defeated Deseronto Reeve George Lyons for the wardenship in a straight two-way fight.

The new warden succeeds Carman Gibson as county council head. Mr. Gibson has retired from active municipal

life. A Corbyville area farmer, Warden Casey was last year's chairman of the county roads and bridges committee and also served last year on the personnel committee. Two years ago he served on the municipal reform committee.

He has two grown children, Mrs. Raymond (Linda) Reid of Cannifton and Ronnie, and two younger sons by a second marriage, Mark and Doug, both at home.

## Ellis Question Airborne

Hastings member of Parliament Jack Ellis' personal interest in flying led to his asking a question in the Commons Friday.

Mr. Ellis asked Transport Minister Jean Marchand if he would indicate the proposed policy of his department on crash position indicators for aircraft.

Mr. Ellis has a private pilot's licence. The crash position indicator is a device installed on aircraft that automatically sends out a distress signal if the plane is downed for any reason, including a controlled emergency landing. They are not compulsory equipment in Canada.

Mr. Marchand told Mr. Ellis he would have to take notice of his question. Mr. Ellis continued his questioning, asking the minister if he would indicate whether or not his department was prepared to develop a Canadian standard for crash position indicators.

Mr. Marchand said he would answer the question as soon as he discussed the matter with his departmental officials.

Lucky winner of the Review's draw for the 20" portable television was Mrs. Gordon McCoy of R.R. 1, Madoc, Above. Mrs. McCoy is presented with the warranty and instruction booklet by Carol Parankuk of the Review staff. A much-deserving winner, Mrs. McCoy says she has been a life-time reader of the Madoc paper.

## MADOC ARENA ENGINEER'S REPORT

In early October executives of the Madoc Community Centre requested an engineering report on the structural adequacy of the Madoc arena.

This inspection began on October 20th, 1972 under the direction of Mr. J. E. Mary Falaris, P. Eng. and Project Consulting Engineer for R. M. Kostuch Associates Ltd. This report was received by members of Madoc Village Council and Community Centre Committee on January 6th, 1973.

The conclusion and recommendations of Mr. Gary Falaris is as follows:

This structure exhibits serious visible signs of strain and detailed design analysis indicates that excessive stresses occur under extreme loading conditions.

The failure of footings may continue unless remedial action is taken. This will be expensive and will not relieve stresses already built into the bents as a result of past footing displacement.

The Community Centre Board and the Village of Madoc should consider this structure as unfit for its present use. The arena need not be abandoned immediately but stringent measures should be taken to ensure snow accumulation on the roof does not exceed 6 inches of moderately packed snow. It should be emphasized that "iced" snow weighs approximately 6 times more than packed snow and under no circumstances should "iced" snow be allowed to accumulate. Also the building should be closed to all public whenever wind velocity exceeds 40 miles per hour.

Aging of timber after forty years of service is also a factor. Visual inspection of the timber can only ascertain the condition of the timber in terms of present appearance and visible signs of failure. The age fatigue of the material is a matter that can be ascertained best under laboratory conditions. However, such procedures are costly and would not be warranted in this situation.

Anyone wishing to read the full report may do so. An extra copy will be left in the Council Chambers for your inspection.

W. Hagerman,  
Community Centre Board  
R. Kirkwood,  
Councillor.

## GILMOUR COUPLE WED 20 YEARS

On Saturday, December 16th, 1972, forty-nine members of the James H. Sprackett family met at the Orange Lodge, Madoc, to celebrate the anniversary of Mr. Sprackett and his bride of twenty years, the former Aileen McGee. A turkey dinner was served by the L.O.B.A. This was followed by a presentation of a bedspread and linen by Mrs. Ray Peters (Sandra) of Oshawa and Mr. Bill Sprackett of Parry Sound on behalf of the grandchildren; and a table-pole light by Mr. and Mrs. Ross Sprackett of Gilmour on behalf of the children.

After toasts and speeches were made, the floor was cleared and with Frank at the piano, Ted at the guitar, and Don as caller, square dancing was enjoyed.

Those present at this surprise celebration were: Mr. and Mrs. James Sprackett, Gilmour; their children - Mr. and Mrs. Ross Sprackett, Gilmour; Mr. and Mrs. Frank Sprackett, Oshawa; Mr. and Mrs. Clayton McKenzie (Laura), Gilmour; and Mr. and Mrs. Donald Sprackett, Gilmour. Also present were their grandchildren and great grandchildren - Mr. Ted Sprackett, Belleville; Rev. and Mrs. Keith Sprackett, Chertsey; and David, Trenton; Mr. and Mrs. Terry Sprackett, Michael and Shawn, Pointe

Claire, Que.; Mr. and Mrs. O. W. Anderson (Donna), Kriston; Karen and Kurt, Oshawa; Mr. and Mrs. Ian Thompson (Jeanne) and Tanya, Huntsville; Mr. and Mrs. Bill Sprackett and Michael, Parry Sound; Mr. and Mrs. Tom Jenkins (Betty McKenzie), Tim and Teresa, Peterborough; Mr. and Mrs. Ron McKenzie, Danny and Darren, Cardiff; Mr. and Mrs. Tracey King (Dianne McKenzie), Kriston; Jamie and Corrie, Belleville; Mr. and Mrs. Pat Hogan (Sharon), Jennifer and Tim, Nanawau; Mrs. Ray Peters (Sandra), Oshawa; Mr. Brian Plumb, Belleville; and a niece, Mr. and Mrs. Jim Hawley (Judy Oleksuk), Peterborough.

Unable to attend were Dr. and Mrs. Jack Henry (Marion) and family of Little Current; Mrs. Ted Sprackett and family; Mrs. Brian Plumb (Bonnie) and Robyn.

## C.H.S.S. REPORT

(By GORD REID)

Last week at C.H.S.S. the girls volleyball team beat Picton 15-6 and 15-9. They also defeated Quinte 15-5 and 15-10.

The midweek basketball team defeated Cloyne 37-30 in a very close game. In a mis-matched game Cloyne Seniors defeated our Juniors 49-30.

In the Safety Quiz last week C.H.S.S. defeated North Hastings High School (Bancroft) to the tune of 230-135.

## C.H.S.S. WINNER AS STAMP POLL RESULTS GIVEN

(Submitted by C.H.S.S.)

A total of 82 people voted in The Trentonian's Third Canadian Stamp Popularity Poll, an increase of 6 entries over last year. Once again they left no doubt about which of the 18 stamps depicted was the best and which was the worst. Entries were received from many places including Trenton, Belleville, Lindsay, Tweed, Cobourg, New York, U.S.A. and of course the Centre Hastings Secondary School at Madoc. This year the school participation was 35 pupils, an increase of 22 over last year. A special report on this year's activities can be found in the February 2, 1972 edition of The Trentonian.

### BEST STAMP

KRIEHOFF

The stamp honoring Cornelius Kriehoff was selected as the best and the World Health Stamp the worst. The results were derived by giving one point for a first place vote, two for second and so on up to 18. Therefore the most popular would be the stamp with the least points. The rating of the 18 stamps in the poll is as follows - Cornelius Kriehoff 199, Indian Artifacts 317, 10c Xmas 371, 41 Vancouver 433, 82 Quebec City 433, 15c Xmas 481, Geographical Congress 524, Indian Dress 574, Geological Congress 574, Photogrammetry 617, Cartographic 681, 6c Xmas 639, Indian Graphic Symbolism 593, Frontenac 990 and the World Health Stamp 1168.

### WORST STAMP

WORLD HEALTH

The Cornelius Kriehoff stamp received 40 first place votes with the other 42 distributed throughout including one 16 and one 17 place vote. The World Health Stamp received 49 votes for the 18th place and the other 33 votes distributed throughout including one 2nd and one 4th place vote. A significant note this year is the three tied positions - Vancouver and Quebec City with 433 votes, Indian Dress and Geological Congress at 574 votes and 6c Xmas and Cartographic at 681 votes.

The winner of the Three-Ring Canadian stamp album is Mary Lynn Robertson of the Central Hastings Secondary School in Madoc. Mary Lynn must have an excellent crystal ball as she chose the Kriehoff, Indian Artifacts and 10c Xmas in the

## Senior Citizens Entertained In Marmora

Senior Citizens from Tweed, Madoc, Marmora and Stirling were guests of Mr. and Mrs. Franklin Smith and family at the Marmora Senior School Auditorium on Saturday evening, January 13th.

There were 250 seniors in attendance, who thoroughly enjoyed coloured slides from such places as: Mexico, Alaska, East and West Coast, Salt Lake City, San Francisco, Los Angeles, Disneyland, both in California and Florida, The Cypress Gardens, Reversing Falls, Magnetic Hill, Cabot Trail, The Gaspe, Calgary Stampede, and among the Stampede shots of the famous parade, was a picture of the float with Dianne Gunning (now Spencer) on it. The slides took up the most part of 2½ hours, and following this, what appeared to be a re-union, many seniors greeting friends in a warm manner, persons who had not seen each other in years. Following this, a lovely buffet lunch consisting of fancy sandwiches, pickles, dairy cookies and cakes, with coffee was served by the host and hostess.

The evening's entertainment was made possible by Mr. and Mrs. Smith who are the operators of the Franklin Travelways, and the slides were taken by The Smiths when on their continent-wide tours over the past months. Mrs. Smith gave

## AREA WEATHER

This is the temperatures and depth of snow in the bush on the ground as of 8:00 a.m., Monday, January 15th.

Bancroft - temp. - 24 above; 23½" of snow. Dacre - temp. - 21 above; 20" of snow. Tweed - temp. - 20 above; 16½" of snow. Plevna - temp. - 20 above; 21½" of snow. Palmer Rapids - 22 above; 22½" of snow. White Lake - temp. - 23 above; 18" of snow.

## CARNIVAL ONE MONTH AWAY

It is hard to believe — but it is only a month until the Winter Carnival. That fact was impressed on the minds of the Members of the Winter Carnival Committee who met last night at the Madoc Public School.

Many plans for the event are getting underway, as some events will be the same as last year's.

Once again, we will be having a Carnival Queen. She will be selected by Rebekah and Odd-fellows Lodges. Come on, girls, wouldn't you like to be this year's Queen?

Plans were also outlined for a bigger and better parade. "Everyone loves a parade," one person said, and as we had no Santa Claus parade, let us hope that this one will be successful. If you wish to enter a float you may contact Mrs. Ruth Burnside.

A highlight of last year's Carnival was the Craft Show at the Kiwanis Centre. Once again this event will be held. Letters will be sent out very soon, to interested people. For more information you may contact Mrs. Jean Bailey or Mrs. Vera Hill.

Prizes for the Snowmobile Races have been raised to over

\$2,000 with the Centre Hastings Cup going to the winner. Let us not forget our buttons. This year, they are ceramic, and come in two colours and styles. They are either wine or turquoise in colour, and you may wear them around your neck or you may buy the pin style. The Committee is hoping that they will become a favourite piece of jewellery.

Next week we will have more information on these and other events — but February 16, 17 and 18 are only a month away.

## MADOC AND DISTRICT MINISTERIAL MEETING

The meeting of the Madoc and District Ministerial was held in Trinity United Church on Tuesday, January 9th, 1973.

Where a discussion was held with regards to the forthcoming Week of Prayer for Christian Unity. It was decided that this year the Ecumenical Prayer Service would be held in Madoc Pentecostal Church on Sunday, January 21st at 7:30 p.m. The guest speaker for this is to be Rev. W. Sedgwick of Queensboro United Church and the theme will be "Lord Teach Us to Pray". Pastor Rev. D. McEwen invited Mr. and Mrs. L. Hart of Madoc Standard Church as guest singers. It was decided that the collection from this service be given to the work of the Canadian Bible Society.

A lengthy discussion followed

in regards to the Program Key 73. Since there are six phases to Program Key 73, the first being "Calling Our Continent to Repentance and Prayer", it was decided to link this phase with the Ecumenical Prayer Service on January 21st. The Clergymen responsible for this phase are Rev. D. McEwen, pastor, and Rev. W. Sedgwick, guest speaker.

Phase II of Key 73 is "Calling Our Continent to the Word of God". It was decided to have this phase with the Ecumenical work of the Bible Society. This meeting and workshop is to be held in St. John's Anglican Hall on Tuesday, February 20th, with pastor Rev. J. Thompson and Rev. Rex Norman of Peterborough and the secretary of the Canadian Bible Society in charge of said meeting.

Phase III of Key 73 is "Calling our Continent to Resurrection" with the date set for April 15th, coinciding with the week before Easter.

Phase IV of Key 73 is "Calling Our Continent to New Life" with a tentative date, June 10th, coinciding with Pentecost.

Phase V, "Calling Our Continent to Proclamation", tentative date September 30th.

Phase VI, "Calling Our Continent to Commitment", a tentative date being December 2nd, coinciding with the Season of Advent.

The meeting was adjourned with the next meeting to be held Tuesday, February 13th at St. John's Anglican Hall.

## TWEED MIXED BOWLING

The results of the Monday night mixed league on January 8th, 1973 at the Tweed Bol-O-Way were as follows:

Team Standings - King Pins, 74 pts.; Double-O-Nothings, 61 pts.; Hells Bells, 52 pts.; Rolling Pins, 61 pts.; Stocco Marauders, 47 pts.; Clare River Ramblers, 30 pts. Ladies Highs - Elaine Coulson, 216; Dora Heyworth, 212; Betty Buchanan, 212; Emma Bossio, 200.

Mens Highs - Keith Coulson, 288, 294 (681); Oscar Rogers, 243, 229 (680); Almer Buchanan, 295 (630); Joe Bossio, 232; Francis Kinlin, 218; Roy Hollister, 206; Frank Bossio, 203; Martin Brook, 202; Gerald Treacy, 201.

## Psychologist Addresses C.E.C.

Mr. Damon DeShield, psychologist, was guest speaker at a Council for Exceptional Children (C.E.C.) meeting at C.H.S.S. Thursday, January 11th, 1973. He elected to chair a discussion rather than give a formal speech. Mr. DeShield has proposed an experiment in Hastings County using a controlled group of approximately forty young children (5 to 6 yrs. of age) of the same social, economic group with no cultural or racial overtones. The hypotheses of this experiment would be to determine whether increase in physical activities would have a significant bearing on increase in I.Q., social adjustment and physical fitness.

Mr. DeShield began a similar experiment in Western Canada and would like the opportunity to continue with it here.

Coffee and doughnuts were served during the informal discussion that followed Mr. DeShield's very interesting talk.

The Council for Exceptional Children is an organization of Teachers, Parents and interested citizens to help children who have learning problems.

## CURLING RESULTS

The curling results of January 15th were as follows:

Shaw W. Fox L.; Miller W. Jones L.; Keller W. Clarke L.; Danford W. Derry L.; Hawley W. Bateman L.; Bosley W. Burnside L.; Stickwood W. Heard L.; Robinson W. Booth L.

## Week of Prayer for Christian Unity

A growing desire to promote unity among Christians brings hope to a confused world. By praying together to do what God wants, and working together to help the Church conform to the image given in the Gospel, Christians of many denominations are seeking Christian Unity. How deep is our concern for unity among Christians?

Week of Prayer for Christian Unity: Date: Sunday, January 21st; Time: 7:30 p.m.; Place, Madoc Pentecostal Church; Theme, "Lord Teach Us To Pray".

## TOPS NEWS ONI146

Queen for this week was Rita Sloan, who had a loss of eight pounds. Rita received the rose for her efforts. The total losses for the week were 17½ pounds, while the gains were 9½.

There were twelve members present at this week's meeting. Following the regular business, a baby shower was held for Sandra Bronson, who was presented with gifts from everyone.

C. "Buck" Carswell brought honors to Madoc Co-Operative Association through his fuel oil, gas and diesel sales of the past year. Buck was awarded a plaque in recognition of having had the greatest increase in gallons for the year 1972 in the central region of the United Co-Operatives. He received the smaller plaque, which he proudly displays at left, to keep permanently for himself, and the Madoc Co-Op was awarded the larger plaque to keep for the year.

MAURICE GOULAH, Publisher  
MRS. CAROL PARANUIK, EditorHERE'RE SOME LAUGHS  
TO HELP YOUR 1973

By BILL SMILEY

It was rather a gloomy end to 1972, with the deaths of scrappy Harry Truman and that fine Canadian, Mike Pearson, and the eternal shootings among the mad Irish, and the earthquake in Nicaragua.

So let's get off on the right foot for the next twelve months with something a little lighter.

Some columnists are smart enough to keep a file of funny or unusual things that happened during the previous year, so that they have a ready-made column just after New Year.

The only funny or unusual thing around our place is my filing system. I just took a look at it, eighteen inches high all over my desk, picked up my typewriter and moved to the dining-room table. There's nobody here but us crumb.

Whereby I decided to pass along some things that I consider amusing, with the hope that you will too. They're not original, and are culled from the centuries.

Here's Stephen Leacock describing an encounter with a pirate ship: "The two ships were brought side by side. They were then lashed tightly together with bag string and binder twine, and a gangplank laid between them. In a moment the pirates swarmed upon our deck, rolling their eyes, gnashing their teeth and filling their sails."

And as he relates the ensuing carnage: "I noticed one gigantic fellow brandishing a knotted towel, and striking right and left among our fellows, until Captain Bilga rushed at him and struck him flat across the mouth with a banana skin."

That's the humour of incongruity. Here's an example of the humour of heartlessness, of which a master was Harry Graham. Try writing some of your own.

The ice upon our pond's so thin  
That poor Mamma has fallen in  
We cannot reach her from the shore  
Until the surface freezes more.

Ah me, my heart grows weary waiting —  
Besides, I want to have some skating.

Another of his was:  
In the drinking-well  
Which the plumber built her  
Aunt Eliza fell;

We must buy a filter.  
Here's a touch of the ironic.

And I'd like to ask my friend  
Dr. Hackatetter to please note.  
"The denunciation of the  
young is a necessary part of the  
hygiene of older people, and  
greatly assists the circulation of  
their blood."

How about a couple from  
Ogden Nash, that great humorist  
in verse. This one's entitled  
Song Of The Open Road:

I think that I shall never see  
A billboard lovely as a tree.  
Indeed, unless the billboards

fall,

I'll never see a tree at all.

That's typically American in  
theme and content, but here's  
a little couplet of his that is  
symbolic and universal:

If you hear the scream of a  
panther  
Don't anther.

I can't resist one more Ogden  
Nash, and if you haven't read  
him, buy a copy. This is called  
Reflections On Ice-Breaking.

Candy

Is dandy

But liquor

Is quicker.

Then, of course, there's the

epigram, a very brief witty ob-

servation. Its master was Oscar

Wilde, who came to a bad end,  
in more ways than one. But our

sample will be from Hilaire

Belloc. Entitled On His Books.

When I am dead, I hope it

may be said:

His sins were scarlet, but his

books were read.

Isn't that a nice example of

the pun, as well as saying in

two lines something about the

monstrous pride of the writer?

Here's another by Belloc. It's

called, simply, Epitaph On My

Wife:

Here lies my wife.

Here lies she.

Hallelujah!

Hallelujah!

Hallelujah!

Then there is the limerick.

Some of the funniest (and

foolest) verses in the language

are found in this form. But this

is simply clever, or cleverly

simple.

The bottle of perfume that

Willie sent

Was highly displeasing to

Millicent;

Her thanks were so cold

They quarrelled, I'm told

Through that silly scent

Willie sent Millicent.

The fine art of satire has

fallen into lethargy these days,

except perhaps among political

cartoonists, where it is often

merely cruel, rather than witty.

But the Roman satirist, Martial,

wrote a verse that is just as

modern as it was 2,000 years

ago.

The golden hair Fabulla

wears

Is hers. Who can deny it?

She swears 'tis hers, and true

she swears

For I did see her buy it.

Many Canadians tend to take

life very seriously. I hope these

samples, ninety per cent of

which were taken from school

texts, will help dispell that pre-

occupation. So. Whether your

troubles are kids, or parents, or

old people, or unrequited love,

remember, you have only one

life. And this is it. Enjoy.

The Madoc Review

## REPORT

Four accidents resulted in \$6,050,000 property damages and one injury during the period from January 5th to 12th, 1973. Two "Careless Driving" charges and one charge of "Fail to Transfer Ownership" resulted from these accidents.

On Thursday a lady called to advise that her auto had just been stolen. It seems that she had left the car running and when she returned 15 minutes later the car was missing. At the time of this report the auto is still outstanding.

Also stolen over the past week were one set of markers for an auto, paper route money from one customer, and a purse containing a small amount of money and personal papers.

A charge of "Common Assault" was laid by one woman against her husband after a family dispute.

An estimated total of \$255.00 damage resulted from pranksters damaging the curling rocks at Madoc arena and also breaking a large window at one of the local businesses.

Two juvenile girls were reported as missing on Wednesday at 4:05 p.m.; some seven hours later the girls were located and returned to their respective parents.

Stolen property valued at approximately \$455.00 was recovered by one of the Madoc Detachment officers.

A charge of "Dangerous use of a Firearm" was laid against a juvenile after he had shot the window out of a vehicle which was occupied by a man.

Two "Having Liquor in a Public Place" and one "Minor Having Liquor" charges were processed at this office. Also one impaired driver was charged.

Ontario's new multi-year passenger vehicle licence plates are now available at all Ministry of Transportation and Communications Licence Issuing Offices.

There has been changes in the schedule of fees — \$40 for a 6-cylinder vehicle; \$32 for a 4 or less cylinder car. Expiry date for current licence plates is February 28th, 1973. Plan to get your 1973 licence plates early and avoid the long line-ups.

R. N. Dowe, Sergeant.

## OBITUARY

MRS. WARD HOLLAND

R.R. 5, Madoc

Resident of Huntingdon Township her entire life, Mrs. Annie Mary Holland, R.R. 5, Madoc passed away at the Belleville General Hospital on Saturday, January 13th, 1973. She was in her 86th year and had been in failing health for the past four years.

Born and educated in Huntingdon Township, she was the daughter of the late Mr. and Mrs. Zimri Curtis. She was predeceased by her husband, the late Ward Holland, one son Albert and two brothers.

She was a member of Bethesda United Church and was a past president of the U.C.W. and taught Sunday School for many years when health permitted. Fraternally, she was a member and Charter Mistress of L.O.B.A. No. 1193, Madoc.

Mrs. Holland is survived by one daughter, Ruby, R.R. 5, Madoc; four sons, Ernest of Eldorado; Kenneth of R.R. 5, Madoc; Burton of Gravenhurst; Roy of Campbellford and three sisters, Mrs. Edith Holmes of Tweed; Mrs. A. H. (Helen) Parks of Carthage, N.Y.; Mrs. Marguerite Sellers of Toronto and one brother, William Curtis of Tweed. There are 7 grandchildren and 3 great grandchildren.

The funeral was held on Monday afternoon, January 15th from the MacKenzie Funeral Home, Madoc to Bethesda United Church where service was conducted by Rev. D. W. Heard.

An L.O.B.A. Memorial Service was conducted in the Funeral Home on Sunday evening and was under the direction of Madoc L.O.B.A. No. 1193. Interment took place in White Lake Cemetery.

Bearers were: Leslie Blakely, Samuel Ray, Ernest Keller, Gordon Preston, John Wickens and Donald Keller.

## MADOC WOMEN'S INSTITUTE

The Madoc Branch of the Women's Institute began its first meeting of the new year with a Pot Luck dinner at the home of Mrs. Ken Gordon. There seems to be some magic in such a dinner, for without any planning by the president or by a Refreshment Committee, there is always a wonderful and abundant variety of delicious food! Sixteen members and two guests were present.

Their thoughts were taken away from icy, slippery streets by the roll call, which was naming one's favourite flower. High on the list was the red rose, lily of the valley, red carnations, while following close were the tuberous begonia, mayflowers, petunia, lady slippers, lilacs, zinnias, chrysanthemums and asters (because of their lasting property).

The February meeting will be at the home of Mrs. Hugh Empey (please note this change) and each member is asked to bring a hobby, either finished or unfinished, for a Hobby Display for this meeting on Cultural Activities. Should be interesting - if the pot luck dinner was an indication!

In her lively resume of the most recent Consumer Affairs magazine, Mrs. A. Bailey discussed the Handy Twins (Washer and Dryer), and Dry-cleaning Problems. The important things, she pointed out, are to know what can be done with a garment and how to recognize a trained cleaner. (e.g. who does not leave lint in cuffs nor small repairs undone.) As for hose repairs (vacuum cleaner hose, not nylon!), you should call your friendly department store and ask for a repair kit.

Very often an unknown travelling repair man takes advantage of the busy housewife. Carpets and rugs were talked about next and we were warned not to buy a cheap rug. It is better to have a bare floor if you cannot afford a good rug. And remember that "A poor carpet needs an underlay, while a good carpet deserves one."

Although the Fall Fair is a long way off, plans are already being made for it. The Institute has decided to offer a prize for the best Patchwork Quilt. So ladies, get out your patches these cold afternoons and see what you can devise. In the more immediate future will be the District Annual Convention to be held in Madoc this year, on May 24th, and the executive are busily making plans for it.

The category for this meeting was Family Consumer Affairs. The convener, Mrs. W. Roemer, chose as her topic, "Bread Is Life," pointing out that the

cake bell was rung in churches to announce the start of Pancake Day! Shrove Tuesday is still celebrated with pancakes. At the close of Mrs. Roemer's interesting talk, Mrs. A. Parks expressed the appreciation of all to her, and to the genial hostess, Mrs. Ken Gordon.

## BANNOCKBURN

Bible Study and Prayer Meeting was held Wednesday night at the home of Rev. McEwen.

Sunday callers and guests with Mrs. Donly were Mrs. Lola Donly and Colleen, Belleville, and Mrs. Lorne Donly.

Mrs. B. Sandford spent one day last week with her sister, Mrs. M. Simpson.

Mr. and Mrs. Jas. Nicholson called on the former's sister, Mrs. Thos. Sandford one day last week.

Mr. and Mrs. Thos. Draddy, Belleville, were guests of Mr. and Mrs. Harris, on Friday.

Mrs. Palmer and Mrs. Williamson attended a lady's meeting at the home of Mrs. Blanche Sandford.

DEADLINE JANUARY 20TH, 1973

WINNER ANNOUNCED IN JANUARY 24TH PAPER

SPECIAL ADMISSIONS PROJECT  
QUEEN'S UNIVERSITY  
FACULTY OF ARTS and SCIENCE

For the 1973-74 academic year, a maximum of 50 persons, who would not qualify under normal admission criteria, will be admitted as full-time students in the Faculty of Arts and Science, Queen's University, if they show potential for university work.

Eligibility: Applicants must have reached the age of 18 by September 1, 1973, and have completed a minimum of Ontario grade 10 or the equivalent. Persons who are presently registered as full-time high school students are not eligible. Preference will be given to persons under 21 years of age at the end of 1973, and to those who have not previously attended a university. Persons 21 years of age or older, who have not attended a university, may apply for admission under the Mature Student Regulation already in effect at Queen's University.

Selection: A variety of tests and other selection procedures will be carried out during March and April, 1973. Successful candidates will be chosen on the basis of ability, achievement, and motivation.

Deadline: Enquiries must be received by February 17, 1973.

QUEEN'S  
UNIVERSITY  
at Kingston Ontario

## LOOKING BACK ...

50 YEARS AGO  
January 27, 1923

Mr. Atkin, Agricultural Representative for this county, is putting on a course of studies in the Town Hall, Madoc. In this weeks issue of "The Review" will be published a synopsis of this short course in Agriculture and Domestic Science. Special this advertisement it is to be hoped will address the students and furnish the very latest information on the various matters that come before the class. This is the most comprehensive course of studies that has ever been offered to the people of this district and it is to be hoped that the people will show their appreciation of Representative Atkin's desire to bring the results of the very latest experiments of our Agricultural colleges before the farmer and poultry men of this section of the county. The Post Goldsmith has said, "The head that thinks will rule the hand that toils". We say the greatest combination in the world is the thinking well informed mind directing the skilled hand. Attend all these lectures if you can. If you cannot attend all these lectures attend as many as you can. Show by your presence at some part of this course at least that you are anxious to obtain the latest information about your chosen vocation and that you have a mind free enough from prejudice to receive that knowledge. Knowledge is about the only thing that the tax collector or can't say his greedy hands on, will last as long as life itself and can be cashed in on almost every operation. The intelligence of Madoc and of the farmers of this district will be gauged by their attendance at this course of lectures.

A very pleasant event took place on Thursday evening last at the home of Mr. Geo. Huffman, when a number of the friends of Miss Ida Jarvis and Mr. Newel Broad met and showed them with many useful and handsome articles, which consisted of chips, glass, linen, etc. A very enjoyable evening was spent in games and music, after which refreshments were served. The young couple were completely taken by surprise but when called on for speeches did so in a few well chosen words. Their friends wish them all prosperity and happiness in their future married life.

Lost — Bead purse containing diamond ring and four tickets to Empire Theatre. Person finding same may keep ring, but kindly return tickets to Empire Theatre.

Queensboro — Much sympathy is felt for Mr. and Mrs. R. Eaton in the death of their little son Kenneth, the result of accidental scalding. The funeral was conducted by Rev. T. Hall on Sunday afternoon.

The new chemical engine purchased by the Madoc Council came yesterday and its running powers tested. A great deal of snow has fallen during the last few days which makes travelling on our streets very heavy. Yet our new engine stood the test remarkably well being able to ascend some of our steepest hills with apparent ease. The residents of those portions of Madoc that were without any fire protection by bucket brigades will welcome this new friend and those portions of Madoc that were within easy reach of our steam engine will gladly welcome the addition of the chemical engine as an able assistant to a fire fighting force. It is to be hoped the very best housing, the most convenient for operation and the very best officers for handling our fire equipment will be placed in charge, because no matter how good an instrument may be, to be of the highest service it must be intelligently directed.

24 YEARS AGO  
January 20, 1949

Suffering severe burns when the coal oil, which she poured on the kitchen fire exploded, 18-year-old Geraldine DeClair, daughter of Mr. and Mrs. H. DeClair, Queensboro, five miles north of here, is in critical condition in Belleville General Hospital. Miss DeClair was stated to have been pouring coal oil from a can into the kitchen stove to replenish the kitchen fire to prepare the evening meal. The oil exploded as it touched the live embers in the stove and spattered flaming oil over her face, arms, legs and body. The DeClair residence also caught fire as result of the explosion but the blaze was extinguished with little more than smoke damage resulting. The critically burned girl was given first aid by Dr. S. R. Beatty, local doctor, who immediately ordered her to Belleville Hospital, where she is now under the care of Dr. G. H. Stobie. Dr. Stobie today described the girl's condition as critical. The burning girl was taken to Hospital by Bush's ambulance of Belleville.

A real estate deal of some importance was completed during the past week, when Madoc Branch 363, Canadian Legion, purchased the property of Mr. R. F. Bristol, on St. Lawrence Street East, where the building occupied by Carwell's Billiards is situated. This property extends 99 feet to the south and is the intention of the local Legion to erect a hall on the rear of the property in the near future. For this purpose the Legion has set up the Madoc Veterans' Memorial Hall Building Fund from which the project will be financed.

Reeve E. Arthur McCarey, of Tweed, was yesterday elected Warden of the County of Hastings for 1974. He succeeds ex-Warden George West, Madoc Village, who retired from municipal life at the end of 1948. Warden McCarey, who is starting his fifth term in County Council, is one of the youngest officials to receive the highest honour the County can bestow. He is the second Warden elected from Tweed since its incorporation as a village in 1891. The first was the late ex-Warden Sam Rollins, who held the office in 1928. Now starting his fifth term as a County Councilor with the highest office the County can confer on one of its council members, Warden McCarey entered municipal life eleven years ago when elected a member of the village council. He served his village in that capacity for the next six years and was honored with the reeve ship, and since has represented it on the County body.

A much needed addition to winter enjoyment in Central

Ontario area is the opening of the Belmont Ski Club at Belmont Lake which is six miles from Havelock on the Cordova Road. Several fine runs have been made and a commodious log chalet with a fire place and furnished in pioneer style has been erected. A tow is being built but will not be completed this season.

Wedding — Grace United Church, Napanee, was the setting of a charming double-ring ceremony on Saturday afternoon, January 8th, at 3 o'clock, when Barbara Jean, daughter of Mr. and Mrs. Gerald Johnston, of Robert Street, Napanee, became the bride of Dr. George Lashley Mullin, of Madoc, son of Rev. and Mrs. W. D. Mullin, of Westport. The ceremony was performed by the Rev. C. D. McLellan, who was assisted by the groom's father, Rev. W. D. Mullin.

15 YEARS AGO  
January 23, 1958

An unknown person or persons damaged about 15 car radios during the Madoc - Bancroft hockey match last Friday night. Both Madoc and Bancroft cars had their aerials either bent or broken. What anyone could hope to gain by this useless destruction is beyond one's imagination. It is only hoped that if the guilty parties are apprehended, they will be adequately dealt with. Both the Kiwanis Club, who operate the rink, and the Madoc Hockey Club regret this unwarranted destruction and are taking steps to see that it won't happen again.

The following are the results of the election in Madoc Township for School Area Trustees. Blakely and Ferguson were elected. Riggs - Bailey, 22; Blakely, 21; Ferguson, 31; Johnston, 19. McC - Bailey, 27; Blakely, 21; Ferguson, 63; Johnston, 7. T. Hall - Bailey, 94; Blakely, 115; Ferguson, 63; Johnston, 77. O'H - Bailey, 12; Blakely, 8; Ferguson, 15; Johnston, 20. Total - Bailey, 155; Blakely, 165; Ferguson, 162; Johnston, 123.

On Monday night of this week, before the smallest crowd of the season, Madoc continued their winning ways as they outscored the Campbellford Tirmen 5-2 at the local arena. On beautiful ice, it was easy the fastest game of the year, as players of both teams raced up and down in a very cleanly played game, with Referees Ned Viterall and Bud Kingdom, of Peterboro, handing out only 11 penalties, all of the 2 minute type, with Campbellford getting 6 to the Blue & White's 5.

As a result of orders issued by the Board of Transport Commissioners for Canada, authorizing The Bell Telephone Company of Canada to make

changes in its rates on January 31st, 1958, and to place the Madoc local calling area in a higher rate group, the rate for two-party residence telephone service will be increased twenty cents and the one-party residence line rate will be increased thirty-five cents monthly. The increase for one-party flat rate business service is ninety cents monthly and for two-party business service, seventy cents monthly.

First representative from his township since 1893 to be named head of Hastings county council, Reeve Lloyd "Bud" Price, 37, of Elzevir and Grimsby townships, was elected county warden yesterday as council members met for their inaugural session at Shire Hall. Warden Price defeated Reeve Tracey Adams, of Duncannon township, in a straight fight for the wardenship. Later, in open council, councillors made the choice unanimous. He succeeds 1957 warden Leslie McLaren. Reeve Price is only the third representative from his township to be named warden in the history of the county, and is the first since 1893, when the late F. J. Thompson had the honour.

It is reported that Marmora Mining Company at Marmora has completed a record year, with 504,000 tons of high grade ore pellets produced in 1957, compared to 306,000 tons in 1956. Present payroll includes 309 employees. The mine is the third ranking iron ore producer in Ontario.

## ST. JOHN'S A.C.W.

The Annual Meeting of St. John The Baptist A.C.W. was held at the home of Mrs. Mary Barton.

The president opened the meeting and Mrs. Kay Thompson was in charge of devotions along with Mrs. Dorothy Empey.

The minutes were read and approved. The treasurer, Mrs. Velma Carman gave her Annual Report. Financially, it was a very successful year. Correspondence was read and dealt with.

The president, Mrs. Mary Barton thanked everyone for their help and support during the past year. Mrs. Kay Thompson then thanked Mrs. Barton for all she had done during the past year.

Mrs. Barton read a letter from our Rector Rev. Thompson in which he expressed his appreciation to the ladies for all they had done for their church, and extended God's Blessing on all future endeavours.

The president declared all offices vacant and Mrs. Kay Thompson conducted the election of officers which resulted as follows: President, Miss Luella Phillips; Vice President, Mrs. Dorothy Empey; Treasurer, Mrs. Velma Carman; Secretary, Mrs. Elvi Brownson;

Social Service, Mrs. Anne Griffin; Devotions, Mrs. Kay Thompson; Advertising, Mrs. Kay Thompson and Mrs. Elvi Brownson.

Miss Luella Phillips took over the meeting and after much discussion it was decided that a noon luncheon be held on January 23rd in the Eastern Star Rooms and a Valentine Tea on February 14th.

The next meeting will be held at the home of Mrs. Kay Thompson on February 6th.

The hostess served a very delicious lunch and was thanked by all. A social half hour followed.

## THANK YOU

Your contribution to Christmas is gratefully acknowledged and will be directed towards the fight against tuberculosis and other respiratory diseases.

Your Hastings-Prince Edward TB and RD Association.

## NOTICE County Of Hastings

NOTICE IS HEREBY GIVEN that the Corporation of the County of Hastings will apply to the Legislative Assembly of the Province of Ontario at its next Session for private legislation to provide as follows with respect to the composition of and votes on the County Council in the year 1974 and subsequent years:

1. Notwithstanding subsections 1 and 2 of Section 27 of The Municipal Act, membership on the council and the votes of such members shall be as follows:

- Where a local municipality has less than 2,500 municipal electors, the reeve only shall be a member of council and shall have one vote.
- Where a local municipality has not less than 2,500 and not more than 5,000 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have one vote.
- Where a local municipality has more than 5,000 but not more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council; the reeve shall have two votes and the deputy reeve shall have one vote.
- Where a local municipality has more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have two votes.

DATED at Belleville this 20th day of December, 1972.

RONALD W. GARR, Q.C.,  
27 Campbell Street,  
P.O. Box 185,  
Belleville, Ontario.

## QUEENSBORO

Mrs. George Gordon returned  
home on Wednesday after  
spending several months in  
Belleville General Hospital.

Mr. and Mrs. Don Martin and  
family, Fitzroy Harbour, spent  
the weekend at the home of  
Miss Roberta Seger.

Mr. Ralph Franklin is a  
patient in Belleville General  
Hospital.

## ENGAGEMENTS

Mr. and Mrs. Douglas M.  
Pogue are pleased to announce  
the engagement of their daugh-  
ter, Lynda Lee, to Mr. Brian  
John Sarginson, son of Mr. and  
Mrs. Claude Sarginson of Ban-  
croft, Ontario.

The wedding will take place  
Saturday, February 24th, at  
St. Peter's Presbyterian Church,  
Madoc, Ontario.

## CARDS OF THANKS

I wish to thank the ladies of  
St. Bartholomew's Anglican  
Church, Bannockburn for the  
two beautiful parcels they pre-  
sented to me at Christmas, and  
their many cards. Also the card  
from Eldorado United  
Church Women and to Rev.  
Thompson for the basket of  
fruit.

Edelene Lloyd.

We wish to express our sin-  
cere thanks to our friends and  
neighbours at West Huntingdon  
and Ivanhoe for the purse we  
received since we moved to  
Belleville. Your thoughtfulness  
will always be remembered.

Sincerely,  
Joyce and Bill Donnan.

We would like to thank all  
our friends, neighbours and  
relatives for all the shower and  
wedding gifts we received. All  
gifts were greatly appreciated.  
Will and Barbara (nee  
Bronson) Preston.

IN MEMORIAM

BLACKBURN - In memory of  
a dear husband, father and  
grandfather, Clayton Black-  
burn who passed away Janu-  
ary 17th, 1970.  
Wonderful memories woven in  
gold,  
This is a picture we tenderly  
hold,  
Deep in our heart a memory is  
kept,  
To love, to cherish, to never  
forget,  
We mention your name and  
speak of you often,  
God bless you Clayton you're  
not forgotten.  
Always remembered by wife  
Violet and family.

Fri., Jan. 19th - Campbellford at Madoc (8:15 p.m.)

Sat., Jan. 20th - Madoc at Bancroft (5:00 p.m.)

Juvenile — Thurs., Jan. 18th - Warkworth at Madoc (8:30 p.m.)

## MADOC MIXED BOWLING

Last weeks cold weather failed to cool off the Volunteers who came through with a solid effort to take a 5-2 split from the Happy Gang. Joe Bossio 671 (235, 223), Donna Love 664 (255, 234), Betty Woodcock 618 (216, 211) and Sholla Bird 598 (228, 213) were tops for the winners. The Booths led the losers with Jack at 594 (212, 205) and Lorraine at 594 (212, 205) but Jay Caverly's third game of 251 was the one that saved the Happy Gang from a shut-out. Leland Richardson led his Misfits to a 5-2 win over the Kingspins with a nice 674 (287, 236) with help

from Kathy Lowry 645 (255, 229) and Don Forestell 597 (223). Leon Bernier was the only shining light on the Kingspin team with a strong 693 (206, 236) effort. The league leading Twisters had an off night and were lucky to avoid a shut-out as the Lucky Sevens came away with a 5-2 win. Ruth and Gord Holmes led the way with Ruth hitting for a neat 674 (261, 210) and Gord 574 (216, 203) to make the difference in this set-to. Joe Foley was best for the losers with 595 (224, 222) with Ellen DeClair's second game of 221 helping to salvage 2 points. The mens high average race tightened up with Jack Booth taking over the lead from Leo Coveney by a few pins 215 to 214 with Joe Bossio getting in to contention with 211 followed by Leon Bernier 203, Joe Mallia 198 and Joe Foley 183. This contest should be a real battle right down to the wire. Donna Love is making her presence felt since joining the league and now leads the ladies with a 193 average with Ruth Holmes 192, Betty Woodcock 187, Carol Paraniuk 183, Betty Stevens 182 and Pearl Foley 177 still in range.

## FRIENDLY HINTS

EFFICIENCY PAYS  
THE FARMER

In many manufacturing plants, efficiency experts are constantly checking work or production flow to try to achieve maximum efficiency. These men try to find the least number of steps they can get a job done. All of us in agriculture could "take a leaf from their book".

For example, many dairymen have found that some simple improvement such as changing the routine for handling utensils during milking, can make a noticeable reduction in the time needed to do the job without adding to equipment costs or making the work any harder. It often actually makes it easier. With any kind of livestock or poultry the difference may be a change in feeding routine, or in other chores.

Regardless of how efficient you think your own operation may be, perhaps you should take a critical look at it. Keep track of how far you walk during chores — you may be surprised how far it actually is. You might also be pleasantly surprised to find there are other ways of doing some of the same jobs with fewer steps or less lifting, or less of some other time consuming operation.

Many farmers have found that it is not too hard to cut chore time half an hour or more per man per day. Over a year that adds up to a lot of saved time and reduced cost. If it is your own time that is saved, it could mean extra (and badly needed) leisure time, or time to work on a better bookkeeping system. If it is a hired man's time, it could mean a good deal of extra productive work. The time saved is only worth the value you place on it.

And here's where good farm management ties in with top efficiency. Do you produce enough "productive man work units" for the number of people working on your farm? That's another question we might look at some time.

Madoc Co-operative  
Association

## ST. PETERS W.M.S.

Mrs. Hawkes was hostess for the January meeting of the missionary society. There were nine members present.

The president, Mrs. Bailey read a quotation from the Glad Tidings for the call to worship. The hymn, "Through all the changing scenes of life," was sung with Mrs. Blakely as pianist.

The meditation, written by Mrs. Laura Burnett, entitled, "A New Year's Challenge" was read followed by a poem, "The Path Ahead". The hymn, "Come, let us sing of a wonderful love," was sung and prayer was offered to close the devotional period.

Roll call was answered by a verse of scripture containing the word "storm".

The president announced that the Annual Meeting of the Kingston Presbytery would be held Wednesday, January 17th in St. Andrew's Church, Belleville.

The story of a former member of our society was read by Mrs. Ora Reid. Mrs. Mary McQuarrie who lives at Adanack Apartments in Scarborough, has donated much of her energy for many years to missionary projects. Being anxious to express her concern for others, she gathered a group of ladies from the apartments, who have talent in needlecraft, and together they make articles to be sent to those in need.

The hymn, "Standing at the portal" was repeated in unison. Due to the illness of the minister, Mrs. Hawkes installed the officers for the new year. Appropriate scripture passages were read. A challenging thought for 1973 was presented in a story, urging members to use their hands to do something worthwhile for others. Prayer was offered to close the meeting.

Lunch was served by the hostess and her assistants, Mrs. Thomas Deline and Mrs. Cecil Woods.

## COOPER

Saturday night supper visitors of Mr. and Mrs. Fred Stein were Mr. and Mrs. Larry Reid and boys, Bannockburn and Miss Linda West, Madoc.

Weekend visitors at the home of Mr. and Mrs. Fred Stein were Mr. and Mrs. Homer Woodruff, Port Gervais, N.Y. Mr. and Mrs. Norman Stein, Belleville, Mr. and Mrs. Kenneth Genrick and David, Palmer

Rapids.

## QUEENSBORO W.I.

Mrs. John Thompson was hostess for the January meeting of the Queensboro Branch of the Women's Institute, which was held in her home, on Wednesday evening, January 10th.

The President, Mrs. Roy Collins opened the meeting with a poem, "Believe in Yourself", followed by the Ode and Mary Stewart Collect.

The roll call was answered by, "an Industry in Hastings County and where it's located", showed 15 members and one visitor present.

There was a short business discussion and correspondence was read. Thank you cards were read from the Alexander family and Miss Frances Laton.

Current events were given by each member. Mrs. Harry Declair, convener for Agriculture and Canadian Industries, was in charge of the Program. Several members gave short readings, namely care of gift plants. Homemade toys and a new industry in Alberta, "Turning straw into building panels", which was very interesting. Mrs. Declair displayed a crocheted shawl, which was very beautiful. Mrs. Arthur Holmes gave a reading, "How to make a cake."

Plans were discussed for our family night which will be held in February. The meeting closed with the Queen and closed was served by the hostess and her assistants.

## TRINITY U.C.W., UNIT 1

Twenty-one members and seven visitors of Unit 1, U.C.W. attended a Pot Luck Dinner at twelve-thirty at the home of Mrs. Ken Gordon for the January meeting.

At 2:00 p.m., Mrs. Perry Brownson, unit leader opened the meeting with a poem, "Thoughts on Time". "Hymn 16", Psalm 117 was repeated and a warm welcome was given to all present.

Mrs. L. Bennett conducted the worship service with the theme on "Beginnings for the Year". Hymn 571 was sung. Scripture was taken from 1st chapter of Genesis. Verses 1, 26 and 31 were read. The offering was taken and dedicated by Mrs. Bennett, closing with prayer.

The minutes were read and approved and the roll call was answered by paying of fees or "New Ideas for the Year". The Feb. roll call is to be answered with your favourite recipe.

The treasurer reported \$82.30 for December '72. Correspondence was read and 57 house and 15 hospital calls were reported by Mrs. Bruce Embury.

Mrs. Clarence Farrow had charge of the programme. She gave a very interesting portion of the Study Book on India. Dr. and Mrs. McClure have spent 45 years overseas helping with the outreach of the church. She also told how many things we get from India.

Mrs. Brownson closed the meeting with prayer.

**Struvite Crystals in canned fish....**

Canned shrimp, tuna, salmon and many other sea food products sometimes contain small fragments of a substance which at first glance resembles glass. These crystals, called struvite, are harmless and are formed in much the same way as sugar often forms crystals in syrup or preserves. The components of struvite crystals occur in many of our foods and are a valuable food element.

Struvite crystals may look like glass but are soft and can be easily crushed to a powder with the thumb-nail. In case of any doubt, test them with a little vinegar or lemon juice and they will dissolve in a few minutes. Glass, of course, would not dissolve at all.

## SENIOR CITIZENS REPORT

by Mary Ann Holmes

The members of Senior Citizens Club No. 473 of Madoc and District held their second meeting of the new year at the United Church basement on Wednesday, January 17th. In the absence of President Mrs. Broadworth, the meeting was chaired by Mrs. Vera Holmes, Vice-President. Mrs. Holmes spoke a word of welcome to all and read an inspirational poem. The Lord's Prayer was repeated in unison.

Forty-seven members signed the attendance book. The minutes of the previous meeting were read by Secretary Mrs. Johns. Correspondence was dealt with and a number of "Thank You" notes were read from people who had received cards at Christmas.

Mrs. Kelly, on behalf of the residents of the Madoc Manor Nursing Home, thanked the Club for the plant received at Christmas and mentioned that it was being greatly enjoyed.

Mr. Johns gave a satisfactory Treasurer's report. A number of items of business were discussed and plans were made for a Bake Sale to be held at the Kiwanis Centre during the Winter Carnival.

The meeting was then given over to Mrs. Moorcroft, program convener. "The More We Get Together" was sung and Mrs. Moorcroft conducted a lively sing-along with Mrs. Reik at the piano. A delightful monologue, "Mrs. Simkins Makes a Speech", was given in fine style by Miss Adams and caused much merriment.

A harmonica and piano duet was played by Mrs. M. Holmes and Mrs. P. Blakely. Humorous readings were given by Mrs. Bateman and Mrs. Margaret Blakely. Mrs. G. Moorcroft gave two humorous recitations. Mrs. A. Empey played a piano solo which was very lovely and greatly enjoyed. Mrs. Holmes, Mrs. Moorcroft and Mrs. Blakely sang several numbers. Mrs. Moorcroft then conducted a quiz on "Members of Parliament".

A cup of tea and a social half-hour brought this pleasant afternoon to a close.

The next meeting will be held at the usual time and place on Wednesday, January 31st. The lunch committee for this is to be Mr. Johns, Mrs. Johns, Mrs. Elizabeth Empey, Mrs. Nettie Alexander, Mrs. Laura Carman and Mrs. Bob McCoy.

## Agriculture And Food Staff Changes At Stirling

The end of 1972 brought two staff changes to the Stirling office of the Ontario Ministry of Agriculture and Food. The first change concerns the Home Economist, Miss Jean M. Scott, Supervisor, Junior Extension, for the Home Economics Branch has announced the appointment of Miss Kate Ann Wahl as Home Economist for the County of Hastings. Miss Wahl's home is in Toronto. She is a graduate of North Michigan University. She succeeds Mrs. F. Elaine Struthers who resigned from the Ministry effective the end of December. Miss Wahl commenced her duties in mid December and is already conducting 4-H Home-making Leaders Training Schools.

The second change concerns the Extension Assistant. At the end of December Ray Pender, who was serving his 5th year on the county staff, resigned to return to the home farm in Renfrew County. Ray is entering a Father-Son partnership which is quite typical of many of the arrangements now occurring in Hastings County. On January 9, 1973, Mr. A. G. Bennett, Director of Extension announced the appointment of John J. Paul as Extension Assistant for the County of Hastings. Mr. Paul comes from Almonte. He is a graduate of Kemptville College of Agricultural Technology. Since graduating he has worked at the Kemptville College and he worked during the summer of 1972 on the Urban-Rural Program of the Ontario Ministry of Agriculture and Food. His home farm is a dairy farm. He has a past history of active participation in 4-H and Junior Farmers plus other community groups.

Both of these new staff members will be providing direction and leadership to a large and growing 4-H program in the County of Hastings.

## Grant Approved For Flood Prevention Work

The Honourable Leo Bernier, Minister of Natural Resources and Mr. Clarke T. Rollins, M.P.P. for Hastings, announce the approval of a provincial grant in the amount of \$1,000.00 to the Moira River Conservation Authority for channel improvement on Deer Creek immediately upstream in the Village of Madoc.

This work will involve the removal of the accumulated silt and debris which creates a flood hazard in the vicinity of Seymour Street.

The Village of Madoc has been designated as the major benefiting municipality and will pay the major share of the Authority's cost.

## TOPS NEWS ON1146

A loss of 3 1/2 pounds made Lilla Smider Queen for the Week at the Tops Club ON1146. Lilla received a rose for her accomplishments.

The total losses for the week were 12 pounds and the gains were 11 1/2 pounds.

Starting this week, a member will read off exercises for those who would like to participate.

## Mrs. Bateman's Visit To C.H.S.S.

(By Brenda Ashe)

On Monday, January 15th, 1973 the Special Education Girls had the pleasure of the company of Mrs. Ken Bateman in their class. Mrs. Bateman talked on the subject of Scrapbooks.

She was trying to get as many people interested as possible. She told the class that she started collecting pieces from the paper in the 1920's. Her first scrapbook was started in 1939. The scrapbooks that she brought with her were on Belleville, Centennial and Poems. Fern Vezina welcomed the guest and also thanked her. The social time was convoked by Shirley Hartin and Sherry Holgate.

## BIRTH

HOWARD — Jack and Lorraine (nee LaPalme) are pleased to announce the birth of their son, Scott Ian, at the Belleville General Hospital, on Sunday, January 7th, 1973, weight 9 pounds. First grandchild for Mr. and Mrs. John Howard and first grandson for Mrs. Betty LaPalme.

## POST FAMILY PLAN SERIES OF SHOWS FOR MADOC

A special treat is in store for country music lovers of the area — four live shows of the Singing Post Family who will be appearing right here in Madoc during the next two months.

Tentative dates for the shows are February 4th and 18th and March 4th and 18th, the second show coinciding with the final day of the annual Winter Carnival here.

All four shows will be taped live by Hastings Cablevision and Campbellford Cablevision, to be edited all together on one tape for showing at a later date.

Organiser of the group, Norman Post, reports that each show will feature a different guest performer, starting off with the local talent of Billy Toms for the initial show. The appearances will all take place in the Kiwanis Centre.

Tickets will be available at Piggden's Radio & T.V. beginning this weekend. With the limited number available, persons who do not wish to be disappointed are advised to buy their tickets early.

A special treat is in store for country music lovers of the area — four live shows of the Singing Post Family who will be appearing right here in Madoc during the next two months.

Tentative dates for the shows are February 4th and 18th and March 4th and 18th, the second show coinciding with the final day of the annual Winter Carnival here.

# JACK ELLIS MAKES MOTION FOR INCREASE OF LOANS

## GIRLS ADVISED TO ENTER SNOW QUEEN CONTEST EARLY

The L.O.O.P. and Rebekahs are busy making final preparations for their sponsorship of the annual snow queen contest in conjunction with the Madoc Winter Carnival of February 18th, 17th and 18th.

Mrs. Ruby Danford will be receiving applications this year and would like to remind all interested girls that only the first 12 entries will be accepted. They are, therefore, advised to submit their names as early as possible.

To be eligible for the contest, girls must be from 14 to 18 years of age and must live within a ten-mile radius of Madoc.

The judging will be held on Thursday evening, February 15th, at eight o'clock in the Madoc Public School gym. Each contestant will receive a gift and a corsage. A queen and two princesses will be selected. The queen will be presented with a bouquet of flowers and a cash gift of \$50.00, and both princesses will receive \$25.00 cash prizes.

More information appears in the advertisement inside this issue.

## HUNTINGDON COUNCIL HOLDS INAUGURAL MEETING

The Inaugural Meeting of the Township of Huntingdon was held at the Township Hall at 12:30 p.m. on Tuesday, January 22nd, 1973.

The following elected members took their Oaths of Office: Reeve George Wood, Deputy Reeve Harold Thompson, Councillor Glenn Franks, Councillor Arthur Miller, and Councillor Ted Pollock.

Mr. Wood addressed the newly elected members of the Council.

Harold Thompson thanked Rev. Heard on behalf of the Council members.

Thompson — Miller — that the Council go into a Committee of the Whole on By-laws with the Reeve in the Chair.

Franks — Pollock — that by-law No. 1030 - entitled a by-law to appoint officials and members to committees for the year 1973 be given three readings, passed, signed, sealed and numbered.

Miller — Thompson — that a by-law be prepared to set a date for regular council meetings which will be the second Thursday of each month at the hour of 8:00 p.m. at the Township Hall.

Thompson — Franks — that by-law No. 1031, a by-law to authorize the Temporary borrowing of \$25,000.00 when necessary be given three readings and passed, signed, sealed and numbered.

Pollock — Miller — that Council revert to general business.

Miller — Pollock — that Harold Thompson be appointed representative from the Township of Huntingdon to the Moira River Conservation Authority for the year 1973.

Miller — Franks — that Russell Sills be appointed to represent the Township of Huntingdon on the Lower Trent Conservation Authority for the year 1973.

Miller — Thompson — that the Council adjourn to the call of the Reeve and the next regular meeting will be held on February 8th, 1973, at 8:00 p.m.

Following a strong attack on the Industrial Development Bank in his maiden speech in Parliament on Tuesday, January 16th, Jack Ellis, M.P., Hastings brought before the House of Commons a motion to increase the limit of small business loans from \$25,000. to \$75,000. on Monday.

Speaking to the motion, Mr. Ellis said that the main reason for bringing forward the motion was to allow a different avenue for small businessmen who need capital to establish or expand a business. In this modern day, \$25,000. which is the maximum now allowed under this legislation, is not enough to allow for any significant business expansion, he said.

Loans under the act may be used for any type of business. Rural general stores, vacation resorts, lumbering, motels, garages, cleaning establishments, are a few of the usual uses.

The Industrial Development Bank which Mr. Ellis pointed out, takes far too long to approve or deny loan applications, could now be challenged in a much larger way by the chartered banks if this legislation passed.

\$6.00 per year in U.S.A.

Payable in advance.

**MAURICE GOULAH, Publisher**  
**MRS. CAROL PARANUIK, Editor****County Council Continues  
To Oppose Regionalization**

Hastings county council

should continue its stand  
against the possible introduction  
of regional government in  
this area.This is the view of newly  
elected warden Reeve Horace  
Casey of Thurlow township  
who in his inaugural address  
Tuesday urged council members  
to exhibit a firm determination  
to serve their respective  
municipalities and the county,  
to show they are capable of the  
job to which they were elected  
and to demonstrate to the  
higher levels of administration  
that there is no need for regional  
government in Hastings.Only by demonstrating interest  
in municipal affairs could  
the county survive the threat  
of regional government he said.The new warden had no predictions  
for the coming year but said  
that with all members working  
with each other and with the  
administration staff, 1973 would  
be a successful year.He said, however, that planning  
was high on the county's  
priority list.Planning, he said, is serious  
business and difficult at times  
to administer but with foresight,  
patience and courage he was  
confident the county could  
plan wisely for the future.The new warden was elected  
over Deseronto Reeve George  
Lyons at a caucus session at  
the opening of the inaugural  
session.He was escorted to his chair  
by two past wardens — Reeves  
Kenneth Smith of Elzevir and  
Grimthorpe and Calvin White  
of Duncannon — the only two  
former wardens still on county

council.

The oath of office was given  
by provincial Judge J. L. Clendenning,  
while the chain of office  
was presented by Reeve  
Lyons. Invocation was by Rev.  
Jack Morrison.It was standing room only  
in the gallery section of the council  
chambers for the inaugural  
session.Present for the ceremonies  
were members of the new  
warden's family, Thurlow, council  
and township staff members  
and no less than 13 former  
wardens no longer in public  
life."I am looking forward to  
planning together for the future  
of the city and the county," she  
said."Hastings MPP Clarke T. Rollins  
made it known that he  
would continue his campaign to  
see Hastings County Council  
remain as a governing body as  
long as possible.He said he would not concede  
that Hastings was not in a favorable  
position not to carry on  
as a county government, and  
said that county co-operation  
with the city in past years bore  
this out.Referring to rumor that with  
the advent of regional government,  
Hastings would be divided  
north and south, Mr. Rollins  
assured this never would be  
done with his approval."Hastings county has operated  
in a successful manner over  
the years and has a record of  
which to be proud," he said.Then, apparently conceding  
that regional government was  
inevitable for some time in the  
future, Mr. Rollins said he did  
not expect this to come about at  
least before 1976.**"THE HASTI-AGRI-GRAM"**(Published by The Hastings  
Farm Service Club  
in co-operation with the  
Ontario Ministry of  
Agriculture and Food)This is the first newsletter of  
the year and it lists the activities  
that are coming up in  
January. There is a fairly full  
program through the winter  
months that should take care  
of most of the needs of farm  
operators in Hastings County.  
This year the Farm Business  
Course is continued in co-operation  
with Canada Manpower.The first course started in  
Campbellford on January 8th  
with 35 people. The second  
course will start in Belleville  
on February 5th with between  
25 and 30 students. For the  
first time, this program has  
been aimed at a special group,  
in this case, for 1973, it is  
dairy farming.The Quinte Farm Conference  
covers some pretty important  
topics. A look at the program  
shows the first morning deals  
with silo system and it should  
prove to be an interesting comparison.  
The afternoon of the same day  
will be devoted to the  
Land Use and all the things we  
hear about planning. Because  
it is not something everybody  
deals with from day to day, it  
is often left without much  
consideration until the problem  
is forced on rural land owners.  
It could well be the most important  
problem of the farm  
operator in the balance of the  
70's. The second day of the  
Farm Conference is a Dairy  
Day. Again an excellent program  
has been set up to inform  
dairy farmers in the Quinte  
area with most up to date information.  
Full details on the  
Quinte Farm Conference are in  
the leaflet.We have listed the tentative  
date for the Hastings Farm  
Service Club Annual Meeting.  
Members will be advised of the  
final arrangements the week of  
January 15th. Members are also  
reminded that their membership  
fee of \$1.00 is now due and  
payable for 1973. It should be  
noted that this is a county  
organization that covers all the  
main activities other than marketing  
in Hastings County. Any farmer  
can join the organization  
and be placed on the mailing  
list. It is simply paying a fee  
at the county office in Stirling.**SPECIAL MENTION**Congratulations are extended  
to W. Frank Jeffs and Son of  
Stirling. They have been awarded  
the Master Breeders' Seal  
by the Holstein Friesian Association.  
The presentation will be  
made at the Annual Meeting in  
the Royal York Hotel, Toronto  
on February 14, 1973. The  
Hastings Holstein Club are suggesting  
and planning to get as  
many members to the Annual  
Meeting as possible. In view of  
unknown weather they recommend  
that members take the  
8:05 a.m. train out of Belleville  
so they can be at the Annual  
Meeting for this presentation. It  
should be noted that return  
train leaves Toronto at 5:00  
p.m. arriving in Belleville at  
approximately 7:00 p.m. Further  
information can be obtained  
from the President, Mac Sharp  
or Secretary-Treasurer, Keith  
Donnan.In the case of the W. Frank  
Jeffs & Son herd, it is now  
known as the Ross Jeffs herd.  
The achievement is a result of  
the work carried out during the  
father and son partnership. We  
don't have accurate records  
readily at hand, but as near as  
we can tell this is only the second  
time that the Master  
Breeders' Seal has been awarded  
in Hastings County. It is a  
considerable achievement that  
all dairy farmers in the county  
should recognize as a standard  
of excellence. The county office  
joins with the county dairy  
farmers in extending congratulations.**TAX REFORM AND  
THE FARMER**Is income tax filing a concern  
for you? Do you understand the  
tax advice that you are now receiving?  
Are you familiar with the  
recent changes in tax legislation?A course has been designed  
to give information on many of  
the things farmers should consider  
when filing income tax.  
The course will consist of 5  
sessions. Topics to be discussed  
include: Session 1 - Outline of  
specific changes in new tax legislation;  
Session 2 - Special Tax  
Provisions for Farmers; Session  
3 - Capital Gains and Valuation  
Day; Session 4 - Becoming  
familiar with New Tax Forms;Session 5 - Estate Planning for  
Farmers.During the course, there will  
be an opportunity to discuss  
basic needs, averaging, depreciation  
methods, quotas, capital  
grants, accelerated depreciation  
on grain storage, permissible  
business deductions, personal  
exemptions, new tax rates, wills,  
gifts, succession duties, registered  
retirement savings plan.  
The list could go on forever to  
include all things in the package  
on "Tax Reform and the  
Farmer".Courses will be presented in  
the following locations:Madoc — starting Wednesday,  
January 31st and held on  
the afternoons of February 5th,  
7th, 12th and 14th. Time 1:30  
p.m. Location - Sacred Heart  
Parish Hall, Madoc. The courses  
will also be held in Campbell-ford, Brighton, Picton, Napanee,  
and Belleville.Chartered accountants from  
the area and Staff of the Ontario  
Ministry of Agriculture and  
Food will provide the instruction.There will be a registration  
fee of \$5.00 payable in advance.  
The \$5.00 fee would cover the  
registration of a husband and  
wife who both wish to attend.  
A small additional charge will  
be made to cover the cost of  
materials.In most locations, only the  
first 30 families who apply can  
be accommodated. Fees must be  
paid at the time of registration.You can also register or get  
more information by telephoning  
the local office. The number is  
Stirling 395-3398.**UCO's 25th Annual In Toronto  
Reports \$1,595,000 Savings**United Co-operatives of Ontario,  
the province's largest  
farm and urban supply and  
farm marketing business, reported  
record, before tax, net  
savings of \$1,595,000 to delegates  
at its 25th annual meeting  
at Toronto's Four Seasons  
Sheraton Hotel on January 4th.The 1972 savings for the co-  
operative business, owned by  
the people it serves, almost  
doubled the previous year's  
figure of \$860,000.Some 400 delegates from  
across Ontario noted that almost  
half the savings (\$860,000) will  
be returned to members as  
patronage rebate. Income taxes  
account for a further half a  
million dollars (\$469,000) and a  
quarter of a million (\$249,000)  
will be sent out — in the form  
of dividends — to owners of  
preference shares. The remainder  
will go into UCO's general  
reserve.The \$154 million in sales reported  
is also a record, up \$10  
million from last year's previous  
high of \$124 million. Major  
increases were registered in  
sales of hardware, agricultural  
chemicals, seed, fertilizer, petroleum,  
livestock marketing, and  
poultry products.A major item on the annual  
meeting agenda was a vote on  
a change in UCO's controlstructure, which enables the  
co-operative's member owners  
to exercise control over their  
own business. These changes  
involve the selection of delegates,  
representing UCO branches,  
to the annual meeting.Elections were held for four  
positions on the 12-man UCO  
Board of Directors. Completing  
their three year terms are  
Fenton Cryderman, of Thamesville;  
Cliff Allen, of Glenburnie (near  
Kingston); Fred Hamilton, of  
Guelph; and Harold Schmidt, of  
Baden (near Waterloo). All of  
these directors are eligible for  
re-election.Guest speaker at the annual  
meeting's huge banquet —  
which sees more than 1,000  
people seated at once — was  
R.R. (Barney) Baxter, president  
of CF Industries, the Chicago  
based fertilizer manufacturer  
owned by UCO and 17 U.S. co-  
operatives.Canadian TV personalities,  
Don Harron and Catherine McKinnon,  
entertained.A good supply of

QUEEN'S UNIVERSITY  
FACULTY OF ARTS and SCIENCE**For the 1973-74 academic year, a maximum of 50 persons, who would not qualify  
under normal admission criteria, will be admitted as full-time students in the Faculty of  
Arts and Science, Queen's University, if they show potential for university work.Eligibility: Applicants must have reached the age of 18 by September 1, 1973, and have  
completed a minimum of Ontario grade 10 or the equivalent. Persons who are  
presently registered as full-time high school students are not eligible. Preference  
will be given to persons under 21 years of age at the end of 1973, and to those  
who have not previously attended a university. Persons 21 years of age or older,  
who have not attended a university, may apply for admission under the Mature  
Student Regulation already in effect at Queen's University.Selection: A variety of tests and other selection procedures will be carried out during  
March and April, 1973. Successful candidates will be chosen on the basis of  
ability, achievement, and motivation.

Deadline: Enquiries must be received by February 17, 1973.

**QUEEN'S  
UNIVERSITY**  
at Kingston OntarioFor further information and application forms  
please write to:Special Admissions Project  
Assistant Registrar (Admissions)  
Queen's University  
Kingston, Ontario**REPORT**Between January 15th and  
19th, 1973 there were nine  
accidents which resulted in  
\$5,555.00 property damages and  
three personal injuries. It was  
found that seven of the accidents  
were due to the icy road  
conditions, one due to a pony  
being loose on the roadway and  
one was the result of a hit and  
run.One death by natural causes  
was investigated by two of the  
Madoc Detachment officers  
along with two compassionate  
messengers and one speeding  
complaint.One stolen auto was recovered  
for this detachment by Pleton  
Detachment of the Ontario  
Provincial Police.A truck was reported stolen  
at 6:30 a.m. on Thursday. Several  
hours later this truck was  
recovered approximately a mile  
west of where it was stolen from.Two persons were charged  
with being intoxicated in a public  
place and seven persons with  
having liquor in a place other  
than residence.One section of the Liquor  
Licence Act states that no  
person who is a parent, guardian  
or head of a family having the  
care, custody and control of a  
child under the age of eight  
years shall enter or remain  
upon any premises where liquor  
is sold or kept for sale while  
such child is unattended by a  
competent person. As a result  
of this one male person was  
charged after he left his five-  
year-old son alone while he re-  
mained in a hotel in this detachment  
area.Property valued at approximately  
\$470.00 was recovered. This  
property is believed to be  
some of the outstanding property  
which was stolen during  
some break and enters which  
occurred in the latter part of  
1972.Among the complaints received  
at this office the following  
are only a few: vandalism,trespassing, siphoning gas,  
pointing a firearm, indecimen-  
tally shooting, assault, lost  
snowmobile marker, and three  
abandoned autos.If you are driving one of the  
provincial highways after a  
snowstorm, watch for the  
M.T.C. snow removal vehicles.Such vehicles carry a flasher  
(blue light) ... so watch for it.  
It's a warning. Always use  
extra care and caution when  
approaching or passing a snow  
clearance vehicle. Remember,  
snow plows and sanders need  
plenty of room for their work.

## LOOKING BACK ...

50 YEARS AGO  
January 23, 1923

On Tuesday last Madoc defeated Tweed 7-2 at the Madoc arena. The game was very fast throughout and became quite rough after the first period due to Tweed playing a losing game. The visitors invited rough play by heavy body checking in the first period and continuing with slashing and cutting for the remainder of the game. At last end of first period the score stood 3-1, the second 5-1, the third 7-2. There was little to choose from among the local players, each playing his position well, especially on the offensive. Line-up: Madoc - Henderson, goal; Burnside and Rupert, defence; Watson and Blue, wings; Jackson, centre; Mooncroft and Tufts, subs. Tweed - Gerald, goal; Blakely and Bowers, defence; Elliott and Foster, wings; Fawcett, centre. Score 1st period, Watson 3, and Bowers 1. Second period Rupert 2. Third period Blakely 1, Rupert 1 and Watson 1.

Miss S. Danford of Madoc when up in the barn last Monday fell a distance of some 12 feet very seriously injuring her back.

Citizens were sorry to learn of the death, last Monday morning of Mr. Denis Gillen. He had been unwell and was supposed to be recovering when he died very suddenly Monday morning from heart failure.

The cause of failure of our new fire engine at time of first test, first the engine was tested at Woodstock, the hose was not properly drained and the remaining moisture collecting in the bottom of each coil was frozen in transit much to the surprise of the expert in charge. After the hose was cleaned the engine worked to perfection.

Only a ball or skin of yarn - How many pretty, warm, comfortable things it makes - socks, mitts, scarfs, stockings, pullovers - all cost very little if you knit them yourselves. A pair of socks that are worthwhile - knit from the best Scotch Eriengry Yarn that money can buy - in black, grey, cardinal, brown or white - will cost less than 50c, and they will give \$2.00 worth of wear. Sweater Yarn in all the gay, pretty colors. Heavy 4-ply wool with Angora finish, at 15c the ball. Bird's Fingering - A most popular yarn for sturdy socks and mitts. In Grey only. It runs 5 socks to the pound - two pairs and one over for 90c, or 5 pairs for \$1.80. Cross & Co., Madoc.

Wedding - A pretty wedding ceremony took place at St. Mark's Church, Fakenham on

Tuesday, January 9, of Miss Edna B. Belford youngest daughter of Mr. and Mrs. George Belford, to Mr. Thomas E. Fleming of Ivanhoe. The bride entered the church with her father who gave her in marriage. Miss Elora Steele played the wedding march. The bride was wearing a suit of navy blue broadcloth embroidered in grey, with baby lamb trimmings. The coat opened over a blouse of Oriental blue lace, with touches of navy and she wore the groom's gift, a pearl necklace. Her shower bouquet was of American Beauty Roses. After the ceremony luncheon was served to a few intimate friends at the home of the bride's parents. Later Mr. and Mrs. Fleming left for Montreal and Quebec and other cities. Both the bride and groom have many friends in Toronto and Ivanhoe. Mrs. Fleming has been a valued member of the Toronto Public School Staff for the past two years.

24 YEARS AGO  
January 27, 1949

A fire of undetermined origin completely destroyed the residence of Harry Pack on the outskirts of the village on Sunday evening. The alarm was turned in by Mr. Robert Davidson, who was the first to discover the blaze. He stated that when he first saw the fire, it was burning furiously on the second floor. The local fire brigade answered the alarm promptly but were unable to save the building as it was a blazing inferno when they arrived. They were, however, able to prevent the fire from spreading to nearby buildings. Mr. and Mrs. Pack and two children were away at the time of the fire and when they returned they found their home a charred mass of ruins. The building and contents were partially covered by insurance. The Pack family lost everything and have only the clothes they were wearing at the time. They were given refuge for the night by neighbours.

The Kiwanis Club of Madoc has made arrangements with the Quinte Skating and Tennis Club of Belleville to hold an Ice Carnival in the Madoc Arena on Friday, February 18th.

Donald MacKenzie, a former resident of Madoc Village and a former member of the Review staff, was instantly killed in Toronto on Sunday morning, when the three-ton truck which he was driving collided with a light sedan at an East York intersection. Also killed was James Morris, of Toronto, who was a passenger in the truck at the time of the accident. East

York police, who investigated the fatality said the smash occurred when the truck, driven by MacKenzie and northbound on Greenwood Ave., did not halt at a stop sign at Sammon Ave. The truck overturned, snapping a hydro pole at the base and gouging a hole in the front of a corner market. The car was driven against the store's doorway. Police said both men in the truck were pitched from the cab. One was pinned beneath the vehicle and was extricated with difficulty. Both were pronounced dead by Dr. Y. The on arrival at the hospital. Mrs. MacKenzie said her husband was driving Morris to the riding academy when the two were killed. Bereaved with her are the couple's three sons, Jack, 14, Riverdale Collegiate student, Ross, 13, who attends Roden Public School, and Donald, 5.

Wedding - On Saturday afternoon, January 22nd, at 3 o'clock, Douglas Derwood Downey and Vivian Doreen Wood, both of Crookston, were united in marriage by Rev. Alfred Poulter at the Parsonage, Madoc. The young couple were attended by Mr. and Mrs. Lloyd Fleming. After a honeymoon spent in Eastern points the happy couple will reside in Kingston, Ont., where the groom has a position with the Imperial Oil Co.

Births - In Belleville General Hospital, on Thursday, January 27th, 1949, to Mr. and Mrs. George Edwards, a daughter, Judith Leah.

In Elizavir Township, on Monday, January 24th, 1949, to Mr. and Mrs. Kenneth Cassidy, a daughter.

15 YEARS AGO  
January 30th, 1958

A building on Durham Street, known as the Tire Shop was completely destroyed by fire about 2:30 Wednesday morning. The fire was discovered by Mrs. V. Stevens, who was leaving for Toronto when she saw the flames. The fire had made such headway when the alarm was sent in, that it was impossible for the firemen to save the building. The shop was built by Mr. Horace Pitt when he operated the service station adjacent. The loss, estimated at \$3,500, is covered by insurance.

The local firemen received a call on Monday afternoon to the residence of Mr. Ed Thompson, where an oil furnace became overheated. No damage resulted.

James Wilfred Wilson, 48, Ontario Department of Highways employee, here, was instantly killed Saturday night when he was thrown from the seat of his snowplow beneath the wheels of his dump truck. The accident occurred during the height of Saturday's snow storm as Mr. Wilson was plowing snow two miles west of Madoc, on No. 7 highway. Sheldon Marr, helper in the snowplow truck said that the windshield wipers on the truck had failed momentarily blocking their vision. Mr. Wilson opened the door of his truck in an attempt to see where he was going and as he did so the plow struck the side of a rock-cut and then struck a small culvert, throwing him beneath the rear dual wheels. He died instantly suffering a fractured skull and crushed ribs. Son of the late Mr. and Mrs. William Wilson he was born at Queensboro and had lived in the Madoc District all his life. A former cheesemaker, he had worked with the Highways Department for the past several years. He was a member of the United Church and belonged to the L.O.O.F. at Madoc. He was well known and highly respected in the district. He is survived

## Rev. Joseph Price To Speak At Annual Meeting

A programme of variety and interest is planned for the United Church Women of Belleville Presbyterian and their friends when they hold their Annual Meeting on Thursday, January 25th, at Trinity United Church, Napanee. Of special interest is the guest speaker, Rev. Joseph Price, who will speak in the morning on "The Spirit of Saakatoon". Commissioners who came back from Saakatoon talked about this spirit that pervaded General Council. Now we will learn more about it.

Rev. Joseph Price, B.A., B.D., S.T.M., is well known to residents of the Tweed district as he spent his younger years at Actinolite. The son of a United Church minister and veteran of World War II, he has worked as a lumberman, surveyor and businessman before entering

Queen's University. In 1963 he graduated from Queen's Theological College and 3 years later from Union Theological Seminary, New York City. Mr. Price served on several charges in Belleville Presbytery before being appointed to his present position of Executive Secretary of Bay of Quinte Conference in 1971. He is married and has 3 children.

The theme of the Annual, "God in Our Midst", is in line with Mr. Price's subject and follows through in the afternoon session when a devotional drama will be presented. Registration for this meeting begins at 9:00 a.m. and the programme starts at 9:30. Music, fellowship, business and inspiration, all these are promised at the eleventh Annual Meeting of the Belleville Presbyterian United Church Women.

## ANNOUNCEMENT

## NOTICE County Of Hastings

NOTICE IS HEREBY GIVEN that the Corporation of the County of Hastings will apply to the Legislative Assembly of the Province of Ontario at its next Session for private legislation to provide as follows with respect to the composition of and votes on the County Council in the year 1974 and subsequent years:

1. Notwithstanding subsections 1 and 2 of Section 27 of The Municipal Act, membership on the council and the votes of such members shall be as follows:

- Where a local municipality has less than 2,500 municipal electors, the reeve only shall be a member of council and shall have one vote.
- Where a local municipality has not less than 2,500 and not more than 5,000 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have one vote.
- Where a local municipality has more than 5,000 but not more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council; the reeve shall have two votes and the deputy reeve shall have one vote.
- Where a local municipality has more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have two votes.

DATED at Belleville this 20th day of December, 1972.

RONALD W. CASS, Q.C.,  
27 Campbell Street,  
P. O. Box 185,  
Belleville, Ontario.

Solicitor for the Applicant.

## CARDS OF THANKS

The family of the late Mrs.  
Harriett Walker wish to thank  
their relatives, friends and  
neighbours for their floral tri-  
butes, cards of sympathy and  
other acts of kindness during  
the loss of a dear mother and  
grandmother. A very special  
thanks to Dr. Dockrill, Queens-  
boro Women's Institute for the  
nice lunch, Rev. Thompson for  
his comforting words and the  
MacKenzie Funeral Home.  
The Walker Family. 4-1p

I would like to thank all  
those who sent flowers and  
cards while I was a patient in  
the hospital. Special thanks to  
Dr. Peter Scott, Dr. C. Derry  
and Dr. Arun Dosa. Thanks  
also goes to Rev. W. Sedgwick  
and Rev. Thompson.  
George Hurley. 4-1p

We would like to thank our  
many friends, relatives and  
good neighbours for the many  
acts of kindness shown us in  
the loss of a dear mother and  
grandmother for floral tributes  
and donations. A special thanks  
to Dr. Derry, Dr. Dosa, Dr.  
McIntosh and nurses on the  
6th level of the hospital, Rev.  
D. W. Heard, Rev. J. H.  
Thompson, City Ambulance,  
Madoc L.O.B.A., Bethesda  
U.C.W. and the MacKenzie  
Funeral Home.  
The Holland Family. 4-1p

**IN MEMORIAM**  
**MCCANN** — In loving memory  
of a dear mother and grand-  
mother Mae McCann, who  
passed away January 23rd,  
1963. Also a dear father and  
grandfather, Percy McCann,  
who passed away May 6th,  
1945.  
Resting where no shadows fall,  
In perfect peace they await us  
all.  
Our God above will link the  
chain  
As one by one we'll meet  
again.  
Ever remembered by daugh-  
ters, Ruby and Ethel, sons  
Harold and John and also  
grandchildren. 4-1p

**MALCOLM** — In loving mem-  
ory of a dear father and  
grandfather, Clarence D. Mal-  
colm who passed away Janu-  
ary 25th, 1971. e  
Beautiful memories are wonder-  
ful things  
They last till the longest day,  
They never wear out, they never  
get lost.  
And can never be given  
away.  
To some you may be forgotten  
To others a part of the past.  
But to us who loved you and  
lost you dad  
Your memory will always  
last.  
Always remembered by  
daughter Fay, son-in-law Fred,  
and grandsons Jim, Dan, Scott,  
Bryan and Jeffrey. 4-1

**BLAKELY** — In loving mem-  
ory of a dear father and  
grandfather, Woodford Blake-  
ly who passed away January  
29th, 1968.  
This month comes with sad re-  
gret.  
It brings back a day we  
won't forget.  
You fell asleep without good-  
bye,  
But memories of you will  
never die.  
Sadly missed and lovingly  
remembered by son, Ross,  
daughter-in-law Katherine and  
grandchildren Debora and  
Gregory. 4-1

**FLEMING** — In memory of our  
son, Peter John, who passed  
away suddenly January 23rd,  
1970.  
However long our lives may  
last,  
Whatever lands we view,  
Whatever joy or grief be ours,  
We will always think of you.  
Ever remembered by Mom,  
Dad and David. 4-1p

Thursday and Friday.

## MARY ROBERTSON WON STAMP POPULARITY POLL

(Continued from Page 1)  
was 82 opinions.  
The Winter Scene was placed  
first by Mary Lynn as she  
likes artistic scenes. Presently,  
she is beginning to paint these  
in oils at night school. As well  
she gets one art class each day  
at school.

Mary Lynn chose Indian Arti-  
facts as second because she  
likes the colourful way the  
Indian Artifacts were photo-  
graphed. The Christmas 10c  
stamp was the third favourite  
stamp. It was in green back-  
ground; her favourite colour is  
blue.

The Stamp Popularity Poll  
was conducted by Captain G.  
A. MacKenzie who Mary met  
personally when he visited the  
school to show stamp-interested  
students a slide presentation  
called "Famous People in Can-  
adian History last May. Mary is  
the daughter of Mr. and Mrs.  
L. Charles Robertson, Spring-  
brook. This is the third year  
that readers of a local news-

paper have participated in a  
stamp popularity poll and each  
year there have been more  
entries making a more com-  
plicated tabulating work for Cap-  
tain G. A. MacKenzie, a profes-  
sional stamp reporter. Entries  
in the contest came from  
Trenton, Belleville, Lindsay,  
Tweed, Cobourg, and New York,  
U.S.A. Among the 82 entries  
were 35 entries from students  
of Centre Hastings Secondary  
School, Madoc.

Below are the stamp opinions  
of students of C.H.S.S., Madoc.

**STAMPS ARE PAINTINGS**  
(by Bonnie Thoms)  
First Prize  
It is interesting to note that  
in 1971 and 1972 stamp popu-  
larity Polls the first place  
stamps were done by artists.  
In 1972 the Winter scene painted  
by Holland-born Cornelius  
Krieghoff placed first. This  
painting shows the hospitality  
of the French Canadians as we  
note horses and men going to  
the black smiths shop to have

the horses shod while their  
wives or other members of their  
family were well received in the  
house adjoining the black  
smith shop. Like many artists,  
Krieghoff's paintings of French  
Canadian scenes were not ap-  
preciated in Montreal while he  
lived there. These people prefer-  
red to buy paintings of Europe  
rather than Canadian paintings.  
He moved to Quebec city where  
his paintings were a little more  
popular.

The results of the stamp  
popularity Poll appear to show  
us that there has been a change  
of attitude toward Krieghoff's  
paintings. 100 years ago they  
weren't popular but today on a  
stamp, it is the most popular  
stamp. The Krieghoff stamp  
marks 100 years since his death  
at 57 years of age.

The Paul Kane stamp was  
first place in 1972. It showed  
an Indian prairie scene. This  
encouraged our interest in the  
TV show, "The Land that God  
Gave Kane." Linda Deshane re-  
corded ideas from this film  
which includes the following:  
1. The buffalo he shot didn't  
fall so he stood and drew a  
picture of it. 2. He drew pic-  
tures of Indians that are now  
extinct. 3. His painting now of  
an Indian loom provided later  
Indians with a picture for a  
model. 4. A book written by  
Kane is called Wanderings of an  
Artist. In 1973 there is one  
artist stamp, I.E.H. MacDon-  
ald. It will be interesting to  
anticipate if this artist stamp  
will also place first.

**SCIENCE IN THE 1972  
STAMPS**  
(by Murray McGregor and  
Barry Reid)

One particular stamp in 1972  
that related to science was called  
World Health Day. It was the  
least popular of the 1972  
Stamp Popularity Poll. It looked  
like a valentine rather than a  
scientific heart. It was all  
done in red and white lines.  
Some lines are vertical; others  
are horizontal. This stamp was  
dedicated to the prevention and  
treatment of heart and circula-  
tory diseases. There were 26  
million of these stamps issued  
which is about 1 stamp for each  
Canadian.

**GEOGRAPHY IN STAMPS**  
(by Belinda MacKnight)  
There were only two stamps  
in 1972 that showed Canadian  
cities — Vancouver and Quebec  
City. I like the \$2.00 Quebec  
City stamp because it is more  
colourful. I passed through  
Quebec City last summer and  
I am familiar with Upper Town  
(shown on the map) and Lower  
Town beside the river.

The port city of Vancouver  
that is shown on the stamp has  
modern high rise buildings  
that are a real contrast to

## CURLING RESULTS

The curling results of Janu-  
ary 22nd were as follows:

D. Jones W. J. Booth L;  
N. Whytock W. L. Stickwood L;  
R. Robinson W. B. Hawley L;  
D. Heard W. F. Bosley L;  
T. Burnside W. B. Bonter L;  
C. Shaw W. B. Danford L;  
A. Fox W. G. Keller L;  
A. Miller W. C. Derry L.

## STANDINGS

South	G.P.	W	L	Pts.
B. Danford	7	6	1	12
F. Bosley	7	5	2	10
D. Heard	7	5	2	10
B. Bonter	7	3	4	6
B. Hawley	8	3	5	6
G. Keller	8	3	5	6
A. Miller	8	3	5	6
N. Whytock	8	3	5	6
R. Clarke	8	2	6	4
North	G.P.	W	L	Pts.
R. Robinson	7	6	1	12
B. Bateman	7	5	2	10
T. Burnside	7	5	2	10
C. Shaw	7	4	3	8
C. Derry	6	3	3	6
L. Stickwood	6	3	3	6
A. Fox	6	2	4	4
D. Jones	7	2	5	4
J. Booth	9	2	7	4

**DALE BENSON**  
Masonry Contractor  
PHONE 473-2579  
MADOC, ONTARIO

Quebec City. It was interesting  
to note in the stamp popularity  
poll that each of the city  
stamps received exactly the  
same number of votes. Despite  
the contrast, people like one as  
well as the other.

## HISTORY IN 1972 STAMPS

(by Sam Walker and  
Don Wright)

There were 5 stamps in 1972  
that represent history. Four of  
these stamps were about Plain  
Indians of Canada. The Indian  
Artifacts (2nd place in popu-  
larity poll). We like it because  
it is more colourful, exciting  
and shows headress, drums,  
peace pipe, shield, buffalo skull  
and moccasins. Less appealing  
were the designs dress and In-  
dians: capturing their food. It  
was done by an artist George  
Catin who wandered widely in  
North America. We would have  
liked Catin's picture in colour  
rather than in black and white.

The 5th history stamp in 1972  
was Frontenac 1622-1698. This  
stamp was really marking 350  
years since the birth of the  
governor general of New  
France. As well as the bust of  
Frontenac, there is a diagram  
of a fort that is likely 350  
years old.

**STUDENT LEADERSHIP**  
The stamp Popularity Poll  
was another way of developing  
student leadership. Randy Sar-  
aras, the 1972 Stirling Tummy,  
had participated in the stamp  
poll a year ago. Randy's refer-  
ence material neatly compiled  
in plastic sheets showed folders  
of each of the commemorative  
stamps of 1972 received from  
Postage Stamp Division, Otta-  
wa. With this reference materi-  
al and with the scrap book of  
the previous popularity poll,  
Randy was able to explain this  
procedure to the classes. Randy's  
itinerant speech teacher, Mrs.

Gillies of Marmora, was happy  
that Randy had opportunities  
to do this leadership.

## ANTICIPATING 1972 STAMPS

(by stamp club members)  
Although the 1972 Stamp  
Popularity Poll is completed,  
the students of Centre Hastings  
Secondary School, Madoc are  
anticipating the commemorative  
stamps that will appear in 1973.  
Famous people that will appear  
on stamps are Laval, first Bis-  
hop of Quebec City; Jeanne  
Mance, first secular nurse in  
North America; Joseph Howe,  
former premier of Nova Scotia;  
J. E. H. MacDonald, one of the  
Group of Seven artists; Nellie  
McClung - women's lib leader  
of the 1920's.

Barry Reid noted that on  
March 9, there will be three  
stamps marking one hundred  
years since the Royal Canadian  
Mounted Police was formed.  
These three stamps will be an  
addition to newspaper articles

that the class have started to  
collect for the centennial of the  
R.C.M.P.

Another centennial being  
marked in 1973 is Prince Ed-  
ward Island's entry into Con-  
federation. This stamp will be  
issued on June 29th.

In 1972, Plains Indians were  
on four stamps. In 1973, the  
Indian culture will be repre-  
sented by two stamps on Feb.  
21st showing Eastern Indians;  
two stamps on Aug. 13th  
showing Algonquin Indians;  
two stamps on Nov. 28th show-  
ing Pacific Coast Indians.

There will be four Christmas  
stamps issued on November  
1st. In previous years the  
Christmas design have been  
snowflakes, candles, Eskimo  
sculpture and stamps drawn by  
Canadian children. Barry Reid  
wishes that Canadian stamps be  
placed on the 1973 Christmas  
stamp as this is also an im-  
portant Canadian resource.

## Jehovah's Witnesses Attend Assembly

Jehovah's Witnesses concluded their assembly at Trenton High School on Sunday with an attendance of 997.

John Didur, Assembly Chairman delivered the address, "Is This Life All There Is?"

Dealing with the problems that confront the human race, Mr. Didur said, "Frustrations of this life lead many to despair. Young and old often question and reject goals for which people have long worked. Wealth, fame, power and beauty last only until death. If this life is all there is, we are not even a speck on the scales of eternity."

He told the audience that belief in life after death was based on man's feeling of frustration at the shortness of life.

Didur said, "The Bible gives us the sure hope of a resurrection. This is not based upon what we would like to have happen to us but rather the facts in the scriptures. There were at least 500 eye witnesses who testified that Jesus was resurrected. This gives us the assurance of hope after death."

"Can our life be more meaningful now?" Didur asked the audience. "It can if we have a goal, a sense of direction. Christian witnesses of Jehovah know that life has a real purpose. They apply God's work in their own lives and this is reflected in their happy families. They know that following God's counsel and law is the best way of life. The reward for this action is not just a happier home life or the hope of a resurrection after death. It is the hope of surviving the great cataclysm, facing the human race the event described in the Bible as the Battle of Armageddon."

Didur told the audience that the only way anyone could survive the Battle of Armageddon would be to let his purpose be

God's purpose, his goals, God's goals. "In that way, life has a meaning for us. It is not empty or fruitless, for it leads to endless life in a new system of things right here on earth," he concluded.

In his concluding remarks, Mr. Didur said that the 24 who were baptised that morning showed evidence of having a real purpose in life.

God's purpose, his goals, God's goals. "In that way, life has a meaning for us. It is not empty or fruitless, for it leads to endless life in a new system of things right here on earth," he concluded.

In his concluding remarks, Mr. Didur said that the 24 who were baptised that morning showed evidence of having a real purpose in life.

## MONEY FOR ROADS TIGHT

Hastings County Council is unlikely to get any special consideration from the province for additional money to maintain its roads system.

This was made quite clear at Wednesday's session of the body when Vernon Snell, district highways engineer from Kingston was in attendance to answer questions.

Clarke T. Rollins, Hastings MPP, attended the session with

the highways engineer.

Warden Horace Casey noted that the main concern was lack of money to carry out necessary road work.

And Rawdon Reeve Ray Shortt said that labor and materials costs were going up with the result that municipalities just didn't have enough money to keep roads up to the standard expected.

Mr. Snell said over - all highway subsidy allotments would be much the same as for last year.

"There is not much the district office can do to increase these amounts," he said.

He said the pinch in subsidy money meant that either less work could be done, resulting in a lower road maintenance standards, or else road priorities would have to be set.

He assured that Hastings was not alone in receiving limited road funds as all counties were affected.

One way he suggested that money might be saved was in a restricted road, landing program. Mr. Snell did not suggest eliminating sanding but said this was one way which economies could be effected.

Another suggestion the district highways engineer tossed out was that local municipalities might look to private enterprise for assistance in certain road maintenance.

He said the highways department had a policy where township roads were used for gravel hauling on larger highway construction projects that assured the roads would be maintained or restored to their original condition.

Mr. Snell said local townships were possibly losing out by not approaching the principals of large construction projects for road maintenance assistance.

Such private projects as paving shopping plaza parking lots took a lot of gravel, which usually is hauled over local roads, he said.

## VENNACHAR and DISTRICT

We are sorry to report Mr. Stanley Gregg has been sick and is spending a few weeks with his daughter Mrs. Harry Mieske and Mr. Mieske. Mr. Gregg is 69 years young, and has enjoyed fairly good health.

Mrs. Fred Grant is confined to her home with bronchial pneumonia. We wish her a speedy recovery.

Many have been confined to their homes with the flu.

The rain on Friday settled the snow here.

Nice weather on Saturday and Sunday brought a lot of snowmobilers to the vicinity on the weekend.

Mr. and Mrs. Bill Easton, Kingston, Mr. and Mrs. Shannon, Kingston spent the weekend at their cottages here.

Mr. and Mrs. Eldridge Rosenblath, Napanee, spent Friday evening with his sisters Mrs. Cora Rose and family and Mrs. Russell Gregg and family.

Mr. and Mrs. Robert Rosenblath and family, spent Friday evening with their daughter, Noreen and family at Bath. Miss Claudia Hardy returned home with them for the weekend.

Mr. and Mrs. Dannie Teeple and family left Saturday morning for their new home near Oshawa.

Mr. and Mrs. Eric Barber and family, Aurora, spent the weekend with relatives here.

Miss Cheryl Gregg and Mr. Mike Cregan, Tweed spent the weekend with Mr. and Mrs. Earl Gregg and family.

Miss Donna Lents, Kingston spent the weekend with her parents Mr. and Mrs. Stan Lents and Gary.

Miss Judy Snider who has spent a week's holiday with her parents Mr. and Mrs. Cecil Snider and Sheila returned to Kingston on Sunday.

Mr. Allan Gregg and son Barry, Napanee called on relatives here on Sunday.

We are glad to report Mr. Walter Youmans who has been a patient in Memorial Hospital, Trenton, for several weeks is able to be at his daughter's, Mrs. Gary Malcom, Mr. Malcom and family at Carrying Place.

Mrs. Youmans left last week for her daughter's at Carrying Place.

Mrs. Albert Smith spent a few days with her daughter Mrs. K. Lohnes, Rev. Lohnes and children at Belleville.

Mr. and Mrs. Oswald Mieske and family spent Sunday afternoon with her parents Mr. and Mrs. Don Clark.

Mr. and Mrs. Herb Rose spent Sunday evening with Mr. and Mrs. Vernie Rose and Linda, Griffith.

## MADOC MIXED BOWLING

The Volunteers, who are making a run at the top spot came through with another strong effort to shut out the Lucky Sevens. Joe Bossio, who is closing in on the average leaders led the winners with a solid 748 (315, 226) set and got help from Lucy Bossio 596 (224, 207), Donna Love 591 (234) and Betty Woodcock 586 (210, 201) plus singles by Bill Bird (234), Sheila Bird (226) and Bob Hiltz (219). Best for the losers were Ruth Holmes 604 (209, 204), Carol Parankul 585 (213), Gord Holmes 579 (232), and a nice 254 single by Marg Chapman. Jack Booth 720 (255, 254), Jay Caverly 642 (217, 215) and Lorraine Booth 565 (244) led the Happy Gang to a 5-2 win over the Misfits. Maurice Goulash 614 (219, 211) was tops for the Misfits, helped out by Don Forestell 591 (216, 211) and singles by Leland Richardson (235), Marion Van Heukelom (207) and Emma Bossio (201). In the Twisters-Kingpins battle the Kingpins came out on top with a 4-3 split, due to the steady bowling of Mel Caverly 678 (262, 222), Betty Stevens 646 (219, 216), Ron Reid 621 (254) and Frank Bossio 607 (227). Joe Foley led the Twisters with 683 (238, 224), followed by Leo Coveney 674 (233, 221), Elene DeClaire 682 (242, 213), and Joe Mallis 602 (291). The Twisters are still holding down top spot in the league standing with 80 points, closely pursued by the Happy Gang 74, Lucky Sevens 69, Volunteers 65, Misfits 45 and Kingpins 45.

## C.H.S.S. REPORT

(By Gord Reid)

For the next few weeks I would like to present to you a series of articles dealing with the different areas of the school. Hopefully, this will include a profile on some of the staff members. This weeks article is entitled, "The Library."

In 1968 Centre Hastings Secondary School opened its first library under the direction of Mr. Crichton Harrop. The original library was located in what is now the nurses office. (Three doors up from its present location). The library opened up with approximately 1,000 books, mostly fiction. The circulation then was five to ten books a day. In 1970 Mr. Duncan Campbell took over the library, until 1972, then he moved to Bancroft. Today there is approximately 9,000 books with a circulation of about 80 books a day.

Moving into the new library from the nurses office provided more room for students and for teachers to teach classes. The new library made room for new items, such as, over 150 film strips, (mostly history, english and geography), about 100 records, 120 different subscriptions for magazines, slides, maps, charts and posters. The new library is equipped with more modern items like tape recorders, record players, slide

viewers, filmstrip viewers and cable T.V. outlets. The new T.V.'s will be in next winter.

The librarian's job includes such things as serving the staff and students, to supply books, to get new materials for courses, to buy books for students and teachers, and to make tapes and slides. Mr. Harrop is dedicated to his work and goes out of his way to help the students and teachers. I must not forget the great work Mrs. Griffith does for the library.

The library hours are 8:30 to 4:30 Monday through Friday and on Thursday 8:30 to 4:30 and from 7:00 to 9:00 in the evening. Mr. Harrop and Mrs. Griffith should be commended for their work. Oh, by the way, my congratulations go out to Mr. and Mrs. Harrop on the arrival of their new baby; it's a boy.

## Does Your Child Have A Learning Disability?

If he does, and you want to learn how to help him, or at least understand him better:

Enroll now, at Loyalist College, in "Learning Disabilities 062". This course is offered on Tuesday evenings from 8:30 to 10:30 in Building "B". Call 962-9501 for further information or call in at the Registrar's Office, Mr. H. Adams in Building "C".

## OBITUARIES

### MRS. THOMAS WALKER

Queensboro

In failing health for the past two years, Mrs. Harriett Walker of Queensboro died Thursday, January 18th, 1973 in Belleville General Hospital.

Daughter of the late Mr. and Mrs. James Wilkinson, she was born at Alverston, England, and came to Canada in 1903. She was an Anglican by faith and was a charter member of the LOBA at Queensboro.

Predeceased by her husband, she is survived by one son Ernest of Queensboro, 10 grandchildren and 15 great-grandchildren.

The funeral was held on Saturday afternoon, January 20th, with service conducted in the MacKenzie Funeral Home, Madoc by Rev. J. H. Thompson.

Interment took place in Greenwood Cemetery, Queensboro.

Bearers, all grandsons were Ernie, Johnny, Boyd, Doug, Bill and Kenny Walker.

### MRS. THOMAS M. RANKIN

Trenton

Mrs. Sara I. Rankin died at her residence, 55 Lewis St., Trenton, on Tuesday, January 16th, 1973 in her 95th year.

Born in Madoc township, the daughter of Mr. and Mrs. Robert Oaler, she had lived in Madoc before moving to Trenton four years ago. She had been in failing health for the last five years.

Mrs. Rankin was predeceased by her husband Thomas M. Rankin. She is survived by a daughter, Miss Kathleen Rankin, Trenton, a son, McKinley Rankin of St. Catharines and five grandchildren.

The funeral was held on Thursday afternoon, January 18th with complete funeral and committal service conducted in the MacKenzie Funeral Home, Madoc by Rev. Simon Brownson of Bancroft.

Entombment took place in Madoc Township Vault.

Interment will take place in Lakeview Cemetery at a later date.

### MRS. A. M. "TILLIE" LUCAS

Mrs. Annie Matilda "Tillie" Lucas of 190 Burnham Street, Belleville, passed away at the Belleville General Hospital on Sunday, January 21st, 1973, in her 91st year.

Born at Remington in Madoc Township, Mrs. Lucas was a daughter of the late Mr. and Mrs. Hercules Rollins. She has been a resident of Belleville for the past 20 years, having resided in Newburg, Ontario before that.

Surviving are her husband, James Lucas, two sons, Fred of Port Hope, Ontario, J. R. Lucas of Corbyville and one daughter, Mrs. Ruth Graham of Peterborough, Ontario, four grandchildren and three great grandchildren. One brother, William Rollins, of Queensboro also survives.

Mrs. Lucas was a member of Centennial Free Methodist Church, Belleville and a life member of Women's Missionary Society.

The funeral was held on Wednesday, January 24th, 1973, at 2:30 p.m. from the Thompson Chapel, 38 Everett Street, Belleville, with Rev. Lorne Ball officiating.

Interment took place in Cooper Cemetery.

### MRS. EDNA (NEIL) CARROLL

Funeral services were held on Wednesday, December 13th, 1972 from The Whittam Funeral Home, Pictou for Edna Mahalia Carroll of Stittville, who passed away in Carleton Place Memorial Hospital, Saturday, December 9th. Mr. Wilbur Graham of Bath United Church officiated.

Daughter of the late Charles Reynolds and his wife Bertha Cooney, she was born at Madoc. She resided in the Pictou area for several years before

going to live with her daughter Marebeth. Mrs. Carroll is survived by nine children, Mrs. Howard Norton (Annie) Reardon; Mrs. Norm Martin (Heleen); Lindsay; Ken of Bloomfield; Carman, Selkirk, Manitoba; Mrs. Carl Farley (Myrtle), Bath; Mrs. Ray Power (Mildred), Oromocto, N.B.; Lillian, Kendal; Mrs. Robert Trotter (Marebeth), Stittville; Mrs. Peter Grant (Madeline), Belleville. Also she is survived by six sisters, Mrs. David Hanna (Stella), Stirling; Mrs. Roy Price (Una), N. Tonawanda, N.Y.; Beatrice Barry; Mrs. Wm. Ashe (Irene); Mrs. Wm. Young (Myrtle), all of Madoc; Morna Delina, Toronto, one brother, Sydney Reynolds, Toronto, 47 grandchildren and 4 great-grandchildren. One brother (Asa), Niagara Falls, N.Y. predeceased her.

She was predeceased by her husband Cornelius James, and three daughters who died in infancy.

Pallbearers were six grandsons, Bill Martin, Don and Ralph Norton, Steven and James Carroll and Wayne Farley. Mrs. Carroll will be sadly missed by many. Unseen, unheard, she is always near. Still loved, still missed and ever dear.

## ORANGE EUCHRE WINNERS

The results of the Euchre party held at the Orange Hall on Monday, January 15th were as follows:

Ladies High, Lois Burris; Gent's High, Joe Lambie; Ladies Consolation, "Marlene Bronson and Kate Foote; Gent's Consolation, Geo. Griffin (Millbridge); Most Lone Hands, Joe Lambie; Door Prize, Lois Blackburn.

## TODAY'S CHILD

BY HELEN ALLEN

### THE TORONTO SUN SYNDICATE

Stephen wanted his friend Ajax to be included in the picture because he hopes that when he is adopted Ajax will be welcome too.

Stephen, 14, is becoming an accomplished horseman. He likes to take care of the horses at his foster home and is both interested in and responsible about feeding, watering, even cleaning out the stable.

Stephen is a tall, good-looking boy with black hair, hazel eyes and fair skin.

Some unsettled years left him with emotional problems for which he needed treatment but that is behind him now and he is eager and ready to become part of a family. He is co-operative and easy to live with. Adults find him good company. He has great patience with younger children and is concerned for them.

Stephen has never done well in school but his foster parents find he has a quick mind and think he will improve when settled in his own home. He is energetic but not hyperactive. He loves animals, sports (especially hockey) and swimming.

The ideal family for Stephen will have parents with young ideas and not many other children so the mother and father will have lots of time for their adopted son. Stephen himself hopes his permanent home will be in the country.

To inquire about adopting Stephen, please write to Today's Child, Box 838, Station K, Toronto M1P 2H2. For general adoption information, please contact your local Children's Aid Society.

HAPPY AND ENERGETIC

## What is family-size hot water?

It's enough hot water...enough hot water for all the baths, showers, dish washings, floor washings and laundries that it takes to keep your family and your home sparkling clean. Cascade will give you family-size hot water, because it's designed for the job.

The electrical industry put years of research into the Canadian family's hot water needs. Cascade was the result—built by qualified manufacturers to rigid specifications to assure you of dependability and complete satisfaction.

Get the Cascade with the capacity that's right for you and enjoy hot water family-size. Cascade, the clean, safe, efficient, electric water heater.

## Hastings County Holstein Club

The Directors of the Hastings County Holstein Club held their Annual Meeting on Thursday, January 4th, 1973, at 10:30 a.m. in the Stirling Legion Hall.

The Secretary read the minutes and it was moved by Philo Harris and seconded by Donald Neel that the minutes be adopted as read.

George Sutherland - Kenneth Thompson - that as many as possible attend the Annual Convention of the Holstein Association in Toronto on February 14th. They are going by train and as many as possible should plan to go.

Delbert McComb - Douglas Dettlor - that the Club take a Car Tour to Lennox & Addington on March 20th. Committee in charge: Kenneth Thompson, Wesley Finch, Delbert McComb, Ted Ray, Malcolm Sharp, and Alton Goodman.

Charles Trevorton - Ross Jeffs - that the Twilight Meeting be held at Keith-Danforth on July 31st. Committee in charge: Ross Jeffs, Douglas Dettlor, Ralph Jeffs, Larry May, Lorne Hagerman, Harry Danford, Alton Goodman, Percy Reid, George Sutherland and Malcolm Sharp.

Wayne Martin spoke briefly on behalf of the Ministry of Agriculture.

Ross Jeffs - Hugh Gray - that a committee be appointed to look after the Black and White Show.

White Show. Committee in charge: Robert Burkitt, Delbert McComb, Hudson Ketcheson, Hugh Gray, Alton Goodman, and Malcolm Sharp.

Lorne Hagerman - Alton Goodman - that the Club adopt option two of the Hays Plan.

Hugh Gray - Delbert McComb - that Malcolm Sharp and George Sutherland be representatives to the Farm Service Club.

Charles Trevorton - Hugh Gray - that Ralph Fawcett be the first choice for Judge for the Black and White Show. Second choice - Eldon Petherick.

Philo Harris - Hugh Gray - that a briefcase be donated to the two top club members in each club in Hastings County; also provide Holstein pens for each member of the novice club.

C. Trevorton - Ralph Jeffs - that the trophy committee be: Robert Burkitt, Wesley Finch and Harry Danford.

Robert Burkitt - Ross Jeffs - that production certificates which have been issued up to the first of October be presented to ascertain the high B.C.A. cow.

Hugh Gray - Delbert McComb - that the following committee be set up to raise funds for the Peterborough Show: Harry Danford, Andy Jongenotter, Percy Reid, Donald Neel and Russell Ritz.

Douglas Dettlor - Kenneth Thompson - that the Annual Banquet be held on October 3rd at Centenary Church Hall. Committee in charge: Douglas Dettlor, Hugh Gray, Russell Ritz, Robert Burkitt, Delbert McComb, Malcolm Sharp, Alton Goodman, and Hudson Ketcheson.

The meeting adjourned at 3:30.

## Pee-Wees Drop 7-3 Decision To Trenton Minors

Last Thursday night in Madoc the Trenton Minor Pee-Wees spotted the local Legionaires an early 1-0 lead and then scored seven goals before Madoc could again get on the scoreboard late in the third period. The score was tied 1-1 after the first, Trenton led 4-1 after the second frame and outscored Madoc 3-2 in the final frame.

The second and third periods were marred by minor penalties in which Madoc was assessed twenty-five minutes while Trenton picked up nineteen minutes.

Wayne Willemssen scored twice for Madoc while Craig Robinson tallied once. Assists went to Larry Kirkwood (2), Donnie Moore, Darrell Peters, Tim McCann and Sammy Boslo. Trenton's Curtis Smith tallied three times while singles went to Gary Peterson, Billy Helton, Brent Hockin and Ben Leavay.

Although it was an exhibition game, both teams went all out to show the other who was the better team. A return game in Trenton will be scheduled for some Wednesday night in February.

## Ice Report Of Tweed District

The following is the ice report of the Tweed District (January 18th, 1973):

### CODE

General safety factor to be used as a guide only not an absolute statement of fact for any particular lake: S-1, none or little ice; S-2, pack ice; S-3, unsafe; S-4, pedestrian with extreme caution; S-5, pedestrian with caution; S-6, pedestrian; S-7, snowmobile; S-8, light car; S-9, light truck; S-10, beaver aircraft.

Bancroft - 25 above; small lakes, S-7; large lakes, S-5: All lakes air holes and heavy slush. Snow in bush, 20".

Dacre - 34 above; S-7, surface water and creeks open. Snow in bush, 23".

Plevna - 34 above; S-7, puddles of surface water. Snow in bush, 20".

Palmer Rapids - 26 above; S-7, light slush, wet snow, creeks open. Snow in bush, 22 1/2".

Bon Echo - 34 above; S-7, water surface on ice. Snow in bush, 19".

Tweed - 33 above; S-7, light water cover, creeks open. Snow in bush, 14".

White Lake - 29 above; S-10, water on surface. Snow in bush, 15".

Napanee - S-6, air holes, surface water cracks. Open snow in bush, 10".

Due to mild weather, numerous air holes and occasional open areas are to be expected especially along edges and creek mouths.

"Do not break the ice - or that pollutant may be you".

## A SHORT STORY BUT IT'S TRUE

(By Manley Baumhour)

When I was about ten or eleven years old there was a neighbour that lived about two miles from us, by the name of Thomas Stainyer. This event happened during the fall of the year. He had one son by the name of Jack, about eighteen years of age who hunted with his father. So the old man thought it would be a good day to have a chase, but they had no dogs so they got a dog from a neighbour and took it hunting.

Will and Tom's canoe was in our barn for safe keeping. We lived about a mile from the Monk Road near Albion Lake, so they came up to our place and got the canoe and Tom put it on his head and he took his gun in one hand and Jack came behind him carrying his gun and leading the dog. Then they went to the lake and put the boat in the water and got into it and paddled to a rock that came out from the shore about half way up the lake and Jack got out of the boat where he could watch for the deer to come in and he could shoot it, and Tom took the canoe and the dog and started across the lake to set the dog out. Nearing the other shore, the dog got anxious and Jack said the dog jumped on the edge of the canoe and upset Tom into the lake gun and all went to the bottom and Jack said that the old man gave the boat a push from him thinking the dog might go after it, but instead of that the dog piled on Tom's back and he was drowned and the dog swam to shore and went home. - This Albion Lake lays between the Monk Road and the town line road, both leading the way to Bancroft. Then Jack came around the lake and came up to our house and told my mother what had happened, he then went home, and then he went to Bancroft to get help to drag the bottom of the lake for the body. They got the body and he was buried in the Anglican Cemetery, located by the mountain, known as the Eagle's Nest. The Eagle's Nest is a big high mountain and can be seen from the station in Bancroft.

Tom Stainyer had a large family, there were 3 boys and five girls in the family. The oldest boy's name was Jack, then Fred and Jasper. Jack married Madeline Brough and Fred married a girl by the name of Laura Card and Jasper got married over-seas and the girl he married the oldest was Lizzie, she married Al Fluke. Bertha was next, she married my uncle, Henry Woodcock. Nell was married to George Gable and then there was Mary, she married Bill Bowers at Bancroft, they had a family

and the one Bowers girl married Jack Crofford, they lived in Madoc for many years. Annie was married to a young man at Bancroft, I have forgotten his name.

After Tom's death, Mrs. Stainyer walked to Bancroft, a distance of 5 1/2 miles, done a days work to feed her family, who all went west and after a number of years Mrs. Stainyer married Norris Switzer and they are both dead now. I well remember what happened.

## TARGET TALK

The Madoc District Hunter's and Angler's Club held the first shoot of '73 on Sunday, January 14th. There were 14 contestants present and eight rounds were fired. One round from class 2 has been dropped for the year and a group shoot added in its place. This new classification consists of each shooter firing five rounds at the 100 yard range with the smallest group shot being the winner.

The prize winners for the day were: Round 1, Joe Foley, 50 yd. open sight class; Round 2, F. Donaldson, open sight class; Round 3, Bill Garman, (this was the new group class); Rounds 4, 5, 6, were won by L. Hicks, Gerry Donaldson and Joe Quinn. This is the 100 yd. unlimited class and Rounds 7 and 8 were won by M. Quinn Jr. and Bill Donaldson. This was class 2, 4 power scopes fired on the 50 yd. range.

The trophies have been awarded for last year. The winners were: class 1, Joe Quinn; class 2, Joe Foley; and class 3, F. Donaldson. Congratulations to these marksmen. The points will be recorded the same as last year with a new trophy being added for the group class. The points accumulated for the day were as follows:

	class 1	class 2	class 3	Gr
J. Foley	26	29	17	1
L. Hicks	25	18	18

M. Quinn Sr.	26	15	14	
B. Donaldson	27	29	16	
B. Herrington	27		16	

## FRIENDLY HINTS

**WEEVLICHEK ALFALFA**  
Here's a brand new alfalfa variety for Ontario farmers. Its name - Weevlichek - indicates some resistance to alfalfa weevil, and in United States, it has shown less damage under severe weevil attack, than other varieties.

It is United Co-operative's first new variety, and was bred by Farmers Forage Research Co-operative in Indiana. It was licensed for sale in December, 1972, and is recommended for use in Ontario by the Ontario Forage Crops Committee and the Ontario Ministry of Agriculture.

Weevlichek is as winter hardy as Vernal, and has more resistance to bacterial wilt than Vernal. Maturity is similar to Vernal alfalfa.

Early spring growth is slower than Vernal, but by the time it is 12" high it has overtaken other early starting varieties. It has excellent ability to recover after each harvest and is more productive than Vernal. It is fine stemmed, with distinctive dark green leaves. The flowers vary in colour from purple to green to yellow and cream.

Weevlichek has exceptional resistance to Common Leaf Spot and Anthracnose and bacterial wilt. It also has resistance to leaf hoppers.

United Co-operatives of Ontario branches and retail member co-operatives will be the only source of Weevlichek alfalfa seed.

If you are interested in improving your evenings during the next three months, call Harry Adams for a list of subjects, times, etc. Telephone: 962-9501, extension 238.

Registration for all courses will be accepted between 2 p.m. and 10 p.m. January 17 and 18, and between 10 a.m. and 4 p.m. January 19 in the Registrar's office in Building "C". Registration will also be accepted by mail.

# BOARD OF EDUCATION HOLDS INAUGURAL MEETING

The Inaugural Meeting for 1973 of The Hastings County Board of Education was held in the Board Room, 204 Bridge St. East, Belleville, at 8:00 p.m., Wednesday evening, January 10th, 1973.

Present were Messrs. Graham and Hutchinson and Messrs. Brant, Collins, Mawley, Little, Robinson, Roberts, Rowe, Spry, Waller, Smith, Weaver and Williams.

The meeting was opened by Board Secretary E. Runacres, who extended a welcome to all new trustees and visitors who were present.

Past Chairman D. Williams delivered a brief eulogy with respect to the late trustee Everett Fairman, mentioning the great contribution he made in the field of education. Mr. Fairman was a man highly respected by trustees, administrators and

members of the teaching profession. He was a man of great convictions who served his country and his community with distinction. He had a keen sense of humour. His life exemplified a challenge to all of us he was a good man.

Board Secretary E. Runacres noted the Certificates of Acknowledgment, Election or Appointment of Board members as furnished by the officials of the appropriate municipalities.

Secretary E. Runacres then administered the Statutory Declaration and Oath of Allegiance to all members present.

New copies of Policy Books were distributed to all Board members.

Secretary E. Runacres then indicated that an election for Chairman of the Board for 1973 would take place, with proceedings to be used as listed in Board Policy. He named Messrs. L. F. Reid and K. Wormald as scrutineers. Voting for the office of Chairman was then carried out and after the ballots had been distributed, collected and counted, the Board Secretary was advised by the scrutineers of the result. Secretary Runacres announced that Trustee MacDonald Smith had received a majority of the votes cast and in accordance with Section 48(5) of the Schools Administration Act, declared Mr. MacDonald Smith Chairman of the Board for 1973.

The newly elected Chairman then assumed the chair and in his inaugural remarks expressed appreciation to the members for their confidence in electing him as Chairman. He indicated that the Board should consider as priorities for the year 1973 the following matters: (a) The continuation of open line communications between trustees, administration, teachers and all other Board employees. (b) A two-year salary agreement for teaching staff. (c) Provision for a single administration centre. (d) Planning session by the Chairman's Committee to deal with curriculum and other urgent needs for the year 1973. Mr. Smith expressed appreci-

ation to the Director, Administration and teachers for their cooperation during the past year and expressed the hope that the Board, Administration and staff would continue to work as a team.

The Rev. John May of St. Paul's United Church, Stirling, gave the invocation.

Chairman Smith then proceeded with the election of a Vice Chairman of the Board using, in accordance with Board Policy, the same procedures as for the election of a Chairman.

At the conclusion of the balloting, Chairman Smith announced that Trustee Ralph Weaver had received a majority of the votes and declared him elected as Vice

Chairman for 1973. Mrs. M. Graham — E. Robinson — that the following Ad Hoc Committees be established: Building, Business Administration, Liaison, Staff-Board Relations, Transportation.

C. Brant — Mrs. J. Hutchinson — that an Educational Services Planning Committee be established.

The Chairman announced that an orientation programme planned for trustees would be conducted following the next regular meeting of the Board.

Business Administrator K. Wormald advised the Board that the Ontario Municipal Board has approved City of

Belleville's appeal to have the revised factor (established by a previous appeal to be 55.3 rather than 53.5) applied to 1971 as well as to 1972. With respect to 1971, the effect will be to credit Belleville with approximately \$38,000, of which approximately \$20,000 will be absorbed by the Ministry of Education as additional mill rate subsidy.

The 1971 adjustments will be included in the 1973 tax requisitions.

B. R. Collins — J. Spry — that the meeting adjourn.

Mr. and Mrs. Lawrence Courneyea and girls spent a weekend recently with Mr. and Mrs. Kevin Courneyea and family, Trenton.

Mr. and Mrs. Kenneth Goldberg and family, Pembroke, spent the weekend with Mr. and Mrs. Fred Stein and family.

Mr. and Mrs. Rex Rollins, Mr. and Mrs. Ivor Hughes, Madoc were Sunday visitors of Mr. and Mrs. Bill Hughes and family, Amherstview. The occasion was to help celebrate Colin's 3rd birthday.

Mr. and Mrs. Garnet Holmes and Celestine Gananque were weekend visitors of Mr. and Mrs. Gordon Holmes.

the stilling girls Hockey

## COOPER

team in which Miss Jane Bailey and Miss Joan Bailey play in were successful in winning over the Kingston girls on Saturday evening in Madoc Arena.

Sympathy goes out to the relatives of the late Mrs. Walker of Queensboro.

Weekend visitors of Mr. and Mrs. Tom Sloan were Mr. and Mrs. Pat McManis, Thaman, Margaret, Gerry, Pauline and their friend Jim, Toronto. Mr. and Mrs. Bill Adams, Toronto, Saturday night visitors were Mr. and Mrs. Lawrence Courneyea and girls.

Miss Bonnie Holmes, Belleville and Mr. Bruce Ashey, Oshawa were Sunday visitors of Mr. and Mrs. Gordon Holmes.

Mr. and Mrs. Bill Brady and Brian, Belleville were Sunday visitors of Mr. and Mrs. Herb Brady.

Mr. and Mrs. Leonard Graham were holidaying for a couple of weeks with Mr. and Mrs. Ray Griffin and family, Rochester, N.Y., then flew to Detroit to visit Mr. and Mrs. Elmo Blackman for awhile.

### The Highest Beef Costs in History

— During the last few weeks, wholesale meat costs have risen sharply, affecting every cut in the meat counter.

— We are currently facing the highest beef costs in history with little relief in sight.

— Our suppliers say that increased costs of feed, transportation and production have added pressure to spiraling beef costs.

— High beef costs, in turn, have created pressure on pork, poultry and processed meats with consequent cost increases in these products as well.

— Competition still controls retail prices. This means that although consumer prices do increase, they rarely go up at the same rate as costs.

— One way to beat the high cost of meat is to use substitutes such as fish and variety meats (liver, heart, kidney, sweetbreads, tongue, etc.) on your family menu. Other protein foods are cheese, eggs, peanut butter, nuts, beans and peas.

Mrs. Grace is able to talk "shopping" to groups. Call 239-6533 or write — 133 The Gateway, Toronto Ontario M4Y 1B7.

## MADOC MIXED BOWLING

Last week's action turned out to be the season's best as all winners ended up with 4-3 splits. The battle between the Twisters and the Happy Gang saw the Twisters come back with a 1204 third game to take total pins. For the winners it was Jack Booth 633 (235, 257), Lorraine Booth 585 (243) and Jay Caverly 564 (204) who led the way plus nice singles by Clarence Farrow (235) and Lavina Farrow (198). Elene DeClaire was tops for the Twisters with a solid 634 (230, 286) effort helped by last game singles from Pearl Foley (232), Joe Mallia (216), Alice Bernier (210) and Hilda Anderson (185). The Volunteers started fast with a 1381 single but faded in the stretch to come out on the short end of their split with the Missifs. Kathy Lowry 618 (241) and Maurice Goulah 550 (205) were best for the winners but the teams handicap bowler were consistently over their averages to make it a real team effort. For the Volunteers Joe Basso 686 (270, 237), Donna Love 685 (258, 216), Sheila Bird 618 (312) and Betty Woodcock 597 (211) led the way. In the Kingpins - Lucky Seven battle Ruth Holmes 633 (247, 231) was tops for the winning Lucky Sevens with nice singles by Lamoine Foley (211, 308) and Jean Rogers (295). Mary Danford led the losers with a nice 641 (234, 215), helped by Leon Bernier 601 (208, 215) and singles by Mel Caverly (218) and Betty Stevens (208). In the mens high average close race Jack Booth leads with 216, followed by Joe Basso 214, Leo Coveney 213, Leon Bernier 201, Joe Mallia 197 and Mel Caverly 189. Donna Love has taken over the lead for the ladies with a 199 average with Ruth Holmes 194, Betty Woodcock 188, Carol Parankuk 183, Betty Stevens 183 and Elene DeClaire 177.

## PEE-WEE HOCKEY

Madoc Legionaires dropped a close 5-3 decision to Tweed last Thursday night. Scoring for Madoc, Sammy Basso from Wayne Willemson; Glenn Brown from Sammy Basso; and Tom Sutton from Allan Wiggins. Tweed's scoring was shared by five players - Wayne Brough, Tim Meraw, Paul Norris, Robert Thurston and Lewis Gayford. The Pee-Wees took part in the Marmora Pee-Wee Tournament on Saturday and dropped a 6-2 decision to Marmora and a 9-1 decision to Stirling. Play-offs for "D" teams opens next week with Marmora meeting Wellington and Madoc facing off against Colborne. Possible home game for the Colborne series is Thursday, February 8th at 7:00 p.m.

## Has He Only Eagle In Hastings County?

Outdoorsman Bob McGeachie is in the clouds. He has his own bald eagle - maybe the only one in Hastings County. Or at least he's as close to one as a human can get. The rare bird - there are so few it's a protected species - has settled around his habitat south of Coe Hill in Wollaston township.

Its presence is generating excitement among Natural Resources Minister conservationists. Only other bald eagles known in the area is a couple a good 40 miles northeast - nesting in the Conroy Marshes near Palmer Rapids in Renfrew County. The big bird distinguished by white markings with a wingspan about seven feet in breadth, first put in an appearance earlier this week around Bob's dwelling where he lived for years as a local guide and trapper. At first, he thought it a turkey vulture. Then Friday, at 150 feet distance he spotted white tailfeather markings and knew it was a bald eagle. Previously, he'd baited a wolf trap and believes this may have drawn the majestic bird to his property. He immediately contacted wildlife officials at the ministry's Tweed office and evoked similar excitement from them. Now, they're contemplating getting a regular supply of beaver and other wildlife carcasses to Bob's property to ensure the eagle remains. As long as it has a guaranteed source of food the trapper

believes it will linger - if no one takes a vicarious shot at it. However, as a man whose life has turned on the outdoors, the presence of the rare bird has him delighted he admits - even though it's still so shy he can't get close to it. "It's a beautiful bird," he says. As a youngster, the Trenton native formed an attachment with wildlife, since a close relative was a taxidermist. He has seen bald eagles before - but only carcasses ready for mounting. Now, 56, and 40 years living in his area, this is his first day-to-day encounter with a live specimen. "It could well be the only one of its kind in Hastings County," he says.

## MINOR HOCKEY NIGHT BIG SUCCESS

Last Friday night one of the largest crowds to witness any hockey game this season was on hand to make this special night a vocal and financial success. The Pee-Wee Novice League opened the action at six o'clock with the Canadiens doubling the score on the Leafs to the tune of 6-3. Kenny Danford and Paul Hyde led the Canadiens with a pair of goals each, while singles were scored by Darrill Peters and Lorry Kirkwood. Scoring for the Leafs were Tom Sutton, Randy Love and Sammy Basso.

Following this exciting game the Atoms (boys 4-6) added thrills and spills for the next twenty-five minutes. Highlights of this game were spectacular goal-tending and offensive players keeping their team mates from scoring in their opponents' net.

Belleville Mites took on the Madoc Mites following the Atom game at 7:30. The local squad held Belleville to a 2-1 lead after two periods but gave

## LOCAL & PERSONAL AT HOME

Mr. and Mrs. Percy Keller, R.R. 5, Madoc will be at home to all their friends, neighbours and relatives from 1:00 to 4:00 p.m. and 7:00 to 9:00 p.m., on Saturday, February 10th, at the Orange Hall in Madoc on the occasion of their 50th Wedding Anniversary. Best wishes only. Dancing after 9:00 p.m.

Mr. and Mrs. Carl Ozyer, Carl, Jennifer, Wendy and Nicholas of West Hill spent the weekend with Mr. and Mrs. Don Lee and family.

## REPORT OF THE EDUCATION WEEK COMMITTEE

(As submitted to The Hastings County Board of Education) Education Week 1973 will be officially proclaimed in the Province of Ontario to take place during the week of April 15 - 21. The theme, "Human Values in Education", has been designed by the Provincial Committee to focus attention on those qualities which are some of the desirable by-products of our formal system: respect, co-operation, trust, consideration for others, personal integrity and self-worth. These, and other characteristics will be highlighted in the many programs being planned by the schools for the community. Again this year, we are pleased to feature the "Education Week Breakfast" and presentation of the Sir MacKenzie Bowell Award. The committee is planning to publish a tabloid newspaper again, and to involve several secondary schools in

"bearpit" sessions with guest speakers. An innovative step being worked on at present hopes to take advantage of the facilities of ETV Channel 2 (Cablevue) to highlight the quality programs going on in our schools.

The total Education Week project is a co-operative venture again undertaken by the Separate School Board, Loyalist College, O.S.D., and The Hastings County Board of Education. The members of this committee represent teachers, administrators, Board members and parent groups. I would like to compliment them for the hard work they have put into the planning of this endeavour, and I would like to express the committee's appreciation to the Board for the fine support it has given in the past.

For the record, I wish to express, on behalf of the committee, our feeling of loss and sorrow due to the death of Mr. Everett Fairman. He was a member of the Education Week Committee since its inception and he gave unselfishly of his time and energy to lend direction, purpose and dedication to it. He believed in the principles which underlie the existence of this special week. He earned our highest respect and admiration.

Included in this report is a budget plan proposed by the committee and a designation of contributions from each participating agency.

## COOPER-REMINGTON 4-H GIRLS CLUB

The first meeting of the Cooper-Remington 4-H Girls Club was held at the home of Mrs. Fred Stein on January 27th, 1973 at 2 o'clock.

The meeting was opened with the repeating of the 4-H pledge. Next the business was carried on which started with the election of officers. They were as follows: President, Debbie Helps; Vice-President, Sandra Stein; Treasurer, Christine Yzerref; and Press Reporter, Linda Downey. The leaders are Mrs. Fred Stein and Miss Christine Yzerref. There are 7 members.

Achievement Day is on April 28th, 1973 and record books are to be handed in at the 4-H office by April 13th, 1973.

The name of this project is "Clothes for Leisure." It was decided to call the club, "The Cooper-Remington Nightingales" and also decided to use blue record books.

All meetings are to be on Saturdays starting at 1:30 p.m.

The meeting then went to the discussion and demonstration. Discussion on the necessary items for a sewing box took place. Some items were tape measure, needles, thread, pins, scissors, sewing gauge, badkin, tracing paper and wheel, etc.

The leaders showed an example of a well-equipped sewing box. The members looked at different materials and matched them with the patterns which were suitable.

Group work was taking measurements, which was done well as the girls were quite familiar on how to do this.

The home assignment was to purchase pattern and materials and to be familiar with it and bring to next meeting. Each member is to have her fabric prepared for cutting.

The meeting was closed by the President, Debbie Helps.

## MADOC MENS BONSPEIL SUCCESSFUL

Madoc Curling club were hosts on Saturday last to their fifth Annual Men's Bonsel. Curlers were present from Havelock, Campbellford, Stirling and Belleville.

It was a one day point spell with each team playing three games and points awarded for score, ends won and for winning game. The winners were Gary Rowe and his team from Campbellford. Members of his rink were G. Reid, Art Nelson and Grant Morgan. He had a score of 54 3/4.

Runner up was the rink of Mel Caverly, Madoc. Members of his rink were from Belleville. His score was 45 1/4.

Third was the rink of G. Ford of Stirling with a score of 34. In fourth place with a score of 33 3/4 was B. Bateman's rink

of Madoc. Doug Graham and his rink of high school teachers was fifth with a score of 33 1/2. High one game winner was C. Ingram and his Campbellford rink.

Winner of the door prize donated by Ken Nielsen of the Canadian Tire in Madoc was Hunter, a member of the Norm Smith's rink of Havelock.

Other teams from Madoc competing were Derry, Shaw, Harris, Miller, Hawley, Robinson and Fox. Everyone had an enjoyable time and plans are presently being made for the annual Mixed Spiel to be held the first weekend in March.

On the bonspiel circuit in past weeks, Madoc rinks competed in bonspels at Marmora and Campbellford. At the men's bonspiel in Campbellford the rink of C. Shaw, G. Keller, R. Bronson and B. Matthews participated.

The week before, four Madoc rinks participated in the Marmora Mixed Bonspiel. The rink of Cyril and Isabella Shaw and Brian and Ruby Danford placed 4th on the first event.

Other teams competing were The Bateman family rink of Bob, Audrey, Ailene and friend. Bob and Beth Hawley with Bill and Sue Young furnished a team, while Rae and Jane Robinson with Marion and Ron Devolin completed the fourth rink.

Congratulations to these rinks and all rinks who competed in the bonspiel this weekend.

Make plans now to attend the Madoc Mixed Bonspiel the first weekend in March.

## C.H.S.S. REPORT

(By GORD REID)

On Friday, January 26th the C.H.S.S. band began travelling for the first time this year by going to Marmora to play three concerts. The first was played at the Senior Public School, the second at Earl Prentice and the third at Sacred Heart School. The band put on fine performances and represented our school well.

On Tuesday a group of actors visited the school to put on some of the works of Stephen Leacock.

## Kincaid Announces Candidacy

Deputy Reeve of Madoc, Kel Kincaid has decided to seek the presidency of the Hastings Progressive Conservative Association.

Mr. Kincaid, a leading grocery store operator here, has been prominent in local Conservative organizations for years, and served on school boards.

Jack Ireland, president of the riding since it was formed years ago, said today he has not yet decided to seek another term, at Wednesday's annual meeting here.

The riding includes most of Hastings County, from Belleville to Bancroft. Wednesday's meeting will start at 8 p.m. at the Kiwanis Centre.

## BUTTON SALES DISAPPOINTING

"The sale of buttons, as yet, is very disappointing," it was reported at last night's meeting of the Winter Carnival Committee. There has been trouble, also, with the pins. A reduction in the price was also considered.

Plans for the remaining events are progressing well. The parade promises to be bigger and better than ever. Many new and different exhibits will be featured at the Craft Show. We've been challenged by Tweed, to enter into an Old

Timers hockey game. The team will display their talents at Tweed on Friday evening, February 9th. Then they return here for a return match on Friday evening, February 16th, at 9:00 p.m. A practice is being scheduled we hear, to limber up those taunt muscles. It promises to be a fun evening for we know that the older generation can show the Peep generation a few tricks yet.

Meanwhile - Madoc Winter Carnival is only two weeks away.

## ST. ANDREW'S U.C.W. UNIT 1, QUEENSBORO

The January meeting for Unit 1, U.C.W. was held on Thursday afternoon at the home of Mrs. Allan Franks.

The President, Mrs. Frank O'Rourke presided. Scripture reading, Job 38-19-38 was read by Mrs. John Thompson.

Lesson thoughts and prayer by Mrs. Roy Rollins followed by offering and dedication. A donation from Mrs. Blair was received.

Roll call, following the minutes, was answered by the word beginning.

The next meeting is to be at Mrs. Goldwin Holmes'.

Mrs. Max Burnside was in charge of the programme which was in the form of book reviews. She had "a recipe for a Happy Year" based on the Bible.

The following articles were read: Mrs. Goldwin Holmes, "Tales" written by Jessie McCewen; Mrs. Arthur Holmes read a poem, "To-morrow"; Mrs. Roy Rollins, "The Magic of Dr. Farrar"; Mrs. O'Rourke, "Two Kinds of Fun", about Africa; Mrs. John Thompson, "The Mad Trapper of Rat River" by a Canadian author and printed in Toronto; Mrs. Wainmaker, "God's Smuggler". The meeting was closed with

## CURLING RESULTS

The Curling Results of January 29th were as follows: N. Whytock W. D. Jones L.; C. Shaw W. T. Burnside L.; D. Heard L. C. Derry W.; A. Fox W. A. Miller L.; B. Bateman W. F. Bosley L.; R. Robinson W. L. Stickwood L.; B. Bonter W. B. Hawley L.; R. Clarke W. J. Booth L.

## C.H.S.S. STUDENT POETRY

I WISH I WERE

I wish I were a motor boat  
Across the water I would float  
Out across the open sea  
Where no one could ever follow me.

I'd leave the cities far behind  
Escape from all the smog and grime  
And if they tried to follow me  
I'd find a jet and leave the sea.

If I were a real fast jet  
Far from the cities I would get  
Where no one fights a social war  
I'd go far to be seen no more.

If the wars tried to follow me  
I wouldn't know where else to flee  
I'd say to God: "What can we do?  
What on earth are we coming to?"

Carl Kshoe, Grade 10.

## SACRED HEART OF MARY CHURCH

The lot for the building of Sacred Heart of Mary Church was purchased in 1880 from Mrs. Sarah Russell of Montreal at a cost of \$680.00. Construction of the building began on April 1st, 1881. It was completed in October that same year and opened by Archbishop Cleary. The house and lot were also purchased from Mrs. Russell in 1880 for \$1,550.00. Father Davis was parish priest at that time and Mass was offered every Sunday in Hungerford and every two weeks in Madoc, Marmora and Queensboro.

In August of 1884 Archbishop Cleary divided the parish of Madoc from its mission at Hungerford and appointed Father Fleming, former assistant at Madoc, as parish priest at Hungerford. Father Davis was in charge of the parish for 30 years. He was transferred to Berth in 1890 and he died there

in 1904. Rev. P. C. O'Brien was appointed as pastor of Madoc

and Queensboro in 1899. He died about three years later and

was succeeded by Rev. John Meagher. Parish priests came and went for the next few years, but during the appointment of Father Francis Hyland extensive renovations to the church were completed in 1948. The church was rebuilt and reopened that same year by Archbishop J. A. O'Sullivan. Father Hyland was succeeded by Rev. J. E. Trainor in 1956, who saw new pews replace the original antique benches in the church. The parish house was also completely renovated. Father Trainor was succeeded in 1963 by Rev. F. J. O'Neill. Further renovations and decorations were made in the church, and a new Congregational organ was installed in 1963. The Parish Hall was constructed in 1965 and was blessed and opened in November 1965.

The present parish priest, Reverend Father P. H. Murphy succeeded Father O'Neill.

BY ANY OTHER NAME**

(by Bill Saulty)

Recent news stories about fuel shortages in New York city and a number of north-eastern states must have been a real shock, not only to many Americans, but to every thinking Canadian. I know it shook me, when I considered the implications.

It was the first strong warning of what's to come — a world-wide shortage of fuel and energy. And that's a frightening prospect.

Experts have been issuing warnings for years, but these usually consist of an article in the Saturday supplement, easily forgotten or ignored.

I'm no expert, but any school child knows that there is only so much oil and gas in the earth, that there is only so much water-power to be harnessed, and when that's gone, it's gone. For good.

Already parts of the U.S., especially the heavily industrialized and populated east, are on the verge of a crisis in the fields of energy and water.

What happens in the States will inevitably happen in Canada, though it may take a little longer, because of our much smaller population and much greater reserves.

But unless science can come up with some new, cheap means of producing energy and fresh water, things are going to be pretty shaky by the turn of the century.

Perhaps, as always, it's the only way man can learn anything — by having it shoved down his throat.

Perhaps we won't stop wasting energy resources until we're reduced to the point where we're cooking dinner over a fire of buffalo chips, as the pioneers did. Except that there won't be any buffalo to provide the chips.

Wouldn't you think that Canada having witnessed at first hand the ravages the Americans have made on their own resources, would have learned a lesson?

Wouldn't you think that we'd be hoarding carefully, with an eye to five hundred years from now, our dwindling resources? Wouldn't you think that our so-called leaders could see more than twenty-five years ahead? Many of them seem to be thinking no farther ahead than the next election.

One of these fine years, unless we begin to conserve and preserve, there'll be an Old Mother Hubbard story that will wreak untold misery on millions of humans.

But that's an old tale, of course. In this country. Through a combination of human greed, short-sighted leadership and plain stupidity, Canadians have been content to continue their century-old role as hewers of wood and drawers of water, and to sell anything they could to foreign investors: British, American and European.

There's a great lot of red-hot nationalism in our country these days. But ninety-five per cent of it is words, words, words.

The people who make the real decisions are not the writers, painters, students, but the cold-eyed, gray-haired men who sit in the board-rooms, and would sell their grandmothers into slavery if the interest rates were right.

They're the babies who have looted our forests and mines and are currently pawning our energy resources. And they're the birds, with some notable exceptions, who take off for the Bahamas or Switzerland when the taxes get rough and they've made their pile.

To most of them, the unemployed are an unfortunate statistic, the poor a necessary nuisance. They know where every nickel of government handouts is. They know every tax dodge. They are the real and only second-class citizens of this country.

Holy smokes! I'm beginning to sound like a communist agitator. I'm not. I just get sick at heart when I see what's happening to the country I love. Talk about being sold down the river! We're being sold down all our rivers and all our pipelines as well.

Canada might be compared to youth. Youth can, and does, burn up energy without a thought for the morrow. He can dance and drink all night, stand all day in the rain, hitch-hike, sleep on the floor, ski all day on weekends and sleep all day in school.

But imperceptibly, and then suddenly, the youth is middle-aged. The luxuriant hair falls out, the belly thickens, the pace slows, and the joints begin to ache. The energy has been burned up, much of it uselessly, and the cupboard grows progressively bare.

Is that what we're doing today in our comparatively youthful country? Are we going to wake up with no hair, arthritis, and a pot belly with nothing to put in it?

And while this is taking place before our eyes, the politicians chatter like parrots, jockeying for position, their eyes fixed irremovably on the past.

I've no solution. The only thing I might suggest, in view of the energy crisis, is that all the politicians in North America be laid end to end. They'd make an admirable pipe-line, of just the right girth. And they'd produce enough natural gas in one session to stave off the crisis for years.

**CONGREGATIONAL MEETING OF ST. JOHN THE BAPTIST ANGLICAN CHURCH, MADOC**

The 100th annual Vestry meeting of St. John the Baptist Anglican Church was held on Sunday afternoon, January 21st in the Parish Hall. Twenty-two members were in attendance. The Rector, Rev. J. H. Thompson was chairman for the meeting. Following a moment of silence in memory of past members and prayers, the Rector accepted the nomination of Mrs. Dorothy Empey as Vestry Clerk. The 1971 minutes were read and adopted.

The central treasurer, Miss Luella Phillips presented the financial statements which showed an increase in giving over past years. Receipts in the general church account showed \$12,802 and expenses \$11,861. Envelope contributions were now from 52 parishioners who gave nearly \$7,000. \$2,744 was paid on Synod assessment and Diocesan appeals outside the parish. The final payment was paid on the Church extension loan for the Rectory, a sum of \$10,100. The mortgage was burnt during a morning service on December 31st, 1972. A new furnace for the Rectory was installed and paid for in 1972. A considerable sum was also spent on property rehabilitation especially in the Rectory.

Mrs. Mary Barton, president of the Anglican Church Women of St. John's Branch gave a detailed description of the year's activities and financial achievements. Receipts again showed that over \$1500 had been raised to assist in parish expenses and other commitments. Mrs. Gwen Danford, president of A.C.W. group one presented her report and financial statement which showed another profitable year, receipts being nearly \$700. Weekly meetings are held every Tuesday in the Parish Hall with ten active members.

Mr. C. Harrop, superintendent of the Church school, along with Gordon Reid presented a T.V. tape for all members to see on screen, a presentation alive of church school activities. This was a first for the parish and its viewing was well received by Vestry Council. Mrs. Joan Reynolds, superintendent for the past nine years was given a book token in appreciation for her ministry among young people. Teaching staff numbered five and the school averages 38 pupils.

Junior Auxiliary is held every Wednesday afternoon, 4:00 to 5:00 p.m. with leaders Mrs. Diana Bonter and Mrs. E. Sawkins giving instruction to twelve girls.

The choir continues to render a standard of music and reverence in the chancel with sixteen active members. Miss Nicola

**IF IT ISN'T FOOD  
IT'S POISON**

Most poisoning accidents happen to the very young and the very old according to the Ontario Safety League. In 1970, 66% of all cases where age was specified occurred to children under 5 years of age.

Unfortunately, the worst place to store detergents, cleaners, furniture polish etc. is also the most common — under the kitchen sink. Remember that toddlers love to explore and are seldom put off by the harsh smell and vile taste of today's cleansers.

Bedrooms and bathrooms host a variety of potential poisoners, from prescription drugs to toilet bowl and sink cleansers to common headache tablets. Even perfumes and cosmetics are a hazard to be dealt with.

A simple rule to follow: If it isn't food, it's Poison. Lock it away.

There are medicine cabinets that are not easily opened by children. Don't underestimate your child's climbing abilities. Even if there are no young children in the home, visitors should be taken into consideration. Many prescription drugs and cleaning agents are available with child resistant caps. Buy them, but as an added precaution, don't trust them. Never transfer poisons into pop bottles or the like. Keep in original container, with clearly marked identity and above all, store under lock and key.

Keep the name and phone number of your local Poison Control Centre — just in case. In an emergency, they will advise what action to take for the product consumed. Keep the container and any residue to aid in identification and if possible, estimate the amount consumed.

Thompson and Miss Joyce Brownson are the organists.

Young People's continue to meet at the O'Hara's school or members' homes at regular meetings. The programme consists of Bible Study, quizzes, guest missionary speakers, films and a variety of active and mental games.

In the Rector's report on the condition of the Church, he remarked on the "aliveness" of all organizations and the progress and increase of church attendance. In these challenging days, St. John's has been blessed with a faithful and devoted congregation and one that has met all parish and Diocesan commitments. Rev. Thompson reported that 83 services had been conducted, 10 baptisms, 3 marriages, 22 funerals, with 5,318 attending church services, 635 parish calls, 48 visits to the Belleville General Hospital besides visits to Deloro Nursing Home, Kingston and Peterborough Hospitals. Appreciation was given to Mrs. Gladys Naylor who donated new church doors in memory of her late husband, Mr. E. T. Naylor, past and very active member in many offices of St. John's church.

Expression of thanks was conveyed to the Warden, all

officers and members of each organization, organists and choir, auditors, sidemen, treasurer, vestry clerk and Mr. Thompson concluded in saying, "It has been a fruitful year in many ways that progress has been made and it is hoped that further co-operation from everyone would continue to maintain the full life of the church. Let each one of us continue the reputation of our friendly church to encourage others to worship with us and that 1973 would be a year of outreach." This was his 10th annual report presented to the Vestry Council. Rev. Thompson re-appointed Mr. Sam Danford as Rector's Warden.

The Vestry elected the following officers: People's Warden, Mr. Robert Bonter; Lay Delegates to Synod, Mr. Robert Aylsworth, Mr. Eric Ormerod and Mr. Alan Danford; Church Treasurer, Luella Phillips; Property Committee, Mr. Harry Ashton, Mr. Wm. Taylor, Mr. D. Empey, Mr. Archie Pitt, Mr. Ken Rose, Mr. Ross Clark; Rep. for the Canadian Bible Society, Mrs. Joan Reynolds; Sidemen Chairman, Mr. Charles Warren.

The 1973 budget was presented and explained in full. The appropriation for the parish

would be \$11,000 to meet all Diocesan and parish commitments including repairs to the old rectory. The budget was accepted by the members present. Discussion was made on the church's 100th anniversary, inter-communication and church union, a service to be held in the summer at St. Peter's Anglican Church, Queensboro with the Rev. M. Kingsford as special honoured guest, memorial cards printed for use in deceased families, the Lenten programme, special Synod on April 14th in Kingston, and church property renovation.

A presentation was made to Luella Phillips in the form of a cheque and a daily reading book in appreciation for 17 years as church treasurer.

Mrs. Mary Barton on behalf of the parish expressed thanks to the Rector, his wife and fam-

ily for their leadership, example and contribution not only to the parish as a whole but to the community. Congratulations were offered in that Rev. J. H. Thompson was asked by the Bishop of the Diocese to preach at St. George's Cathedral, Kingston, at an ordination service on January 28th, 1973.

The vestry concluded on a note of thanksgiving, praise and gratitude to God and for blessings in so many ways in the life of St. John's. Rev. J. Thompson said the Benediction.

QUEEN'S UNIVERSITY  
FACULTY OF ARTS and SCIENCE**

For the 1973-74 academic year, a maximum of 50 persons, who would not qualify under normal admission criteria, will be admitted as full-time students in the Faculty of Arts and Science, Queen's University, if they show potential for university work.

**Eligibility:** Applicants must have reached the age of 18 by September 1, 1973, and have completed a minimum of Ontario grade 10 or the equivalent. Persons who are presently registered as full-time high school students are not eligible. Preference will be given to persons under 21 years of age at the end of 1973, and to those who have not previously attended a university. Persons 21 years of age or older, who have not attended a university, may apply for admission under the Mature Student Regulation already in effect at Queen's University.

**Selection:** A variety of tests and other selection procedures will be carried out during March and April, 1973. Successful candidates will be chosen on the basis of ability, achievement, and motivation.

**Deadline:** Enquiries must be received by February 17, 1973.

January 31, 1923

Three children of Wm. Thompson, aged respectively two, seven and eleven years, lost their lives when fire destroyed the residence at Montecito, about 11 o'clock Monday night. Another member of the family, a son, aged 20 years, was badly burned in trying to rescue the three children, and is reported to be in a serious condition. So quickly did the flames spread that the rest of the family barely escaped. The house was totally destroyed.

**Madoc Township School Attendance** — Report for year ending December 31, 1922. The figures indicate the number of pupils reported absent. Union S.S. No. 2 Lynn's, 211; S.S. No. 2 O'Hara's, 414; Union S.S. No. 3 Queensboro, 356; S.S. No. 3 Hart's, 510; S.S. No. 4 Cedar, 294; S.S. No. 5 Hemington, 552; S.S. No. 6 Cooper, 1717; S.S. No. 7 Rupert's, 478; S.S. No. 8 English, 111; S.S. No. 9 Burris, 596; S.S. No. 12 Gordon's, 54; S.S. No. 13 Riggs, 72; S.S. No. 14 Best's, 119; S.S. No. 16 Blakely's, 66; S.S. No. 17 Jarvis, 122; S.S. No. 19 Bannockburn, 323. Total number of days of non-attendance, 5931 or nearly 30 years schooling for one person. Issued 21 home permits to adolescents or children over 14 years of age. Notified by registered letter 30 parents and guardians of non-attendance of children. Called on 6 parents or guardians personally. In the year 1920 there was non-attendance of 5208 in 1921, 3242; and in 1922, 5931. Last year I was encouraged with the decrease but this year's reaction is deplorable. While illness, long distance, cold and unfavorable weather conditions are accountable for the non-attendance of some, there are too many indifferent and delinquent parents who will be committed for trial this year if there is not a regular attendance of their children as required by the School Attendance Act. F. A. Comerford, School Attendance Officer.

#### 24 YEARS AGO February 3, 1949

The body of Peter John McNulty, who has been missing from his home near Flint since the middle of October, was found yesterday afternoon by Oakley Turcott and Vincent Rashotte, while cutting logs on the Rashotte property in Elzevir Township. Provincial officers Hatch and Lummas, accom-

panied by Dr. S. R. Beatty, visited the scene and found the frozen body covered with snow, near one of the trees that had been cut by Turcott and Rashotte. The body was removed to Tuft's and Kelly Funeral Parlours, Madoc, where it was identified by Charlie McNulty as being that of his brother, Peter John McNulty, aged 76 years. Crown Attorney B. C. Donnan ordered that an autopsy be performed and it was discovered by Dr. J. McKay, Provincial Pathologist, that death was due to malnutrition and exposure. McNulty had drawn a large sum of money from a Tweed bank, shortly before his disappearance and it was at first thought that there might have been foul play.

Mr. Ross S. Thackeray, Chief of the Education and Training Section and Health Physic Division of the Atomic Energy Laboratories, Oak Ridge, Tenn., has been selected to study under a Rhodes Scholarship at Oxford University, England. Mr. Thackeray is married to the daughter of Mr. and Mrs. F. Walker. Mrs. Walker was the former Lucy Morrison, and a resident of Madoc for a number of years.

Three goals by Jerry Keller were enough to give Madoc a 3-2 decision over Frankford in a Trent Valley Hockey League game played in the Madoc Arena on Friday night of last week. Frankford opened the scoring in what proved to be the best game of the season. Madoc evened the count and took a 2-1 lead as the period ended. In the second frame Frankford tied the score which remained deadlocked until the dying minutes of the game, when Keller's third counter gave the locals their second win of the season.

The annual meeting of the Belleville Agricultural Society was held in Belleville City Hall recently when W. Harry Rollins was re-elected as President of the Society for 1949. All officers of the organization were re-elected with Vice Presidents being Thomas Walker and Dr. J. Russell Scott; Secretary, Erle S. Denyes and Treasurer, Ben Blecker.

Dr. Grant Fraser, Madoc, who has brought honor, not only to himself, but to the Village as a whole, is being elected Illustrious Potentate of Raimses Shrine Temple. This is the fourth time that this high office has been held by anyone outside the City of Toronto and the first time the office has gone outside a city. At the annual meeting it was reported the sum of \$25,000 was spent on crippled children's work during the year. Of this \$5,000 went to the Ontario Society for Crippled Children; \$5,000 to Shriners' Hospital, Montreal; \$8,000 for local cases and the rest general.

Birth — Charlie, Helen and Jimmy Murphy, Steenburg, are happy to announce the arrival of their 10-pound baby girl, Marion Jane, on Monday, January 31st, at Mrs. Keller's Nursing Home, Madoc.

#### 15 YEARS AGO February 6, 1934

Four Stirling young people were injured, two of them seriously, when the car in which they were riding struck a culvert on No. 33 highway two miles south of Stirling, then slid 10 feet down an embankment into a creek. Taken to Belleville General Hospital with three fractured vertebrae is Norman Cooney, 15. Jean Ann Mayhey, 14, also with a fractured vertebrae; Lynda Sine, 17, face cuts, and Marvin Cooney, driver of the car, with leg injuries. The accident occurred about 5:30 Sunday afternoon, the Cooney car striking the bridge abutment driving the motor back beneath the front seat. Following the impact the car slid down a steep embankment into a small creek but did not turn over. Provincial Police from Belleville investigated.

Seconds after two cars crashed head-on on a railway level crossing near Trenton, six injured persons sat stunned and helpless in the wreckage as a fast freight train bore down on them. A third motorist who happened along made a quick decision that the train probably would miss one car but hit the other. He dragged the two injured persons from the likeliest target and a moment later the train demolished that car. The freight barely touched the second car containing four injured persons. Hero of the crash was paper-mill worker Harry McGrechy, 32. He sav-

ed Clarence Chenier, 34, an RCAF airman, and his wife, Rita, 30. Both are in serious condition. Police said both would be dead but for McGrechy's quick action. Two other airmen and their wives, Harold Buell, 24, and Jean, 19, and Harry Dixon, 24, and Joyce, 19, all of Frankford, are also in hospital in Trenton, with injuries suffered in the original car crash. McGrechy arrived as a CNR fast freight rounded a bend and bore down on the two cars. He thought the Buell car was far enough from the track to be cleared by the freight, but the Chenier car was astride the tracks. "I got the door open and pulled the man out," McGrechy said. "He was unconscious but badly hurt."

"Then I got the woman out. She was unconscious," McGrechy just dragged the Cheniers clear of their car when it was demolished by the freight. A side projection on the engine "pinked" the Buell car, but did not further injure the occupants.

"The Madoc Kiwanis Midgets won the first game of the semi-finals, by defeating Marmora 7-3 in the local arena on Tuesday night. The second game will be played in Marmora tonight."

## NOTICE County Of Hastings

NOTICE IS HEREBY GIVEN that the Corporation of the County of Hastings will apply to the Legislative Assembly of the Province of Ontario at its next Session for private legislation to provide as follows with respect to the composition of and votes on the County Council in the year 1974 and subsequent years:

1. Notwithstanding subsections 1 and 2 of Section 27 of The Municipal Act, membership on the council and the votes of such members shall be as follows:

- Where a local municipality has less than 2,500 municipal electors, the reeve only shall be a member of council and shall have one vote.
- Where a local municipality has not less than 2,500 and not more than 5,000 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have one vote.
- Where a local municipality has more than 5,000 but not more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council; the reeve shall have two votes and the deputy reeve shall have one vote.
- Where a local municipality has more than 7,500 municipal electors, the reeve and the deputy reeve shall be members of the council and each shall have two votes.

DATED at Belleville this 20th day of December, 1972.

## The HORSE SHOE BAR LOUNGE

Entertainment & Dancing  
every Friday & Saturday night

Featuring this week  
The Randoms  
with Dennis Young  
**MADOC HOTEL**

**NOW Pioneer 1200**

makes things even easier with automatic oiling

Now automatic oiling and manual override makes the Pioneer 1200 even more popular with woodcutters everywhere. The rugged, reliable 1200 is specially designed for farm use, light pulpwood cutting and for casual users who need more muscle than a 'hobby class' machine. Make the Pioneer 1200 your clear-cut choice to make things easier.

making things easier

### SUPER-SERVICE

The economical long-life battery that thousands of Canadian motorists depend on because it's power-sealed to be factory fresh right from the start. Super-Service batteries are also available for imports.

### DUAL-DUTY

Ample cranking power even at sub-zero temperatures. Thin walls, high strength casing resists oil and acid; greater internal capacity packs more power in the power-producing materials. Better without being bigger!

GROUP 24 and 24H  
410 Cranking amps — 65 plates  
FITS MOST Ford products '66-72 General Motors '66-72 American Motors and Chrysler products '66-72; Oldsmobile '66-72; Toyota '67-72; Volvo '67-72, others.

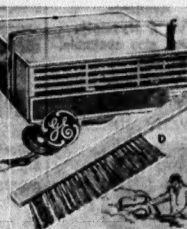

**Booster Cables**  
1.59 PAIR

Borrow a boost when you're stuck for power! 75-amp capacity 6-gauge wire, color-coded insulation and battery clips. 8-foot long.

**A. 12-volt Battery Charger**  
5-amp output selenium rectifier with polarity indicator light. 115-volts. 13.99

**C. In-Car Pre-Heater**  
General Electric reliability; fan-forced 120-volt 850-watt element. 14.95

**D. Snowbrush/Ice Scraper**  
Nylon bristle brush; plastic ice blade; wooden handle. 23" long overall. 3.33

## LETTER TO THE EDITOR

Cloyne, Ontario,  
January 24, 1973.

Messieurs et Mesdames:

How long are we going to  
put on the air, slanted cover-  
age of events in Viet Nam, in-  
sinnuations about the intentions  
of the President of the United  
States of America, and propa-  
ganda from the red side of the  
world, that shows an appalling  
lack of knowledge on our part,  
of what the reds would really  
like to accomplish in the world,  
the U.S.A. and in Canada?

How long are we going to  
listen to and quote on the air,  
the opinions of draft-dodgers  
from the U.S.A.? They have the  
right to their opinions, and  
there have always been con-  
scientious-objectors, many coun-  
ageous willing to do a great job  
in the interests of Peace. But  
when these people come over  
here and try to throw slight  
upon their own government and  
leaders, why should we air  
their views? How would we like  
other (friendly) countries to do  
that to us?

I am a Canadian who has  
lived abroad for many years,  
but I never have been ashamed  
to be called a Canadian, even  
when Monsieur de Gaulle was  
visiting Montreal, or when Mon-  
sieur Trudeau was visiting Mos-  
cow.

I would like to remain a  
Canadian who is proud to be  
one, and have my children be

Francis Lajoie, 214; Martin  
Brook, 202; Pat Molloy, 200.

**MADOC BAPTIST CHURCH MISSION CIRCLE**

The January meeting of the  
Women's Mission Circle was  
held at the home of Mrs. Jas.  
Forbes on Monday, January  
29th at 2:00 p.m.

Mrs. Warbrick opened the  
meeting by reading a poem on  
'Birds', showing the many les-  
sons learned from the birds  
and then led in prayer.

Hymn, "When I Survey the  
Wondrous Cross", was sung.  
The minutes of the last meet-  
ing were read. The roll call was  
answered by repeating a verse  
of scripture containing the word  
'Love'. Letters from two mis-  
sionaries were read. Mrs. Beau-  
drow read a chapter from the  
Study Book, "Fire on the  
Mountain".

Mrs. Rauw led in prayer for  
the missionaries. The hymn,  
"Far, Far Away in Heathen  
Nations Dwelling", was sung.  
Mrs. Gladys Demille, group  
leader then conducted the meet-  
ing. The theme, "Love" as  
shown in Ephesians was given  
in three parts.

(1) The Christians exalted  
position through faith in Christ.  
(2) The truth concerning the  
body of Christ. (His church).  
(3) A life lived in accordance  
with that truth.

Paul's love for the church at  
Ephesus was shown in his con-  
cern for the Christians who had  
lost their first love. Ephesians  
1, 4, 14 and 15 were read.  
Christ makes it possible for  
sinners to be accepted."

Ephesians 2, 4 and 5 were  
read.

Love is plentiful, no limit,  
universal, long as eternity. No  
man can fathom it.

Love's practice expressed in  
Chapter 4. Ephesians 4, 15 and  
16 were read. We must express  
God's love in our hearts in order  
to express this love. Love's pat-  
tern applied as in other walks  
of life. We please the Lord  
when we walk in love and be  
the hue expression of love. I  
corinthians 13 was read. (The

love chapter).

Mrs. Forbes read a poem,  
"Really Living", expressing  
Ephesians 1, 15 and 23.  
Mrs. Rauw and Mrs. Demille  
sang, "Love Divine".

Mrs. Moorcroft closed the  
meeting with prayer and also  
gave thanks for the refresh-  
ments.

A study of the organization  
and administration of the  
Ministry of Agriculture and Food

**NOTICE OF PUBLIC MEETING**

The Minister of Agriculture and Food, Honourable Wm.  
A. Stewart, has directed that a study be made of the  
organization and administration of the Ministry, with  
special emphasis on the suitability of its existing programs,  
policies and services to meet the needs of Ontario agricul-  
ture.

In order that individuals and organizations might be  
able to express their opinions or make suggestions in this  
regard, a series of public meetings have been arranged.  
They will be held at central points throughout the province.  
This is an invitation to interested parties to comment on  
the quality and relevance of Ministry programs, and their  
suitability to serve the industry at a time of rapid change.  
You are invited to present written briefs, or to make oral  
representation at one of these public meetings.

## R.R. 1, CLOYNE

Mr. and Mrs. Richard Mieskie returned from Florida on January 8th where they spent Christmas and New Year's. They motored down with their son Powell Mieskie and his wife Mary, their son Brian and friend Miss Janet Taylor of Ottawa.

Deepest sympathy to Mr. Bill Scott Sr. on the death of his sister.

Mr. George Rogers of Toronto called on his parents, Mr. and Mrs. Sydney Rogers and Roy. Roy returned home with his brother.

Get well wishes to Mr. Bob Gordon who is a patient in a Toronto Hospital and also to Mrs. Jean MacKenzie who is a

patient in Belleville General Hospital. Get well soon.

Mrs. Cecil Stroud and girls spent a day recently with her parents, Mr. and Mrs. Sydney Rogers.

The flu bug has struck once again and several in the area have been on the sick list.

School children from N.A.E.C. and Denbigh School were allowed to come home early on January 22nd due to the freezing rain falling in our area.

WHAT IS THE BEST EGG BUY?...

Generally, if the difference between two sizes is more than 7c the smaller size is most economical buy.

The best buy depends upon season and supplies. When the new flocks start laying, small eggs are usually in heavy supply. There is a period when medium eggs are plentiful, then the large follow.

Eggs are sized and sold by weight. The minimum weight for a dozen extra-large eggs is 27 ounces; for large, 24 ounces; for medium, 21 ounces; for small, 18 ounces. Since one dozen large eggs weight 1 1/2 pounds, there's high-quality protein at a relatively low cost.

Mrs. Green is available to talk "shopping" to groups. Call 359-8623, or write 125 The Queensway, Toronto, Ontario, M8T 1B7.
